

# Fairfield Town

Utah County, Utah

**PUBLIC NOTICE IS HEREBY GIVEN THAT** The Town Council of Fairfield, Utah Shall hold a Regular Session Meeting on October 15, 2025, @ 7:00 P.M. At the Town Office 121 West Main Street Fairfield, Utah

## Call to Order

- 1) Roll Call
- 2) Prayer / Pledge Of Allegiance

**General Public Comment** (2-minute limit per person): Comments are for any matter not on the agenda and not related to a pending land use application. *Each person has two minutes, with a total limit of 14 minutes.*

## Consent Items

*The Council may approve these items without discussion or public comment and may remove an item to the Business Items for discussion and consideration.*

- 1) Approval of Minutes: September 17, 2025; September 24, 2025, September 25, 2025.
- 2) Approval of Financials: August 30, 2025.
- 3) R2025-18 A Resolution Of Fairfield Town Council Of Fairfield, Utah, Appointing A Chief Administrative Officer And Records Officer(S) In Compliance With The Government Data Privacy Act (Gdpa)

## Business Items

*The Council will discuss (without public comment) and may approve the following items:*

- 1) Christmas Event details
- 2) Discuss the remaining items to be taken care of at the old town office
- 3) Discuss Maintenance for the New Town office and what needs to be completed
- 4) Discuss and update on the town park
- 5) Bowen & Collins Task order Fairfield Town North Water Line Extension
- 6) Water and Impact Fee Agreement and notice of restriction for Comcast
- 7) Appointment of town attorney

## Closed Session

*Possible motion to enter into closed session for the purchase, exchange, or lease of property; pending or reasonably imminent litigation; the character, professional competence, or the physical or mental health of an individual; or the deployment of security personnel, devices, or systems.*

## Adjournment

Supporting materials are available for inspection on the Town Website, <https://fairfieldtown-ut.gov/>. Questions and comments to Staff and/or Council may be submitted to [sshelley@fairfieldtown-ut.gov](mailto:sshelley@fairfieldtown-ut.gov).

**Join Zoom Meeting**

<https://us06web.zoom.us/j/88207250867?pwd=NXBYSnhmaFNCSEdWOVB5NG9WMDgxZz09>

**Meeting ID:** 882 0725 0867

**Passcode:** 499981

PLEASE NOTE: The order of items may be subject to change with the order of the Mayor. One or more council members may participate by electronic telecommunication means such as phone, internet, etc., so that they may participate in and be counted as present for all meeting purposes, including the determination that a quorum is present.

**Certificate Of Posting**

The above agenda notice was posted on or before the 14th day of October 2025 at the location of the meeting, Fairfield town office, 121 West Main Street, Fairfield, UT, and at the Fairfield town website <https://fairfieldtown-ut.gov/meetings/>, and on the Utah State public notice website at <https://www.utah.gov/pmn/index.html>.

In Compliance With The Americans With Disabilities Act, Individuals Needing Special Accommodations (Including Auxiliary Communicative Aids And Services) During This Meeting Should Notify City Offices At 801-766-3509.

Date

Stephanie Shelley Town Recorder/Clerk

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

### Minutes

**Date: Wednesday, September 17, 2025**

**Location: Fairfield Town Office, 121 West Main Street, Fairfield, Utah**

**Time: 7:00 P.M.**

**Minutes By: Stephanie Shelley**

#### Call to Order

##### **1) Roll Call**

Town Council Members Present:

Mayor Hollie McKinney, RL Panek, Richard Cameron, Michael Weber, Tyler Thomas (via Zoom, arrived in person at 7:31 pm)

Staff Present:

Recorder: Stephanie Shelley, Attorney: Todd Sheeran, Sergeant Dutson, Treasurer: Codi Butterfield (Via Zoom)

Others Present: Tal Adair, Art Sanders (Holladay, Utah), Cheri Anderson (IRL), Mark Pringle, Vern Carson, Nate Martinez (Comcast), Justin Canning (Comcast), Ross Klvacer (Saratoga Springs).

Others Present Via Zoom: Tyler LaMarr, Jami, North Pointe Solid Waste, WTaylor, Alina, Jami Mascaro

##### **2) Prayer / Pledge Of Allegiance**

Councilman Cameron offered the prayer. Those in attendance repeated the Pledge of Allegiance.

