### Addendum #1

Following the onsite visit held September 24, 2025, this addendum #1 addresses the following questions and provides a response:

1. **Question:** Should the bid include a Payment and Performance Bond (P&P Bond)?

**Answer:** Do not include the cost of a P&P Bond in the lump sum bid amount. Rather, please include the cost of the P&P Bond as an alternate cost which can be added to the lump sum bid amount should HAUC elect to utilize a Payment & Performance Bond.

2. **Question:** Will utilities be provided in the building for the remediation services to be performed?

**Answer:** Yes. The building requiring the remediation services will have electrical, water, and gas utilities provided during the remediation.
