GENERAL NOTES

The market value of your vehicle was determined by comparing it to other vehicles of similar make, model, equipment, mileage or hours and condition that have been offered for sale or sold. The sources for this comparison include dealers selling new and used vehicles, newspapers, traders and specialty journals. Two verified comparables have been used to determine the ACV of the loss unit. We adjusted for the overall equipment differences. No additional adjustments were made as all were reported to be similar. This report is based on the information provided at the time and should any new relevant information become available, further review may be required of this report.

PLEASE NOTE: Autosource has reviewed the provided photographs and adjusted accordingly.

-PLEASE NOTE: No year adjustment was made; condition is the primary factor in determining value on a unit of this age.

STAFF REPORT

TO: Administrative Control Board

FROM: Administrative Battalion Chief, Tyler Rowser

DATE: August 14, 2025

SUBJECT: Interlocal Agreement with Summit County for Health Insurance Coverage

Purpose:

To seek Board approval for entering into an Interlocal Agreement between North Summit Fire Service District (NSFSD) and Summit County that formalizes NSFSD's participation in the County's Health Insurance Coalition.

Background:

NSFSD currently participates in the Summit County Health Insurance Coalition, receiving health insurance coverage for its employees through the County's pooled program administered by SelectHealth. The District has benefited from shared risk and competitive premium rates by being part of this coalition alongside other public entities within Summit County.

The attached Interlocal Agreement is a step toward formalizing this longstanding cooperative arrangement. It outlines the terms, responsibilities, and financial structure of NSFSD's participation, aligning with the requirements of the Utah Interlocal Cooperation Act.

Key Provisions:

- **Formal Participation:** NSFSD's existing participation in the Health Insurance Coalition will be officially recognized through this agreement.

North Summit Fire District
PO Box 187 | 86 E. Center Street
Coalville, Utah 84017
435-336-2221 | Emergency 9-1-1
www.NorthSummitFireUT.gov

- **Effective Date:** September 1, 2025
 - **Term:** Five years, through August 31, 2030
 - **Premium Structure:** Based on employee enrollment, coverage level, and a tiered system informed by historical loss ratios.
 - **Governance:** NSFSD will appoint representatives to the Coalition's Advisory Board
 - **Termination Clause:** Either party may terminate the agreement with six months' written notice prior to the beginning of the calendar year.
-

Fiscal Impact:

Formalizing participation through this agreement ensures continued access to pooled health insurance at a cost-effective rate. Premium adjustments are tiered and data-driven, offering financial predictability based on the district's own performance within the pool.

Recommendation:

Staff recommends that the Administrative Control Board approve the Interlocal Agreement with Summit County to formally establish North Summit Fire Service District's participation in the Health Insurance Coalition.

Respectfully Submitted

INTERLOCAL AGREEMENT
Between
SUMMIT COUNTY AND
NORTH SUMMIT FIRE SERVICE DISTRICT
For
HEALTH INSURANCE

This Interlocal Agreement ("Agreement"), entered into this ____ day of _____, 2025 (the "Effective Date"), by and between **SUMMIT COUNTY**, a body corporate and politic of the State of Utah (the "County"), and **NORTH SUMMIT FIRE SERVICE DISTRICT**, a special service district of the State of Utah ("NSFSD"), is for NSFSD's participation in County's Health Insurance Plans. The County and NSFSD are referred to individually as a "Party" and collectively as the "Parties." This Agreement sets forth the terms and conditions for NSFSD's participation in the County's Health Insurance Plan (the "Plan"), and acknowledges that NSFSD may participate in conjunction and cooperation with other entities in the Plan.