#### **Reports**

##### **1) Sheriff's Department Update.**

Sergeant Dutson reported that during the month of August, the Utah County Sheriff's Office handled 33 service details in Fairfield. These included:

- Four abandoned 911 calls
- One traffic accident with injuries
- Seven animal complaints — primarily related to a resident trapping stray cats. Approximately 38 cats were trapped and removed from Fairfield as part of this effort.
- Two motorist assists
- One criminal mischief case
- Two fire-related details
- Two follow-ups
- One hazard report
- One medical call
- One suspicious event
- One traffic incident

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

- One VIN (vehicle identification number) inspection
- One welfare check

Council members acknowledged that the number of trapped cats was significant. Mayor McKinney expressed appreciation to the resident who undertook the effort to trap and remove the stray cats from town.

### 2) Planning Commission Update.

Wayne Taylor reported that the Planning Commission had held three meetings since the Council's last meeting. During that time, the Commission had forwarded the Fairfield Industrial Park Development Agreement to the Council with two additions:

1. Permitting cranes as a special use, and
2. The water requirement for the second phase of development is negotiable, based on the actual water usage in the first phase.

Wayne Taylor stated that the Commission had also moved forward with the Water Ordinance, although there were some questions about the amount of water required for industrial and commercial sections. He explained that water usage can vary greatly depending on the type of business—for example, a convenience store might use around two acre-feet per year, while a cabinet shop might use only a fraction of that. The Commission felt the ordinance was workable as written, but suggested that a tiered system might be a more accurate approach for future consideration.

Additionally, the Planning Commission had moved forward with both the Airpark Zone and a version of an Airpark Overlay Zone for the Council's review. Mr. Taylor noted that they had not yet passed the third part of the ordinance, concerning special uses, but planned to address it at their next meeting scheduled for Monday night.

**General Public Comment** (2-minute limit per person): Comments are for any matter not on the agenda and not related to a pending land use application. *Two minutes per person, with a total limit of 14 minutes.*

Tyler Lamar – Miller Harrison law firm, representing West Desert Airpark and Mark and Alina Pringle. Mr. Lamar expressed concern that the proposed Airpark ordinance was being advanced too quickly. He urged the Council to study similar airport ordinances in Utah communities such as Woods Cross and West Jordan, which have established records of safety and public satisfaction. He cautioned that the current draft could expose Fairfield Town to litigation risks due to potential FAA preemption issues and encouraged additional review before adoption.

Neil Schwendiman – North Pointe Solid Waste

Neil stated that North Pointe had not received the required 10-day written notice of the proposed land use change that would affect its property due to the planned runway extension. He said this

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

omission violated the Utah Land Use, Development, and Management Act (LUDMA). Neil noted that North Pointe holds a Conditional Use Permit (CUP) that has allowed lawful operation and development of the property for more than 50 years. He warned that any action by the Town to restrict or diminish that permitted use would result in immediate legal action.

Cherie Anderson – Intermountain Regional Landfill

Cherie stated that the proposed Airpark Overlay ordinance could negatively impact their operations in unclear and unintended ways. She expressed concern that the ordinance seemed intended to address gaps in an earlier development process that lacked sufficient communication and impact analysis. She questioned the need for a 10,000-foot overlay radius, suggesting instead that a 5,000-foot overlay would more accurately represent the actual area of influence and reduce unnecessary regulatory reach.

### Consent Items

*The Council may approve these items without discussion or public comment and may remove an item to the Business Items for discussion and consideration.*

- 1) Approval of Minutes: August 20, 2025.**
- 2) #R2025-14. A Resolution Of Fairfield Town To Cancel the General Municipal 2025 Election**

*Councilman Weber made a motion to approve the consent items. Councilman Panek seconded the motion. The motion passed unanimously.*

*Mayor McKinney - Yes*

*Councilman Thomas - Yes*

*Councilman Panek - Yes*

*Councilman Cameron - Yes*

*Councilman Weber - Yes*

### Business Items

*The Council will discuss (without public comment) and may approve the following items:*

- 1) Approve the Fairfield Industrial Park Development Agreement, approximately located at 400 S Allens Ranch Road.**

Tal Adair presented an overview of the development agreement, outlining its current progress and utility considerations. He reported that discussions with Rocky Mountain Power regarding the installation of three-phase power are ongoing and have not yet been finalized. As an interim solution, both Tal and Mayor McKinney have engaged Big D Construction to explore enclosed generator options to provide temporary power until permanent infrastructure is established.

The development is intended to proceed in phased stages, allowing for an orderly and sustainable build-out. Council members reviewed key components and updates to the development agreement, including last-minute legal revisions completed earlier that afternoon.

