ELEMENTARY INFORMATION

Message From Our Elementary Principal Mr. Anderson

Hello ALA Families,

We've had such a strong start to the year, and I want to thank you for the way you've supported your kids and our teachers—it really shows in the energy throughout the school. I'm continually impressed with how our students are showing Respect, Integrity, Service, Excellence, Unity, and Patriotism every single day.

A few important reminders for this week:

Online Learning Day – Tuesday, Sept. 2nd

This Tuesday is our Online Learning Day. Please check your child's backpack or folder for instructions and assignments for this day.. If you haven't seen anything, just send a quick email to your child's teacher—they'll make sure you have the details. Students are expected to complete assignments that day, and our teachers will be available

We made this change to provide more access to your student's attendance, grades, and information, and also to ensure greater cybersecurity. We have sent you the information needed to establish your parent account, and we hope you find it very helpful as teachers begin inputting student grades over the next two weeks.

2. A Profound and Humbling Moment

The second item is one that has rocked our nation. On Wednesday, we experienced a devastating act of violence.

We condemn all acts of hate. We support freedom of speech—especially when it pertains to political issues. This was the primary type of speech our Founders sought to protect, to ensure open and public debate about important matters.

Our Founders believed that through debate, the best ideas, the strongest resolve, and the truth could be established. Only in this climate can freedom be won and preserved.

Acts of violence against political, religious, and social gatherings and speech threaten to undermine the very fabric of our freedom. We call upon people everywhere to engage in public dialogue and share your views. That is the most American thing we can do.

But always—always—respect the rights of others. Never espouse violence against others.

America is great when we are good. We are good when we understand our rights and protect the rights of all people—even those we disagree with.

We pray for the Kirk family, for all of the people who were there and witnessed such a horrifying scene, and for America—that we will not fight hate with hate.

We appreciate you. And we love your children.
