Subject: Request for White Cane Awareness Day Proclamation

Dear Mayor Hoster,

On behalf of the **NFB Red Rocks Chapter and the blind community of Southern Utah**, I am writing to respectfully request that you sign a proclamation declaring October 15, 2025 as "White Cane Awareness Day" in Leeds, UT.

The white cane is a critical tool of independence for people who are blind, allowing us to travel safely and freely. A proclamation from your office would:

- **Raise public awareness** about the meaning of the white cane and the laws that protect the rights of blind pedestrians.
- **Celebrate the abilities and contributions** of blind citizens in our community.
- **Promote courtesy and respect** for blind and low-vision individuals in our city.

For your convenience, a draft proclamation is attached for your review. It is based on standard language used for this annual observance.

We would be honored if you would consider signing this proclamation. We would also be delighted to arrange a brief photo opportunity with you and representatives from our organization at the signing, which we could use to publicize the event and your support.

Thank you for your consideration. I will follow up with your office to discuss this request further.
