

TITLE 10: LAND USE AND DEVELOPMENT REGULATIONS

CHAPTER 1: PURPOSE AND APPLICABILITY

10-1-1: Short title

This title shall be known and referred to as the “Land Use Ordinance of Honeyville City, Utah” or the “Land Use Ordinance” or “Zoning Ordinance”~~LAND-USE ORDINANCE OF HONEYVILLE CITY~~ and may be so cited and pleaded.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-2: Authority

This title is adopted pursuant to the Utah land use development and management act, section 10-9a-101 of the Utah code, and the police power authority of local government as established by Utah common law.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-3: Purpose

The purposes of this title are to provide for the health, safety, and welfare, and promote the prosperity, improve the morals, peace and good order, comfort, convenience, and aesthetics of the city and its present and future inhabitants and businesses, to protect the tax base, to secure economy in governmental expenditures, foster the city's agricultural and other industries, to protect both urban and nonurban development, to protect and ensure access to sunlight for solar energy devices, to provide fundamental fairness in land use regulation, and to protect property values.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-4: Scope

Except as otherwise provided in section 10-1-5 of this chapter, this title shall apply to all property within the corporate limits of the city except property expressly exempted therefrom by the provisions of this title or other lawful exemption.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-5: Applicable provisions not in this title

- A. All master or general plans adopted by the City or for an area within the incorporated boundaries of the City shall serve as an advisory guide for land use decisions. Amendments to the text of this ordinance shall be consistent with the purposes, goals, objectives, and policies of the applicable adopted master plans or general plans of the City.

B Code provisions not found in this title applicable to the use and development of land include, but are not limited to, the following:

1. Title 8, "Water Regulations", of this code;
2. Title 9, "Building Regulations", of this code.
3. Title 11, "Subdivision Development and Regulations", of this code.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-6: Applicability to other entities, school districts, and charter schools

- A. Applicability to Other Entities: Except as otherwise set forth in this section, Box Elder County and any municipality, school district, charter school, local district, special service district, or political subdivision of the state shall conform to any applicable provision of this title when installing, constructing, operating, or otherwise using any area, land, or building situated within the city.
- B. School Districts and Charter Schools:
1. Except as provided in subsection B,2 of this section, a school district or charter school is subject to the provisions of this title.
 - a. Notwithstanding subsection B,2 of this section, the city may:
 - (1) Subject a charter school to standards within each zone pertaining to setback, height, bulk, and massing regulations, off-site parking, curb cut, traffic circulation, and construction staging; and
 - (2) Impose regulations upon the location of a project necessary to avoid unreasonable risks to health or safety, as provided in subsection B,2,f of this section.
 - b. The standards to which the city may subject a charter school under subsection B,1,a of this section shall be objective standards only and may not be subjective.
 - c. Except as provided in subsection B,6,d of this section, the only basis upon which the city may deny or withhold approval of a charter school's land use application is the charter school's failure to comply with a standard imposed under subsection B,1,a of this section.
 - d. Nothing in subsection B,1,c of this section may be construed to relieve a charter school of an obligation to comply with a requirement of an applicable building or safety code to which it is otherwise obligated to comply.
 2. The city may not:
 - a. Impose requirements for landscaping, fencing, aesthetic considerations, construction methods or materials, additional building inspections, municipal building codes, building use for educational purposes, or the placement or use of temporary classroom facilities on school property;
 - b. Except as otherwise provided in this section, require a school district or charter school to participate in the cost of any roadway or sidewalk, or a study on the impact of a school on a roadway or sidewalk, that is not reasonably necessary for the safety of schoolchildren and not located on or contiguous to school property, unless the roadway or sidewalk is required to connect an otherwise isolated school site to an existing roadway;
 - c. Require a school district or charter school to pay fees not authorized by this section;
 - d. Provide for inspection of school construction or assess a fee or other charges for inspection, unless the school district or charter school is unable to provide for inspection