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

Key discussions during this session involved:

1. **Cranes Usage:** The Council agreed to modify the classification of cranes from a special use to a permitted use within the boundaries of the approved development.
2. **Water Infrastructure:**
  - a. An initial allocation of 10 acre-feet of water was confirmed, with maintenance and replenishment procedures discussed.
  - b. Alternative approaches were considered, including integrating water systems with each phase of development and adjusting oversight roles to refer to “town expert” instead of specific engineering titles.
  - c. Water requirements were set at 0.9 acre-feet per lot, with provisions for future reassessment as needed.
3. **Noise Regulation Compliance:** A consensus was reached to align occupational noise limits with OSHA standards, allowing up to 85 decibels during operating hours of 7:00 AM to 7:00 PM.
4. **Setbacks:** The Council discussed reducing side setbacks from 15 feet to 10 feet to maximize land use efficiency. This adjustment applies to structural placements only and does not affect non-structural land use.
5. **Plat Finalization:** The final plat recording will proceed once all application requirements are met, including coordination with fire, health, and other municipal departments, as well as completion of financial and administrative obligations.

Due to the scope of revisions and required legal review, the finalized plat and related documents will be brought back for further consideration once all attorney and staff feedback has been incorporated. Mayor McKinney announced that the item will return to the agenda at the following week’s meeting for continued review and possible approval.

### 2) Approve Fairfield Industrial Park Development Agreement Final Plat approval.

This was covered in the previous agenda item.

### 3) Ordinance #2025-15. Water Regulations. An Ordinance Amending the Current 6.1. Water Regulations, in the Fairfield Town Code, Replacing, Revising, and Adding Regulations as Needed.

The Council discussed the proposed updates to the Town’s Water Ordinance, focusing on the water usage requirements for commercial and industrial properties.

Council Member Tyler Thomas proposed reducing the water requirements for both commercial/retail and light industrial lots to 0.5 acre-feet per lot. He supported this recommendation with personal research on comparable business operations, noting that many

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

enterprises—particularly those without significant water demands—can function effectively with a smaller allocation.

The Council also reviewed the provision allowing the Town Council to approve a reduction in required water rights when an applicant demonstrates that the full allocation exceeds their operational needs.

After discussion, the Council reached a consensus to revise the required water allocations as follows:

- Commercial/Retail: from 1.8 acre-feet to 0.9 acre-feet per lot
- Light Industrial: from 0.9 acre-feet (retained as is)

This revision establishes a uniform water requirement of 0.9 acre-feet per lot across both categories, supporting efficient resource management while maintaining flexibility for business development.

*Councilman Thomas made a motion to approve Ordinance #2025-15. Water Regulations. An Ordinance Amending the Current 6.1. Water Regulations, in the Fairfield Town Code, Replacing, Revising, and Adding Regulations as Needed. Councilman Panek seconded the motion. The motion passed unanimously.*

*Mayor McKinney - Yes*

*Councilman Thomas - Yes*

*Councilman Panek - Yes*

*Councilman Cameron - Yes*

*Councilman Weber - Yes*

### 4) Comcast Presentation

Nate Martinez and Justin Canning presented Comcast's proposal to bring cable television and high-speed broadband internet services to Fairfield. They displayed a map illustrating the proposed network buildout and explained that Comcast sought to establish a Franchise Agreement with the Town.

The proposed agreement had been reviewed by Town Attorney Todd Sheeran and Mayor McKinney prior to the meeting.

Mr. Martinez highlighted Comcast's investment across Utah, noting that the company had invested over \$1 billion statewide in the past three years—approximately half of which supported network maintenance and upgrades. He outlined Comcast's service offerings and noted the introduction of standardized national pricing, starting at \$40 per month, with options for one-year and five-year price locks.

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

They described the construction process, which would include installation of approximately 60,000 feet of cable—with about 80% aerial and 20% underground—and estimated the project would take around six months to complete.

Council members raised several questions and concerns:

- Whether Comcast would be permitted to use Rocky Mountain Power's utility poles, and what contingencies were in place if access were denied.
- The difficulty of acquiring easements in Fairfield, where many properties have long-standing ownership and lack established public utility easements.
- Whether all homes within Fairfield—specifically, four homes located approximately two miles east of town—would be included in the buildup.

Town Attorney Todd Sheeran noted that Section 6.1 of the proposed franchise agreement did not currently require Comcast to build out all areas of town, which conflicted with prior discussions. He recommended adding clarifying language to ensure that all homes shown on the project map would be connected, with a specified completion timeline.

