49 **COMMUNICATIONS AND REQUESTS**

50
51 Annual Donation to the American Legion

52 Dave Allen of the American Legion reported that the Legion has provided 671 volunteer hours
53 to the community so far this year. They also set up flags on Memorial Day in the cemeteries
54 on the east side of the county. They also oversaw the Boy's State program this year. The flag
55 presentations were also performed by the Legion during high school sporting events. Mayor
56 Holt suggested that the council pay for their power bill in the months of November and
57 December because the city hooks up to their building for the Christmas lights display in the
58 Territorial Statehouse Park.

59
60 MOTION: To approve a donation of \$1,844 to the American Legion as well as
61 paying for their November and December power bill in 2025.

63 Second: Councilmember Winget

66 **OTHER BUSINESS BROUGHT BEFORE COUNCIL**

67
68 Resolution 25-14 Amending the Fillmore City Fee & Rate Schedule (Miscellaneous

70
71 MOTION: To table.
72 By: Councilmember Stevens
73 Second: Councilmember Alldredge
74 Vote: Unanimous. Motion carried.
75

76 Resolution 25-15 Amending the Fillmore City Fee & Rate Schedule (Enact Animal Adoption
77 Fee)

78 A \$25.00 adoption fee would discourage adoption of dogs that are repeatedly adopted and then
79 returned back to the city. Councilmember Stevens suggested that providing proof of a
80 permanent address in Fillmore be a requirement for adopting a dog. The council also
81 suggested that it be required that all adopted dogs be spayed or neutered.
82

83 MOTION: To adopt Resolution 25-15 to enact an animal adoption fee and add
84 requirements of providing proof of a permanent address in Fillmore and
85 that the dog be spayed or neutered.

86 By: Councilmember Stevens
87 Second: Councilmember Winget
88

89 Roll-Call Vote:

91 Councilmember Larsen – Yes
92 Councilmember Alldredge – No
93 Councilmember Hare – Yes
94 Councilmember Winget – Yes

96 Authorize Prize Money for a Christmas Lights Competition for the 2025 Christmas Celebration

104

105 Proposed Interlocal Agreement Regarding Transfer of the Fillmore Class IVb Landfill from
106 Millard County to Fillmore City

107
108 MOTION: To table until all information needed to make an informed decision is
109 obtained by the city.
110 By: Councilmember Alldredge
111 Second: Councilmember Hare
112 Vote: Unanimous. Motion carried.
113

114 Repeal Water Acquisition Fee

115 Councilmember Hare shared a report of city water usage data to show that the city may not be
116 in as dire a situation in terms of water that was originally suggested. Even if the State were to
117 take away 2,000 acre-feet of the city's water shares (which he believes would not be allowed to
118 happen) the city would still have almost three times the amount of water that the city is
119 currently using in water reserves. With this information, Councilmember Hare believes that
120 the city no longer needs to implement the current water acquisition fee. Doing away with the
121 fee would encourage needed residential development in Fillmore. This recommendation would
122 need to go back to the planning commission for their review because it went to them during the
123 adoption process when it was originally adopted.
124

125 MOTION: To send this item to the planning commission for their review with a
126 recommendation from the city council that the commission provide a
127 recommendation that the water acquisition fee be repealed.
128 By: Councilmember Hare
129 Second: Councilmember Winget
130 Vote: Motion carried. (Councilmember Alldredge voted "No")
131
132

133 **COUNCIL REPORTS**
134

135 Councilmember Larsen

136 **Airport**

- 137
 - The emergency shut-off valves for the airport fuel tanks will be installed next week.
138

139 Councilmember Winget

140 **Streets**

- 141
 - UDOT communicated to Councilmember Winget that they would like the city to
142 remove two of the existing crosswalks on Main Street if UDOT installs a pedestrian

143 activated crossing light so that all pedestrian traffic be funneled to the proposed
144 pedestrian crossing light. The city does not want to give up any of its crosswalks.
145 UDOT indicated that they may be able to work around giving up any crosswalks.

146 Councilmember Alldredge

147 **Water**

- 148 • There is a local water well owner who is replacing one of his wells on his property. It
149 is in the best interest of the city to be involved with this especially if the city were to
150 take over ownership of the well in the future. It was determined that the city has no
151 obligation to help pay for any expenses associated with replacing the well.
152

153 Councilmember Stevens

154 **Celebrations**

- 155 • Amber Rausch has accepted the invitation to be the new celebrations committee
156 chairperson. Councilmember Stevens stated that the committee is looking into doing
157 some sort of celebration between Christmas and Easter to cheer people up during the
158 winter months.
159

160 Councilmember Hare

161 **Other**

- 162 • Councilmember Hare asked for clarification on the annexation noticing process and
163 procedures. Attorney Harris clarified that once the city receives final plans from an
164 annexation developer, then the city may re-publish the annexation notice at that time.

165 Mayor Holt

166 Both data centers that will be built in Millard County will begin construction in January of
167 2026. There will need to be housing provided for 500+ employees that will be working at the
168 new centers.
169

170
171 **ADJOURNMENT**

173 Upon motion by Councilmember Hare and second by Councilmember
174 Larsen, the meeting adjourned at 7:17 p.m.