RECITALS

WHEREAS, the County offers its employees health insurance through the Plan; and,

WHEREAS, the Plan consists of (a) the contracted employee benefits consultant, (b) the contracted health care provider, (c) the Coverage Levels (*defined below*), (d) the Health Plans (*defined below*), (e) the Premiums (*defined below*), (f) claims administration, and (g) the Pool (*defined below*); and,

WHEREAS, the Coalition (as defined in Paragraph 1.1, below) annually negotiates the rates, terms and conditions of the Plan in cooperation with the contracted employee benefits consultant; and,

WHEREAS, the current contracted healthcare administrator under the Plan is SelectHealth, who offers the option to Coalition members and their employees to participate in a limited number of Health Plans and Coverage Levels, at varying costs to Coalition members and their employees; and,

WHEREAS, NSFSD is a special service district, created by the County, and governed by the Summit County Council; and,

WHEREAS, NSFSD desires to provide health insurance coverage to its employees; and,

WHEREAS, NSFSD can likely access better pricing and rates for health insurance coverage if it pools its resources with the County and other local public entities, instead of securing health insurance for its employees on the open market, and in so doing become a member of the Coalition; and,

WHEREAS, NSFSD desires to join with other members of the Coalition to consolidate assets in order to create a joint health insurance coverage fund (the “Pool”) of self-insured public entities to efficiently handle payment of premiums and claims; and,

WHEREAS, other self-insured public entities (as referenced in Paragraph 1.1) within Summit County may participate in conjunction and cooperation with NSFSD in the Plan by entering into a substantially similar form of Interlocal Agreement with Summit County; and,

WHEREAS, the Parties are “public agencies” of the State of Utah for purposes of Utah Code § 11-13-202 and desire to enter into an agreement with one another under Utah Code Title 11 Chapter 13, Interlocal Cooperation Act, to cooperatively secure and maintain health insurance for the benefit of the Parties’ employees;

NOW, THEREFORE, in consideration of the mutual promises, covenants, and conditions hereinafter set forth, the Parties hereby agree to enter into this Agreement under the provisions of the Utah Interlocal Cooperation Act, §11-13-101, *et. seq.* of the Utah Code, to foster the legitimate interests of SUMMIT COUNTY and NORTH SUMMIT FIRE SERVICE DISTRICT, to actively work together to pool resources for the effective negotiation and payment of health insurance rates, claims, and premiums.

AGREEMENT

1. Coalition; Membership; Scope of Agreement

- 1.1 The Summit County Health Insurance Coalition (the “Coalition”) was formed and is operated by the Summit County Manager (the “Manager”) on behalf of the County for the benefit of its employees. The Manager has opened the Coalition to other self-insured public entities within Summit County in order to more efficiently provide health insurance coverage to public employees by economizing and pooling resources. The Manager has created the Summit County Health Insurance Coalition Advisory Board (the “Board”), for the purpose of advising, recommending, and otherwise providing input to the Manager regarding the selection of health care providers and consultants, and the operation of the Plan. The Board shall at all times be an advisory body to the Manager. The Chair of the Board shall be the Summit County Director of Human Resources.
- 1.2 NSFSD is hereby granted membership in the Coalition and the right to participate in the Plan for the benefit of its employees.
- 1.3 NSFSD accepts the obligations, duties, and conditions, as set forth herein, to participate in the Plan.
- 1.4 The Coalition, in its sole and absolute discretion, shall annually negotiate rates, terms and conditions of the Plan, and provide that information to the Manager, who shall have final approval authority. Once a Board recommendation is approved, the Coalition shall provide that information to NSFSD prior to Open Enrollment. “Open Enrollment” is defined as that

period during which an employee may freely enroll in or change his or her selection of Coverage Level(s) or Health Plan(s) under the Plan.

- 1.5 The Parties agree that each shall be responsible to pay to the County its own funding payment for monthly amounts due and owing to SelectHealth (or to such other contracted health care provider under the Plan) based upon each Party's number of enrolled employees and the Health Plan(s) and Coverage Level(s) selected by those employees, subject to the Coalition's annual negotiated rates, terms and conditions set forth in the Plan.
- 1.6 NSFSD agrees to keep its enrolled employee count with County current. This includes an annual enrolled employee update upon the conclusion of Open Enrollment, as well as any updates that occur during the year as a result of changes an employee makes due to a "Qualifying Life Event" (as determined and defined by Federal Law and SelectHealth, or such other contracted health care provider under the Plan).
- 1.7 NSFSD agrees that it will participate in the Plan, and may participate in other Coalition plans (e.g. dental, vision, life, and other supplemental coverages).