Following the discussion, the Council and Comcast representatives agreed to:

- Include a provision requiring the connection of all homes within one year, and
- Allow an additional year if Comcast encounters unforeseen difficulties obtaining easements, permits, or rights-of-way.

### 5) Approve the Comcast Franchise Agreement

This item was addressed together with the previous agenda item.

### 6) Ordinance # 2025-16 An Ordinance repealing and reinstating Fairfield Town Code § 10.11.260 (Airpark Zone) and § 10.11.275 (Airpark Overlay Zone), and amending Town Code § 10.16 (Special Use Regulations) to add special use regulations to the additional special uses found in the Airpark Mixed-Use Zone's table of uses

Mayor McKinney summarized the extensive effort invested in drafting and redrafting the ordinances, noting that she personally devoted over 100 hours to the process, with comparable time contributed by Vonda, approximately \$14,000–\$16,000 in consulting support from JUB Engineering, and additional time from the Town Attorney. She expressed concern about adopting the Town Attorney's most recent revisions without first comparing them to the version previously approved by the Planning Commission. The Mayor also acknowledged the fatigue and division the process has caused within the community.

Overlay Responsibility and State Grant Language:

Mayor McKinney stated that she was comfortable with the Airport Zone Ordinance as written, but expressed reservations regarding the proposed overlay. She read from a State of Utah grant to West Desert Airpark, which outlines the airport sponsor's responsibility to obtain easements or enforce zoning to prevent obstructions to air navigation in accordance with 14 C.F.R. Part 77.

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

### Key Discussion Points:

- Town's Role in the Overlay: Council members discussed whether the Town should implement the overlay or defer that responsibility to the State and the Airpark. Mayor McKinney emphasized that the airport sponsor, West Desert Airpark, holds primary responsibility under the grant and questioned why the Town should act as the "enforcer." Members also noted that the Town lacks authority to place easements on private property and acknowledged the presence of two nearby landfills within the potential influence area.
- 5,000 ft vs. 10,000 ft Influence Area: The Council reviewed conflicting information about the appropriate overlay radius, referencing maps and prior discussions suggesting either 5,000 feet or 10,000 feet from the runway. Members discussed the implications of each option for surrounding properties, including the nearby landfills.
- Easements and Financial Impact: The Council discussed the possible financial burden on the Airpark if it were required to purchase aviation easements under an adopted overlay. The Town Attorney clarified that, under Utah Code, aviation easements are only triggered when development occurs within the influence area and do not retroactively affect existing uses, such as current landfill heights.
- State Law Requirements: Town Attorney Todd Sheeran explained that Utah Code requires municipalities to adopt an airport overlay consistent with Part 77, defining the airport influence area as extending 5,000 feet from the runway. He reiterated that all development within this area must comply with Part 77 standards and that, upon development, an aviation easement must be offered to the airport owner at appraised fair market value.

### Elements of the Airport Zone Ordinance the Mayor Wished to Retain:

- Residential Cap: Limited to 27 one-acre lots with hangar access.
- Open Space: At least 30% of developable land to remain as open space, with clarified criteria for qualifying areas.
- Aircraft Weight Limit: Maximum aircraft weight of 12,500 pounds.
- Operations Cap: Limited to 10,000 operations per year, not to exceed 28 per day.
- Commercial Operations: Part 135 commuter/on-demand commercial operations prohibited, except for emergency aircraft.
- Traffic Pattern Documentation: Requirement to document traffic patterns in FAA supplements and on the airport website.
- Operational Practices: Encouragement of flight and departure patterns designed to avoid residential areas whenever feasible.

The Council agreed to table the item to allow the Planning Commission to meet on Monday to address the missing "Special Uses" section and consider the new information presented. A follow-up Council meeting was scheduled for Thursday, September 25, to continue deliberation.

### 7) Town Corn Hole Event, discuss and pick a date

Due to the late hour, the Council agreed to cancel this event for the year.

## Unapproved Meeting Minutes

Fairfield Town Council

Regular Session

September 17, 2025

### 8) Approve bids on the Town Office Maintenance and rain gutters.

Council Member Weber reported that Tristan's bid was by far the lowest received for the Town's maintenance work. Tristan offered to provide weed eating and mowing services for the remainder of the year, with a new maintenance contract to begin in the spring.

He also reported that he was in the process of obtaining additional bids for rain gutter installation. Contractors were scheduled to inspect the Town Office on Thursday morning and again on Tuesday at 10:00 a.m. to prepare their estimates.

