Work Session Items

1. Resolution: Station Area Plan Exception ~ 4:00 p.m. 10 min.

The Council will receive a briefing about a resolution that would support an exception from Utah Code adopting six Station Area Plans (SAPs). Utah Code requires the City to adopt SAPs for all fixed guideway public transit stations within the City or within a half mile of the City boundary. Utah Code provides exceptions to the SAP requirements when conditions are met. The six stations that the City is required to produce a SAP for, but for various reasons it is impracticable to do so, include the Airport, Stadium, Central Campus, Fort Douglas, University of Utah Medical Center, and River Trail (located in West Valley City, but some portions of the half mile radius is within Salt Lake).
