The Nirvana Difference

STRONG LOCAL TEAM

Not just another MSO, our ownership group includes 11 of Utah's most trusted civic and business leaders: former lected officials, current county commissioners, legislative affairs experts, technology innovators, and small business owners who are deeply invested in their Utah communities.

Not only does Nirvana have significant experience operating medical cannabis pharmacies in AZ, but our Utah Pharmacy Team is second to none. This includes UT Director of Operations Greg Jones and our Pharmacist-in-Charge Kevin Witzenman with a combined more than 40 years of pharmacy experience.