### 9) Looping the north water line discussion and approval of design

The Council revisited previous discussions regarding the looping of the north water line, estimated initially at \$280,000. Mayor McKinney noted that while authorization had already been given to move forward with construction drawings, that step had not yet been completed. The Council reaffirmed the need to proceed with the detailed engineering plans so the project can be ready for competitive bidding once preparations are finalized.

### Adjournment

*Councilman Panek made a motion to adjourn the meeting. Councilman Cameron seconded the motion. The motion passed unanimously.*

The meeting adjourned at 11:05 p.m.

Session

September 24, 2025

### Minutes

**Date: Wednesday, September 24, 2025**

**Location: Fairfield Town Office, 121 West Main Street, Fairfield, Utah**

**Time: 7:00 P.M.**

**Minutes By: Stephanie Shelley**

#### Call to Order

##### **1) Roll Call**

Town Council Members Present:

Mayor Hollie McKinney, RL Panek, Tyler Thomas, Richard Cameron, Michael Weber

Staff Present:

Stephanie Shelley- Recorder

Others Present: Tal Adair, Alina Pringle, Mark Pringle.

Others Present Via Zoom: Amy Walker, iPad, Erin Reid, Cherie Anderson, Jami Mascaro, North Pointe Solid Waste, Codis Iphone.

#### **Business Items**

*The Council will discuss (without public comment) and may approve the following items:*

##### **1) Approve the Fairfield Industrial Park Development Agreement, approximately located at 400 S Allens Ranch Road.**

Mayor McKinney noted that the Council delayed approval of the development agreement to allow the legal team time to address the identified issues.

The Council discussed Resolution R2025-15 approving a development agreement with Fairfield Industrial Park.

*Councilman Thomas made a motion to approve the #R2025-15 A Resolution Approving a Development Agreement with Fairfield Industrial Park, approximately located at 400 S Allens Ranch Road. Councilman Cameron seconded the motion. The motion passed unanimously.*

*Mayor McKinney - Yes*

*Councilman Thomas - Yes*

*Councilman Panek - Yes*

*Councilman Cameron - Yes*

*Councilman Weber - Yes*

## Unapproved Meeting Minutes

Fairfield Town Council

Session

September 24, 2025

### 2) Approve Fairfield Industrial Park Development Agreement Final Plat approval.

Mayor McKinney explained that this item included all documents reviewed the previous week.

*Councilman Thomas motioned to approve the Fairfield Industrial Park Development Agreement Final Plat. Councilman Cameron seconded the motion. The motion passed unanimously.*

*Mayor McKinney - Yes*

*Councilman Thomas - Yes*

*Councilman Panek - Yes*

*Councilman Cameron - Yes*

*Councilman Weber - Yes*

### 3) Comcast water impact fee connection and water share requirements.

Mayor McKinney reported that Comcast had agreed to the language provided by the Town regarding their franchise agreement and associated conditions. The agreement was reviewed by Comcast's attorney, who confirmed approval. However, the document had not yet been signed, as Comcast still needed to pay the franchise agreement fee, the water impact fee connection, and meet the water requirement provisions.

The Mayor referenced earlier discussions regarding whether utility providers could proceed without dedicating water shares. Town Attorney Todd Sheeran had advised that an agreement could be recorded against Comcast's property to ensure that, if the property were ever sold or if further development occurred, the new owner would be required to meet the Town's water requirements at that time.

The Council agreed that since Comcast's hub station does not require water usage or landscaping, there was no reason to require dedication of a water share. Instead, an agreement would be recorded allowing Comcast to build without dedicating a water share while paying a reduced water impact fee. They would still be responsible for paying the full road impact fee.

If any additional development occurred on the property in the future, or if ownership of the site changed, the property owner would then be required to dedicate a water share and pay the full water impact fee. The Mayor committed to ensuring that the agreement was executed and recorded prior to issuance of a building permit.

The Council also discussed Comcast's boring plans for Allens Ranch Road. Comcast had proposed a straight-line boring path; however, the Council preferred that the company stay 10 feet off the edge of the road within the established easement and follow the road's curvature.

Mayor McKinney explained that this standard was necessary because boring in a straight line could lead to major expenses for the Town if the road ever needed to be straightened or reconstructed. The Council confirmed that Comcast planned to bore on both sides of the road and should coordinate with adjacent property owners to complete the work appropriately.

