

## GRAMA Claim of Business Confidentiality

Pursuant to Utah Code Section [63G-2-305](#)(1) and (2), and in accordance with Section [63G-2-309](#), BEEHIVES OWN LLC dba BEEHIVE FARMACY (company name) asserts a claim of business confidentiality to protect the following information submitted as part of a Request for Proposals.

- ☐ non-public financial statements
- ☒ specific employee name and contact information
- ☐ specific customer information, client lists, or subscription lists
- ☒ other (specify):

Trade secrets, confidential information and security protocols concerning Beehives business including: policies and procedures, Security Plan, proprietary business information, sensitive personal information and business records.

This claim is asserted because this information requires protection as it includes:

☒ trade secrets as defined in Utah Code Section [13-24-2](#) ("Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique, or process, that: (a) derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.)

☒ commercial information or non-individual financial information obtained from a person if: (a) disclosure of the information could reasonably be expected to result in unfair competitive injury to the person submitting the information or would impair the ability of the governmental entity to obtain necessary information in the future; [and] (b) the person submitting the information has a greater interest in prohibiting access than the public in obtaining access.

Following is a concise statement of reasons supporting the claim of business confidentiality:

Information provided contains sensitive and proprietary business information. This includes personal information as well as security information. To disclose this information to the public can negatively impact its staff and organization.
