GRASSHOPPER BAIT & NO-TILL DRILL

Grasshopper bait did well. We have about 2 pallets left.

The No-Till Drill is going well. It is getting a lot of use.

Twin M No-Till Drill

We invited Brad Eyre from the Twin M CD today. We would like to negotiate renting or possibly purchasing the No-Till Drill from the Twin M CD. They are a little worried about it being gone when somebody in their district would like to use it.

Brandon motioned to put together an offer to use or by Twin M's No-Till Drill. Keith Seconded. Motion carried.

Livestock and Heritage Festival

Brandon motioned to donate \$500 for the wool and hay awards for the Heritage Festival. Keith seconded the motion. Motion approved.

District Business

We discussed ordering 3 6X3 banners from Image Pro for advertisement. **Brandon motioned to approve to purchase the banners. Keith seconded the motion. Motion approved.**

Zone 5 Business

The Water Optimization Summer Tour through UDAF was held in Delta on September 5th.

We are planning on using the Ag grant to do a soil health workshop in Parowan. It will be held on November 3rd tentatively from 10:00 am – 1:00 pm.

The UACD Convention is going to be held November 5-6. If you can fit it into your schedule, please go.

USU EXTENSION UPDATE

Beckah has given out some traps for the gopher program. She has a sign-up sheet for the kids. They're doing the Farm Bureau Social at Brandon's residence on September 27th.

IRON COUNTY WEED UPDATE

Amber has a grid system with layers to see where they have worked the infestation points. They have covered 3670 miles.

NRCS UPDATE

McCade Christensen presented today. We are still in a severe drought. They're takin EQIP sign-ups for next year. They would really like people from the Parowan valley to sign up. They do not have a deadline for sign-ups yet, but it's usually the end of October or November. Please spread the word!