## Unapproved Meeting Minutes

Fairfield Town Council

Session

September 24, 2025

*Councilman Thomas motioned to approve not to require that Comcast provide a water right or pay the water impact fee for the location at 342 West 645 South, Fairfield, Utah. This is a hub station that requires no staff or water. Councilman Cameron seconded the motion. The motion passed unanimously.*

*Mayor McKinney - Yes*

*Councilman Thomas - Yes*

*Councilman Panek - Yes*

*Councilman Cameron - Yes*

*Councilman Weber - Yes*

- 4) **Ordinance # 2025-16. An Ordinance Repealing and Reinstating Fairfield Town Code § 10.11.260. Airpark Zone (renamed Airpark Mixed Use Zone) and Amending Town Code § 10.16. Special Use Regulations, Adding Additional Special Uses.**

Mayor McKinney stated that the Planning Commission meeting had not adequately noticed the date on the agenda, which addressed the Airpark Zone and Overlay ordinances, making it necessary to convene another Planning Commission meeting on Thursday, September 25, 2025, at 7:00 p.m., followed by a Town Council meeting at 7:30 p.m. to continue deliberations.

The Council emphasized the importance of adopting the ordinance by September 29, 2025, in order to meet the required timeline.

The Mayor noted that public comments on this issue would now be accepted in writing only. In response to a question regarding public access to submitted comments, the Mayor clarified that the public comment period had officially concluded, as public hearings had already been held on the matter.

- 5) **Ordinance #2025-17 An Ordinance Repealing and Reinstating Fairfield Town Code § 10.11.275 Airpark Overlay.**

This item was tabled along with item 4 until the following night.

*Councilman Weber made a motion to table items 4 and 5 until tomorrow night. Councilman Panek seconded the motion. The motion passed unanimously.*

*Mayor McKinney - Yes*

*Councilman Thomas - Yes*

*Councilman Panek - Yes*

*Councilman Cameron - Yes*

*Councilman Weber - Yes*

**Date October 15, 2025**

**WHEREAS**, Utah law, under the Government Data Privacy Act (GDPA), requires each state agency to implement a privacy program – including designation of a Chief Administrative Officer (CAO) and appointment of Records Officer(s); and

**WHEREAS**, the Utah Office of Data Privacy's Privacy Program Framework provides guidance requiring specification of who is responsible for privacy program implementation; and

**WHEREAS**, GDPA mandates that each agency designates a CAO responsible for establishing and maintaining the agency's privacy and records management program; and

**WHEREAS**, The act also requires that the CAO appoint one or more Records Officers who will ensure the care, maintenance, classification, retention, access, and preservation of records in alignment with CAO-established policies;

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY/TOWN COUNCIL OF XXXXX, UTAH,  
AS FOLLOWS:**

- 1. Designation of Chief Administrative Officer (CAO).** **Hollie McKinney, Mayor**, is hereby designated as the CAO for **Fairfield Town**. The CAO shall establish, manage, and maintain an ongoing privacy and records management program consistent with Utah law and the Privacy Program Framework.
- 2. Appointment of Records Officer(s).** The CAO shall appoint the following Records Officer(s). **Stephanie Shelley, Recorder/Clerk, and Codi Butterfield, Treasurer.** Records Officer(s) will implement and maintain privacy and records practices as detailed in the agency's privacy program and framework guidance.
- 3. Roles and Responsibilities.**
  - CAO Responsibilities: Develop and maintain formal privacy and records policies and procedures. Oversee their effective implementation throughout the agency. Report the CAO designation to the Division of Archives and Records Service (DARS), consistent with statute.
  - Records Officer Responsibilities: Manage care, maintenance, scheduling, classification, retention, disposal, access, and preservation of records. Execute all records and privacy policies established by the CAO.

4. **Effective Date.** This resolution shall take effect immediately upon passage and adoption.

Passed and Adopted this **15th day of October 2025.**

FAIRFIELD TOWN

STATE OF UTAH      )  
                        ) ss.  
COUNTY OF UTAH    )

I, Stephanie Shelley, Town Recorder of Fairfield Town, Utah, do hereby certify and declare that the above and foregoing is a true, full and correct copy of an ordinance passed by the Town Council of Fairfield Town, Utah, on the **15th day of October 2025**.

Resolution R2025-18 A Resolution Of Fairfield Town Council Of Fairfield, Utah, Appointing A Chief Administrative Officer And Records Officer(S) In Compliance With The Government Data Privacy Act (Gdpa)

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Corporate Seal of Fairfield Town, Utah, this **15th day of October 2025**

---

Stephanie Shelley  
Fairfield Town Recorder/Clerk

(SEAL)

## **WATER AND IMPACT FEE AGREEMENT AND NOTICE OF RESTRICTION**

This Water and Impact Fee Agreement and Notice of Restriction ("Agreement") is between \_\_\_\_\_ ("Owner") and the Town of Fairfield, a Utah municipal corporation ("Town"). This Agreement is effective when the last party executes this Agreement as indicated by the date stated under that party's signature line ("Effective Date").

