VIRIDIAN FARM PUBLIC INFRASTRUCTURE DISTRICT NO. 2
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

On September 20, 2023, the City Council of Salem City, Utah (the City), acting in its capacity as the creating authority for the Viridian Farm Public Infrastructure District No. 2 (the District) and Nos. 1 and 3 (District Nos. 1 and 3 and together with the District, the Districts), adopted a resolution creating the Districts. The Office of the Lieutenant Governor of the State of Utah issued a Certificate of Creation for the Districts on October 17, 2023, which was recorded in the real property records of the Utah County Recorder on November 20, 2023.

The District was established simultaneously with District Nos. 1 and 3 to provide financing for infrastructure improvements to facilitate development within the boundaries of the Districts. The District has the power to issue bonds for the purpose of paying all or part of the costs of acquiring, acquiring an interest in, improving, or extending certain public improvements, facilities, or property.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.