2. Duration, Amendment, and Termination

- 2.1 Duration. This Agreement shall be effective as of September 1, 2025, and shall terminate on August 31, 2030, unless renewed by mutual written agreement. In no event shall the term of this Agreement exceed fifty (50) years (Utah Code §11-13-216).
- 2.2 Amendment. This Agreement may only be amended by mutual written agreement of the Parties. Any approved Amendment shall be shared with the Board.
- 2.3 Termination. Either party may terminate this Agreement by providing written notice a minimum of six (6) months in advance of January of the calendar year by which the terminating Party wants its termination to be effective. Said notice must be approved by NSFSD's Governing Board.
- 2.4 Readmission. If NSFSD terminates this Agreement pursuant to Paragraph 2.3.1, above, it may not seek readmission to the Coalition until a minimum of two (2) calendar years have passed since the effective date of its prior termination notice.

3. Payment Process; Pool

- 3.1 NSFSD will remit to the County its monthly insurance coverage premium, inclusive of the costs for all Health Plans and Coverage Levels, Cobra payments, and any administrative fees for claims administration (together, the "Premium"). The Premium amount shall be based upon the number of NSFSD employees who are enrolled in a Health Plan, as well as each enrolled employee's specific Coverage Level.
 - 3.1.1 "Coverage Level" refers to an employee's selected coverage based upon that employee's family size: single, two-party, or family.

3.1.2 “Health Plan” refers to the health insurance plans approved by the Manager and offered by SelectHealth.

3.2 Premiums. All premiums shall be placed in the Pool, which is administered by the County. Each year’s premium will be based upon any necessary market rate/cost adjustments to the pool, plus NSFSD’s prior 24 month loss ratio. There will be five (5) premium tiers, each of which corresponds to a given loss-ratio range:

TIER	PREMIUM FACTOR	ASSOCIATED LOSS RATIO
1	-6%	< 70%
2	-3%	70% - 80%
3	0% (current premium)	80% - 90%
4	+3%	90% - 100%
5	+6%	> 100%

For purposes of this paragraph, “Loss Ratio” is defined as: claims plus (+) administrative fees plus (+) reinsurance fees minus (-) stop loss reimbursements divided (/) by total plan funding (premium paid), represented as follows:

$$\text{Loss Ratio} = \frac{(\text{claims} + \text{admin fees} + \text{reinsurance fees}) - \text{stop loss reimbursements}}{\text{total entity plan funding}}$$

3.3 County will directly pay SelectHealth for NSFSD’s claims and any administrative fees as they come due.

3.4 Interest accrued on the Pool’s principal balance shall be divided pro rata amongst all participating entities based upon each entity’s Premium balance as a percentage of the whole.

3.5 County will, on at least a quarterly basis, provide Coalition members with a financial accounting of the Coalition’s fund balance as managed by County.

3.6 Reserve Fund Balance

3.6.1 **Distribution of existing reserve fund balance excess.** County maintains the Coalition’s claims reserve fund, which the Parties agree should contain a minimum six-month average of Coalition claims. Upon execution of this Agreement by each of the below-listed Coalition members, that portion of the reserve fund balance which exceeds the average of six-month’s worth of claims shall be refunded according to the below-indicated percentages (which represent the percentage of the excess amount to be refunded to each Coalition Member):

Park City Fire Service District: 41.07%

Summit County: 34.86%

Snyderville Basin Special Recreation Service District: 16.80%

Mountain Regional Water Special Service District: 0.16%

- 3.6.2 **Treatment of reserve fund balance going forward.** Upon execution of this Agreement (and by execution of a substantially similar agreement by any other Coalition Member) County shall continue to manage the claims reserve fund so that it contains a minimum six-month average of Coalition claims, whenever possible. Every July 1, starting July 1, 2027, County will determine whether the reserve fund exceeds the six-month claims threshold. If the reserve fund exceeds this threshold, the excess amount will be refunded to each Coalition Member on a percentage-of-premium basis, except that any Coalition member with a negative fund position for that claims period will not receive a refund.

