DETAILED REASON AND EXPLANATION FOR REQUEST:

For quite some time, the Forebay Committee has been working on a Conservation Easement for the Payson Forebay Recreation Area in Payson Canyon. After extensive education, discussions, meetings, and several iterations of the draft document, the Committee has forwarded a favorable recommendation to the City Council on the attached draft conservation easement.

Before placing this item on the agenda for action, the Committee would like to share their thoughts and engage in a dialogue about the draft. Members of the Forebay Committee will provide a short presentation on the work that has gone into the draft document and answer questions. Staff will also be in attendance to assist with the conversation.

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.
