CONCERNS RAISED BY PUBLIC

Any comments received prior to completion of the Staff Report are addressed in the Staff Report to the Planning Commission. Key issues raised in written comments received subsequent to the Staff Report or public comment during the public hearing included the following: None.

APPLICANT RESPONSE

Key points addressed in the applicant's presentation to the Planning Commission included the following:

- Planning staff (Aaron Ardmore, Bill Pepeone) and Airport staff (Jared Penrod) addressed questions from the Planning Commission regarding phasing of the airport expansion, justification for the expansion, details of phase two, and parking plans for the terminal.

PLANNING COMMISSION DISCUSSION

Key points discussed by the Planning Commission included the following:

- Matt Wheelwright inquired about environmental reports for the terminal construction, which staff confirmed studies were completed and determined that no wetlands were being impacted.
- Jon Lyons asked for the justification of expanding the airport and what benefits it brings to the city, staff responded

noting the need for additional space and the economic benefits to the city. Staff noted that future phases will bring in more gates and flights.

- Commissioners discussed the current parking lots and plans for future expansion of the parking and public transportation for the airport with staff, noting a desire for increased parking and public transport.
- Jon Lyons confirmed with staff that no city funds are going towards this project.
- Commissioners appreciated that this project would make the airport more efficient in its operations and have no concerns with the expansion.