### **RECITALS**

A. Owner is the fee title owner of certain real property located in Utah County, Utah, more particularly described in Exhibit A ("Property").

B. Owner has developed, or intends to develop, the Property for use as a utility facility building and related infrastructure ("Project").

C. The Project is anticipated to have minimal water use limited to landscape drip irrigation and xeriscape landscaping, and accordingly, the Town has agreed that no water share dedication or water-related impact fee will be required for the Project under the proposed use.

D. The Town desires to ensure that any future change in use or increase in water demand on the Property is subject to the Town's standard water dedication and impact fee requirements then in effect.

### **AGREEMENT**

1. **No Current Water Share or Impact Fee Requirement.** Based on the limited water demand of the current Project, the Town will not require Owner to dedicate a water share or pay a water impact fee at this time.

2. **Restriction on Use and Demand.** This Agreement is limited to the Project as described above. Any modification, expansion, or change in use of the Property that

increases water demand, including but not limited to the addition of structures, facilities, or landscaping requiring additional water, shall require compliance with all water dedication, water share, and impact fee requirements of the Town in effect at the time of the change. In no event shall the water usage on the Property exceed \_\_\_\_\_ gallons per month.

**3. Notice of Future Obligations.** This Agreement provides notice to all current and future owners of the Property that any future use or development resulting in increased water consumption shall require the payment of all applicable impact fees and the dedication of sufficient water shares or rights as determined by the Town.

**4. Covenant Running with the Land.** This Agreement shall be a covenant running with the land and shall be binding upon Owner, its successors and assigns, and all future owners of any interest in the Property.

**5. Recordation.** The Town shall record this Agreement in the official records of Utah County, Utah, to provide notice of the terms contained herein.

**6. No Waiver.** Nothing in this Agreement shall be construed as a waiver of the Town's authority to impose impact fees or water requirements for future development or changes in use.

**7. Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Utah.

**8. Attorney Fees.** In the event either party brings an action to enforce or interpret this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable attorneys' fees, court costs, and expenses incurred, whether before or after judgment, including any fees or costs incurred on appeal or in enforcing any judgment.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

**TASK ORDER No. 25-03**  
**General Services Contract**  
**Fairfield Town North Water Line Extension**

Task Order No. 25-03 is issued by Fairfield Town, (herein called OWNER) pursuant to the Professional Services Agreement between the OWNER and Bowen, Collins & Associates, Inc. (herein called the ENGINEER) dated August 12, 2024.

**1. PROJECT**

The PROJECT associated with this TASK ORDER is described as follows: Assist the Town with design services, bidding services, and construction services for the north water line extension to connect two existing dead end water lines on the north end of Town.

**2. SCOPE OF SERVICES**

The Scope of Services and deliverables associated with this TASK ORDER is attached hereto as Attachment A.

**3. COMPENSATION**

OWNER shall reimburse for services provided under this TASK ORDER on a cost-reimbursable basis with a total fee not to exceed 26,681.00 without written authorization from the OWNER. Payment shall be in accordance with the Fee Schedule attached hereto as Attachment B and in accordance with the PROFESSIONAL SERVICES AGREEMENT.

**4. SCHEDULE**

The Scope of Services associated with this TASK ORDER is expected to be completed within 8 weeks following written authorization from the OWNER to proceed.

**5. ATTACHMENTS AND EXHIBITS**

Both parties have read and understood all attachments referenced in or attached to this TASK ORDER and agree that such items are hereby incorporated into and made a part of the PROFESSIONAL SERVICES AGREEMENT.

**6. OTHER REQUIREMENTS**

The parties have executed this Task Order effective this \_\_\_\_ day of October, 2025.

Fairfield, UT 84013

### **Subject: Scope of Work and Fee for the Fairfield Town North Water Line Extension Project**

Dear Hollie:

Bowen Collins and Associates (BC&A) is pleased to submit for your review this Scope of Work and Fee to provide professional engineering services for the Fairfield Town North Water Line Extension Project. In 2025, Fairfield (the Town) hired BC&A to complete a water master plan to analyze the conditions of the existing water system and understand the impacts and necessary improvements related to current and future growth for the water system. In this master plan, BC&A identified an existing deficiency in the available fire flow on the north end of the water system.

