34 portion of liability for unfunded portions of retirement contributions will be shown on financial  
35 statements in the future. Mr. Wood described a minor conversion that was made in regard to  
36 expenses and liabilities.

39

40 7:25:54 PM Council Member Barbour asked for clarification on capital grants contributions and

1 does not have to be given back, but will fall to the fund balance with an accounting and the  
2 ability to spend the remaining funds next year.

3  
4 7:27:47 PM Council Member Dama Barbour inquired about steps for CDBG fund recipients to  
5 request reimbursement and Mr. Harrington described the process. He confirmed that all
