Our Charter

Service Learning

We kicked off kindness week this week. We have been partnering with the One Kind Act a Day program and the PTO to make this an engaging and fun week-wide activity with lots of opportunities for family participation and support.

We look forward to continuing our support of classroom and grade-wide service projects as the school year progresses into the spring. Each grade is expected to complete two projects per year. Only one may be a drive.

Spanish

Last year we revamped the Spanish curriculum and we added two new Spanish teachers this year. Spanish has become a much more engaging program and we are seeing very productive results.