The Town has asked BC&A to provide engineering services to connect two existing dead-end water lines at the north end of town to improve (but not completely eliminate) the fire flow deficiency in this area. The following scope of services has been prepared to connect these two existing water lines.

## **SCOPE OF SERVICES**

### **Task 1 – Design Services**

- **Project Management and Coordination:** BC&A will manage project schedule and budget. Task includes invoicing, management of project team, and general coordination necessary to deliver the required scope of services.
- **Collect and Review Existing Information:** We will collect and review existing information pertinent to the project including record drawings, system maps, previous studies and other records available from the Town. We will communicate with the Town to review existing information and identify any additional information that may be required to complete this task.
- **Utility Identification:** BC&A will perform a utility search within the pipeline corridor identified. The search will involve working with Fairfield Town staff to gather all available data regarding utilities in the area. Additional coordination with other utility companies with facilities located in this area will also be completed. This utility data will be incorporated into the design drawings. This subtask does not include any potholing services.
- **Corrosion Evaluation.** BC&A will make recommendations regarding acceptable pipeline coating materials, and develop design recommendations for corrosion monitoring and

cathodic protection of the pipeline as necessary. This task will not include a full corrosion survey.

- **Design Drawings:** BC&A staff will prepare design drawings for the project that meets all requirements of State and local codes. We propose to use available Town adopted APWA standard details where available, and supplement with BC&A standard details if needed. We anticipate that up to six drawings will be required to effectively design the water line.
- **Contract Documents:** BC&A will prepare technical specifications and contract documents for the project, in accordance with City standard bid documents, contract documents, standard EJCDC front end documents, APWA specifications and BC&A supplemental specifications. BC&A will provide electronic copies of the specifications for review by the Town. The specifications and the design drawings will include all aspects of the project including all civil requirements of the project.
- **Opinion of Probable Construction Cost:** BC&A staff will prepare a construction cost estimate for the project. This opinion of probable construction cost will be prepared and coordinated with the Town to assist the Town.

## Task 2 – Bid Period Services

- **Bidder's Questions:** BC&A project team members will be available to answer questions from prospective contractors during the bid period. BC&A staff will prepare required clarifications or addenda to the contract documents. It has been assumed the Town will post the bid documents online.
- **Bid Evaluation:** BC&A staff will discuss bids received with Town personnel and make a recommendation for project award.

## Task 3 – Construction Period Services

We have assumed that the construction period will last a total of two weeks of active construction. Prior to and during this time we propose to provide the following construction related services:

- **Preconstruction Conference:** BC&A will organize and conduct a preconstruction meeting with the contractor, Town, and other interested parties and distribute meeting minutes to document the items of discussion.
- **Construction Observation:** two visits per week for the two weeks of construction at 4 hours per visit including travel, creating an observation log, and observation.
- **Payment Application Review:** BC&A will review the contractors payment application and provide recommendation to the Town.
- **Change Order Review/Recommendation:** We don't anticipate that a change order will be necessary on this project, but if there are any unforeseen issues during construction that require a change, we will review and recommend as necessary.
- **Submittal Review:** prior to construction, we will review submittals submitted by the contractor for compliance with the contract documents.

- **Substantial & Final Walkthroughs:** near the end of the construction we will be on-site to perform a substantial walkthrough with the contractor and Town and create a punchlist prior to the final walkthrough.

## SCHEDULE

We propose to complete the survey and any required field reconnaissance as soon as the Town provides approval to proceed with the design. It is anticipated that the final drawings will be completed no later than two months after approval from the Town.

## BUDGET

We have tabulated estimated man-hours and costs to complete each task outlined in the previously defined scope of services. As presented in the attached Table, we propose to complete the proposed scope of services on a time and expenses basis as described below:

<u>Task 1: Design Services</u>	<u>\$ 16,621.00</u>
<u>Task 2: Bid Period Services</u>	<u>\$ 1,155.00</u>
<u>Task 3: Construction Period Services</u>	<u>\$ 8,905.00</u>
<b><u>Total Budget</u></b>	<b><u>\$ 26,681.00</u></b>

### Items not Included in the Above Scope of Work

The following items have not been included in the above scope of work but can be added upon request from the Town.

- Utility Potholing
- Topographic Survey and Easement Preparation (this will be provided by McNeil Engineering and billed directly to the Town)
- Geotechnical investigation
- Full corrosion analysis
- Pre-bid Meeting with Contractors

If this proposal is acceptable to you, please let me know and we will prepare a contract for execution. I look forward to working with you on this important project

Sincerely,  
Bowen, Collins & Associates, Inc.