4. Board Representatives; Quorum; Voting

4.1 Board.

- 4.1.1 NSFSD is one of several public entities participating in the Plan and its Pool. Each participating entity (a “Coalition Member”) shall be allowed to designate at least one (1) representative to the Board (a “Representative”), who shall have the right to attend and vote at any meeting of the Board.
- 4.1.2 Each Coalition Member shall be entitled to designate one (1) additional Representative to the Board for every twenty-five (25) employees it has participating in the Plan and its Pool, except that in no event shall any Coalition Member be entitled to designate more than three (3) Representatives, except for the County, which shall be entitled to four (4) Representatives.

4.2 Quorum and Voting. A majority of the Representatives shall constitute a quorum and the action of the majority of Representatives present shall be the action of the Board.

5. Indemnification and Immunity

- 5.1 The Parties are governmental entities under the Governmental Immunity Act of Utah (Utah Code §63G-7-101, et seq. as amended) (the “Governmental Immunity Act”). Consistent with the terms of the Governmental Immunity Act, the Parties agree that each Party is responsible for any negligent acts or willful misconduct which it commits or which are committed by its authorized agents, officials, or employees, and no Party shall have any liability whatsoever for any negligent acts or willful misconduct of the other Parties, their agents, officials, or employees. No Party waives any defenses or limits of liability otherwise available under the Governmental Immunity Act and all other applicable laws, and all Parties maintain all privileges, immunities, and other rights granted by the Governmental Immunity Act and all other applicable laws. The Parties agree to assume any and all legal costs for their own defense.

- 5.2 Each Party (the “Indemnifying Party”) agrees to indemnify, hold harmless, and defend and release the other Parties (the “Indemnified Parties”), their agents, officials, and employees from and against any and all suits, claims, and proceedings for loss, damages, injury or liability caused by the Indemnifying Party, its agents, officials, and employees, arising under this Agreement, unless caused by the negligence or willful misconduct of an Indemnified Party.

6. Governing Law

- 6.1 It is understood and agreed by the Parties hereto that this Agreement shall be governed by the laws of the State of Utah both as to interpretation and performance without regard to principles of conflict of laws. All actions, including but not limited to court proceedings, administrative proceedings, arbitration and mediation proceedings, shall be commenced, maintained, adjudicated and resolved within the jurisdiction of the State of Utah.

7. Compliance with Laws

- 7.1 Each Party agrees to comply with all federal, state and local laws, rules and regulations in the performance of its duties and obligations under this Agreement. Any violation by a Party of applicable law, rule or regulation, shall constitute an event of default under this Agreement. Each Party is responsible, at its sole expense, to acquire, maintain and renew during the term of this Agreement, all necessary permits and licenses required for its lawful performance of its duties and obligations under this Agreement.

8. Severability

- 8.1 In the event that any condition, covenant or other provision hereof is held to be invalid or void, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect any other covenant or condition herein contained. If such condition, covenant, or other provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

9. No Assignments

- 9.1 No Party shall assign its performance, duties or obligations under this Agreement.

10. No Third-Party Beneficiaries

- 10.1 There are no intended third-party beneficiaries to this Agreement. It is expressly understood that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties, and nothing contained in this Agreement shall give or allow any claim or right of action by any third person under this Agreement, including the employees of any of the Parties. It is the express intention of the Parties that any person, other than the Party who receives benefits under this Agreement, shall be deemed an incidental beneficiary only.

11. Entire Agreement

- 11.1 This Agreement contains the entire agreement between the Parties related to the transactions and services contemplated hereby and all prior or contemporaneous agreements, understandings, representations, and statements, oral or written, with respect to the subject matter hereof are merged herein. This Agreement may be modified only by a subsequent written instrument approved and signed by all Parties.

- 2.1 Duration. This Agreement shall be effective as of September 1, 2025, and shall terminate on August 31, 2030, unless renewed by mutual written agreement. In no event shall the term of this Agreement exceed fifty (50) years (Utah Code §11-13-216).
- 2.2 Amendment. This Agreement may only be amended by mutual written agreement of the Parties. Any approved Amendment shall be shared with the Board.
- 2.3 Termination. Either party may terminate this Agreement by providing written notice a minimum of six (6) months in advance of January of the calendar year by which the terminating Party wants its termination to be effective. Said notice must be approved by NSFSD's Governing Board.
- 2.4 Readmission. If NSFSD terminates this Agreement pursuant to Paragraph 2.3.1, above, it may not seek readmission to the Coalition until a minimum of two (2) calendar years have passed since the effective date of its prior termination notice.

