ORDINANCE NO. 25-18

AN ORDINANCE OF THE CITY OF TREMONTON, UTAH ENACTING A TEMPORARY LAND USE REGULATION PURSUANT TO UTAH CODE ANN § 10-9a-504 ON THE ACCEPTANCE, PROCESSING, AND APPROVAL OF CERTAIN LAND USE APPLICATIONS, INCLUDING ZONING MAP AMENDMENTS AND ZONING ORDINANCE TEXT AMENDMENTS

WHEREAS, the Tremonton City General Plan was adopted in 2002 and serves as the City's comprehensive, long-range policy guide; and

WHEREAS, Utah state law requires that a city's zoning regulations be consistent with its general plan; and

WHEREAS, the 2002 General Plan is based on outdated demographic data, projecting a 2020 population of 9,708 while the City's estimated 2024 population is 13,214, with projections reaching 30,312 by 2050; and

WHEREAS, this rapid growth significantly exceeds the foundational assumptions of the 2002 General Plan, straining public resources and raising concerns among residents about the long-term financial burden of supporting new infrastructure; and

WHEREAS, continuing to approve significant land use applications based on the outdated 2002 General Plan may lead to uncoordinated development and undermine the City's ability to manage growth sustainably; and

WHEREAS, the City Council finds there is a compelling, countervailing public interest in temporarily pausing certain land use approvals to allow for a comprehensive General Plan update that aligns with a modern, data-driven, and community-supported vision for Tremonton.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF TREMONTON CITY AS FOLLOWS:

SECTION 1: FINDINGS The City Council hereby adopts the recitals set forth above as formal findings in support of this Ordinance.

SECTION 2: TEMPORARY LAND USE REGULATION IMPOSED

A. For the duration of this temporary land use regulation, the City shall not accept for filing, process, or approve any of the following land use applications:

1. Petitions or applications for amendments to the official Tremonton City Zoning Map (rezones).

2. Applications for amendments to the text of the Tremonton City Zoning Ordinance that would create new zoning districts or materially alter the density, intensity, or types of uses permitted within existing zoning districts.

B. This temporary land use regulation shall not affect:

1. Applications for subdivisions, conditional use permits, building permits, or other development approvals that are fully compliant with the City's zoning map and ordinances as they exist at the time of this ordinance's adoption.

2. Amendments to the General Plan or Zoning Ordinance initiated by the Tremonton Planning Commission or City Council for the express purpose of implementing an updated General Plan.

SECTION 3: PURPOSE AND SCOPE OF GENERAL PLAN UPDATE

During the temporary land use regulation period, the City shall diligently proceed with a comprehensive update to the General Plan. The update process shall, at a minimum, address the following:

A. Establishment of a Guiding Framework: The updated General Plan shall establish a clear mission, vision, and guiding principles. These elements shall serve as the primary policy framework to direct and coordinate all other city-wide plans, including, but not limited to, the Land Use Plan, Moderate Income Housing Plan, Transportation Master Plan, Capital Facilities Plan, Annexation Policy Plan, and Parks and Recreation Master Plan.

B. Comprehensive Capital Facilities Plan Review: The update shall include a thorough review and update of the Capital Facilities Plan element to analyze the City's capacity to provide essential services. This analysis must include, but is not limited to:

1. Public Safety Services, including needs for Police and Fire Protection.
2. Water and Sewer Infrastructure, including system capacity and the requirement for annexed lands to be accompanied by sufficient water rights.
3. Transportation Infrastructure, including the roadway network, traffic circulation, and active transportation facilities.
4. Other Municipal Services, including planning, snow removal, street maintenance, and garbage collection.

C. Integration and Alignment: The process shall integrate current demographic data and align the General Plan's land use element with the infrastructure, transportation, and capital facilities recommendations of the 2025 Transportation Master Plan and the City's Annexation Policy Plan.

D. Policy Updates: The process shall include a review and update of policies related to housing, economic development, public services, and natural resources to reflect current community needs and goals.

E. Legal Sufficiency: The process shall ensure the updated General Plan provides clear and legally sufficient basis for future zoning and land development decisions that promote efficient delivery of services and the equitable distribution of community resources and obligations.

SECTION 4: DURATION

This temporary land use regulation shall remain in effect for one hundred eighty (180) days. The City Council may, by ordinance, extend this regulation for two additional one hundred eighty (180) day periods if it finds an extension is necessary to complete the General Plan update.

SECTION 5: SEVERABILITY

If any section, clause, or provision of this Ordinance is declared invalid by a court of competent jurisdiction, such decision shall not affect the validity of the Ordinance as a whole.

SECTION 6: EFFECTIVE DATE

This Ordinance shall become effective immediately upon its passage, signing, and posting as required by law.

PASSED AND ADOPTED by the City Council of Tremonton City, Utah, this XX day of XX 2025.
