

**WASHINGTON CITY
WASHINGTON, UTAH
WASHINGTON FIELDS ROAD SIGNAL**

ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of the **Washington Fields Road Signal** will be received, by **Washington City**, at the office of the **Public Works Office located at 1305 East Washington Dam Road, Washington, UT 84780**, until **3:00 PM** local time on **December 2, 2025**, at which time the Bids received will be publicly opened and read.

The Project consists of installing a fully functional traffic signal. Includes signage, striping, roadway widening, and pedestrian ramp replacement.

Bids will be received for a single prime Contract. Bids shall be on a lump sum and unit price basis as indicated in the Bid Form.

Bidding Documents may be viewed online at the following Washington City Website: <https://washqa.org/planspecs/>

Bidders are responsible to maintain accurate contact information and check the website often to receive updates or additional information.

Please contact Andy Stevens, (435)-773-8854, astevens@washingtontcity.org with any questions related to the bidding.

Bid security shall be furnished in accordance with the Instructions to Bidders.