3. Payment Process; Pool

- 3.1 NSFSD will remit to the County its monthly insurance coverage premium, inclusive of the costs for all Health Plans and Coverage Levels, Cobra payments, and any administrative fees for claims administration (together, the "Premium"). The Premium amount shall be based upon the number of NSFSD employees who are enrolled in a Health Plan, as well as each enrolled employee's specific Coverage Level.
 - 3.1.1 "Coverage Level" refers to an employee's selected coverage based upon that employee's family size: single, two-party, or family.

3.1.2 “Health Plan” refers to the health insurance plans approved by the Manager and offered by SelectHealth.

3.2 Premiums. All premiums shall be placed in the Pool, which is administered by the County. Each year’s premium will be based upon any necessary market rate/cost adjustments to the pool, plus NSFSD’s prior 24 month loss ratio. There will be five (5) premium tiers, each of which corresponds to a given loss-ratio range:

TIER	PREMIUM FACTOR	ASSOCIATED LOSS RATIO
1	-6%	< 70%
2	-3%	70% - 80%
3	0% (current premium)	80% - 90%
4	+3%	90% - 100%
5	+6%	> 100%

For purposes of this paragraph, “Loss Ratio” is defined as: claims plus (+) administrative fees plus (+) reinsurance fees minus (-) stop loss reimbursements divided (/) by total plan funding (premium paid), represented as follows:

$$\text{Loss Ratio} = \frac{(\text{claims} + \text{admin fees} + \text{reinsurance fees}) - \text{stop loss reimbursements}}{\text{total entity plan funding}}$$

3.3 County will directly pay SelectHealth for NSFSD’s claims and any administrative fees as they come due.

3.4 Interest accrued on the Pool’s principal balance shall be divided pro rata amongst all participating entities based upon each entity’s Premium balance as a percentage of the whole.

3.5 County will, on at least a quarterly basis, provide Coalition members with a financial accounting of the Coalition’s fund balance as managed by County.

3.6 Reserve Fund Balance

3.6.1 **Distribution of existing reserve fund balance excess.** County maintains the Coalition’s claims reserve fund, which the Parties agree should contain a minimum six-month average of Coalition claims. Upon execution of this Agreement by each of the below-listed Coalition members, that portion of the reserve fund balance which exceeds the average of six-month’s worth of claims shall be refunded according to the below-indicated percentages (which represent the percentage of the excess amount to be refunded to each Coalition Member):

Park City Fire Service District: 41.07%

Summit County: 34.86%

Snyderville Basin Special Recreation Service District: 16.80%

Mountain Regional Water Special Service District: 0.16%

- 3.6.2 **Treatment of reserve fund balance going forward.** Upon execution of this Agreement (and by execution of a substantially similar agreement by any other Coalition Member) County shall continue to manage the claims reserve fund so that it contains a minimum six-month average of Coalition claims, whenever possible. Every July 1, starting July 1, 2027, County will determine whether the reserve fund exceeds the six-month claims threshold. If the reserve fund exceeds this threshold, the excess amount will be refunded to each Coalition Member on a percentage-of-premium basis, except that any Coalition member with a negative fund position for that claims period will not receive a refund.

4. Board Representatives; Quorum; Voting

4.1 Board.

- 4.1.1 NSFSD is one of several public entities participating in the Plan and its Pool. Each participating entity (a “Coalition Member”) shall be allowed to designate at least one (1) representative to the Board (a “Representative”), who shall have the right to attend and vote at any meeting of the Board.
- 4.1.2 Each Coalition Member shall be entitled to designate one (1) additional Representative to the Board for every twenty-five (25) employees it has participating in the Plan and its Pool, except that in no event shall any Coalition Member be entitled to designate more than three (3) Representatives, except for the County, which shall be entitled to four (4) Representatives.

4.2 Quorum and Voting. A majority of the Representatives shall constitute a quorum and the action of the majority of Representatives present shall be the action of the Board.

