PUBLIC NOTICE

for Program Changes for the 2026-2027 School Year
South Davis Junior High School

Public Hearing

Time & Date: 6 p.m., Thursday, October 23, 2025

Location: South Davis Junior High, 298 West 2600 South, Bountiful

This will be an opportunity for community members to voice their opinions and concerns.

Need for Proposed Changes

- Enrollment in the French Dual Language Immersion program at **South Davis Junior High School** has declined significantly, with only 15 students enrolled across grades 7-9 last year, and continued decreases this school year. Additional factors prompting the change include:
- The existence of a similar French DLI program at nearby Mueller Park Junior High.
- The current continuation pathway to the French Bridge program is located at Bountiful High School, not Woods Cross High School, which may affect participation.

Proposed Solution

The proposed solution is closure of the French Dual Language Immersion program at South Davis Junior High and consolidation with the French Dual Language Immersion program at Mueller Park Junior High.
