Mr. Wilcox's presentation addressed strengthening feeder systems through changes aimed at more closely aligning elementary, middle, and high school boundaries. Aligning feeder patterns support social stability, school-to-school collaboration and create clear academic pathways. The following proposals were presented:

Glacier Hills and East Sandy: The Quarry Bend area north of 9000 South move Glacier Hills Elementary School's boundary (20 students) would transition to East Sandy elementary to align with Union Middle School's boundary.

Lone Peak and Willow Canyon: The region of Granite Elementary that is being considered for transition to Willow Canyon (60 students) would feed into Eastmont to align with Jordan High boundaries. The region of Granite Elementary that is being considered for transition to Lone Peak (5 students) would feed into Indian Hills Middle to align with the Alta High boundary.

Brookwood, Oakdale to Albion: All of Brookwood Elementary's students would attend Albion Middle. Currently, 30 students East of Willow Creek Drive are zoned to Butler Middle (25

permit into Albion). Oakdale Elementary (20 students) residing east of Highland (mainly Pinnacle Apartments) would attend Albion Middle.

Silver Mesa Elementary to Union Middle: All of Silver Mesa Elementary would attend Union Middle. Currently 100 students residing between Highland and 1700 S. are zoned to Albion Middle (30 of students permit to Union Middle). Of the 60 Silver Mesa Elementary students already zoned to Union Middle, 25 permit into Albion Middle.

Brighton and Hillcrest: Oakdale Elementary would have two feeders (Oakdale>Albion Middle>Brighton) and (Oakdale>Union>Hillcrest). This would require some students who currently attend Brighton to attend Hillcrest and vice versa. All Silver Mesa Elementary students would feed into Hillcrest High in alignment with Union Middle's boundaries.

Sprucewood to Indian Hills: All of Sprucewood Elementary students would attend Indian Hills Middle. Currently, 35 students West of 700 E. attend Mt. Jordan (20 permit into Indian Hills). The special busing allowance for Indian Hills Middle that was temporarily granted in 2017 serving students West of 300 East in Draper and Sandy would be suspended after the 2027-2028 school year.

School choice permits and proposed boundary changes to accommodate the school-transfer request for students impacted by boundary changes or school consolidations were reviewed.
