Dear School Board Members,

I would like to adjust my 25-26 TSSA plan to include my unallocated funds to pay for travel to train my new reading interventionist in the Wilson Reading Method (an Orton-Gillingham approach). The district had a person remove themselves from the training, which opened an opportunity for another person. This training will support our goals we have already set, but I need to add the TSSA employee travel to my budgeting allocation.

Thank you for your consideration,
