Re: Request for Extension – Tooele County Board of Equalization

Dear Commissioners,

We recently received notice of the Commission's intent to have all county Boards of Equalization closed by November 14, with no extensions into January. Tooele County respectfully requests an extension of the deadline to **December 15, 2025**, to allow sufficient time to complete all pending appeals and required reporting.

To date, the County has received a total of 280 appeals. The Assessor's Office continues to work diligently with taxpayers and other departments to ensure accuracy and fairness in each case. However, recent internal transitions have temporarily affected overall productivity and capacity, creating challenges that may prevent full completion by the November 14 deadline.

We remain committed to meeting all statutory obligations and maintaining the integrity of the property tax process. We appreciate the Commission's consideration and understanding as we work to complete this important work thoroughly and accurately.

Sincerely,

/s/ Alison H. McCoy
