

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: R277-484, Data Standards (Amendment)

Agenda item type:

Information Item

Recommended Action:**Purpose of Memo:**

Staff recommendation

Background:

Staff is proposing changes to R277-484 to clarify when LEAs and schools need to alert USBE of significant changes to data reporting such as shifting a charter campus under a different authorizer, extending a campus to include new grade levels, or splitting a campus. The changes to the rule could have significant impacts so staff would like to present Draft 1 as an information item, give committee members an opportunity to provide feedback, and then bring back an updated draft at a later date.

Staff will present R277-484, Data Standards, Draft 1, for consideration and discussion.