5. Indemnification and Immunity

- 5.1 The Parties are governmental entities under the Governmental Immunity Act of Utah (Utah Code §63G-7-101, et seq. as amended) (the “Governmental Immunity Act”). Consistent with the terms of the Governmental Immunity Act, the Parties agree that each Party is responsible for any negligent acts or willful misconduct which it commits or which are committed by its authorized agents, officials, or employees, and no Party shall have any liability whatsoever for any negligent acts or willful misconduct of the other Parties, their agents, officials, or employees. No Party waives any defenses or limits of liability otherwise available under the Governmental Immunity Act and all other applicable laws, and all Parties maintain all privileges, immunities, and other rights granted by the Governmental Immunity Act and all other applicable laws. The Parties agree to assume any and all legal costs for their own defense.

- 5.2 Each Party (the “Indemnifying Party”) agrees to indemnify, hold harmless, and defend and release the other Parties (the “Indemnified Parties”), their agents, officials, and employees from and against any and all suits, claims, and proceedings for loss, damages, injury or liability caused by the Indemnifying Party, its agents, officials, and employees, arising under this Agreement, unless caused by the negligence or willful misconduct of an Indemnified Party.

6. Governing Law

- 6.1 It is understood and agreed by the Parties hereto that this Agreement shall be governed by the laws of the State of Utah both as to interpretation and performance without regard to principles of conflict of laws. All actions, including but not limited to court proceedings, administrative proceedings, arbitration and mediation proceedings, shall be commenced, maintained, adjudicated and resolved within the jurisdiction of the State of Utah.

7. Compliance with Laws

- 7.1 Each Party agrees to comply with all federal, state and local laws, rules and regulations in the performance of its duties and obligations under this Agreement. Any violation by a Party of applicable law, rule or regulation, shall constitute an event of default under this Agreement. Each Party is responsible, at its sole expense, to acquire, maintain and renew during the term of this Agreement, all necessary permits and licenses required for its lawful performance of its duties and obligations under this Agreement.

8. Severability

- 8.1 In the event that any condition, covenant or other provision hereof is held to be invalid or void, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect any other covenant or condition herein contained. If such condition, covenant, or other provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

9. No Assignments

- 9.1 No Party shall assign its performance, duties or obligations under this Agreement.

10. No Third-Party Beneficiaries

- 10.1 There are no intended third-party beneficiaries to this Agreement. It is expressly understood that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties, and nothing contained in this Agreement shall give or allow any claim or right of action by any third person under this Agreement, including the employees of any of the Parties. It is the express intention of the Parties that any person, other than the Party who receives benefits under this Agreement, shall be deemed an incidental beneficiary only.

11. Entire Agreement

- 11.1 This Agreement contains the entire agreement between the Parties related to the transactions and services contemplated hereby and all prior or contemporaneous agreements, understandings, representations, and statements, oral or written, with respect to the subject matter hereof are merged herein. This Agreement may be modified only by a subsequent written instrument approved and signed by all Parties.

Parties must carry insurance to protect against risks associated with participation in the activities defined in this Agreement.

16. Relief of Obligation

17. Interlocal Cooperation Act Requirements

- 17.1 In satisfaction of the requirements of the *Utah Interlocal Cooperation Act*, the Parties agree as follows:

- 17.1.2 In accordance with the provisions of Utah Code §11-13-202.5(3), this Agreement shall be submitted to the attorney authorized to represent each Party for review as to proper form and compliance with applicable law before this Agreement may take affect.
- 17.1.3 A duly executed copy of this Agreement shall be filed with the keeper of records of each Party, pursuant to Utah Code §11-13-209.

- 17.1.4 No separate legal entity is created by the terms of this Agreement. To the extent that this Agreement requires administration other than as set forth herein, it shall be administered by the chief executives of each Party.
- 17.1.5 No real or personal property shall be acquired jointly by the Parties as a result of this Agreement unless this Agreement has been amended to authorize such acquisition. To the extent that a Party acquires, holds, or disposes of any real or personal property for use in the joint or cooperative undertaking contemplated by this Agreement, such Party shall do so in the same manner that it deals with other property of such Party.