-
- by an inspector, other than the project architect or contractor, who is qualified under criteria established by the state superintendent;
- e. Require a school district or charter school to pay any impact fee for an improvement project unless the impact fee is imposed as provided in the impact fees act, title 11, chapter 36 of the Utah code; or
 - f. Impose regulations upon the location of a project except as necessary to avoid unreasonable risks to health or safety.
3. Subject to section 53A-20-108 of the Utah code, a school district or charter school shall coordinate the siting of a new school with the city to:
- a. Avoid or mitigate existing and potential traffic hazards, including consideration of the impacts between the new school and future highways; and
 - b. Maximize school, student, and site safety.
4. Notwithstanding subsection B,2,d of this section, the city may, at its discretion:
- a. Provide a walk-through of school construction at no cost and at a time convenient to the school district or charter school; and
 - b. Provide recommendations based upon the walk-through.
5. a. Notwithstanding subsection B,2,d of this section, a school district or charter school shall use:
- (1) A city building inspector;
 - (2) (A) For a school district, a school district building inspector from that school district; or
(B) For a charter school, a school district building inspector from the school district in which the charter school is located; or
 - (3) An independent, certified building inspector who is:
 - (A) Not an employee of the contractor;
 - (B) Approved by:
 - (a) A city building inspector; or
 - (b) A. For a school district, a school district building inspector from that school district; or
B. For a charter school, a school district building inspector from the school district in which the charter school is located; and
 - (C) Licensed to perform the inspection that the inspector is requested to perform.
- b. The approval under subsection B,5,a,(3),(B) of this section may not be unreasonably withheld.
 - c. If a school district or charter school uses a school district or independent building inspector under subsection B,5,a,(2) or B,5,a,(3) of this section, the school district or charter school shall submit to the state superintendent of public instruction and city building official, on a monthly basis during construction of the school building, a copy of each inspection certificate regarding the school building.
6. a. A charter school shall be considered a permitted use in all zoning districts within the city.
- b. Each land use application for any approval required for a charter school, including an application for a building permit, shall be processed on a first priority basis.

-
- c. Parking requirements for a charter school may not exceed the minimum parking requirements for schools or other institutional public uses throughout the city.
 - d. If the city has designated zones for a sexually oriented business, or a business which sells alcohol, a charter school may be prohibited from a location which would otherwise defeat the purpose for the zone unless the charter school provides a waiver.
 - e. (1) A school district or a charter school may seek a certificate authorizing permanent occupancy of a school building from:
 - (A) The state superintendent of public instruction, as provided in subsection 53A-20-104(3) of the Utah code, if the school district or charter school used an independent building inspector for inspection of the school building; or
 - (B) A city official with authority to issue the certificate, if the school district or charter school used a city building inspector for inspection of the school building.
 - (2) A school district may issue its own certificate authorizing permanent occupancy of a school building if it used its own building inspector for inspection of the school building, subject to the notification requirement of subsection 53A-20-104(3)(a)(ii) of the Utah code.
 - (3) A charter school may seek a certificate authorizing permanent occupancy of a school building from a school district official with authority to issue the certificate, if the charter school used a school district building inspector for inspection of the school building.
 - (4) A certificate authorizing permanent occupancy issued by the state superintendent of public instruction under subsection 53A-20-104(3) of the Utah code or a school district official with authority to issue the certificate shall be considered to satisfy any city requirement for an inspection or a certificate of occupancy.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-7: ENACTMENT OF ORDINANCES, RESOLUTIONS, AND DEVELOPMENT AGREEMENTS; INTERPRETATION

- A. To accomplish the purposes of this title, the City may enact all ordinances, resolutions, and rules and may enter into other forms of land use controls and development agreements that the City considers necessary or appropriate for the use and development of land within the City, including ordinances, resolutions, rules, restrictive covenants, easements, and development agreements governing: uses; density; open spaces; structures; buildings; energy efficiency; light and air; transportation and public or alternative transportation; infrastructure; street and building orientation; width requirements; public facilities; fundamental fairness in land use regulation; and considerations of surrounding land uses to balance the forgoing purposes with a landowner's private property interests and associated statutory and constitutional protections.
- B. In interpreting and applying this Ordinance, the requirements in this document are minimum requirements.

10-1-8: GUIDELINES AND CHECKLISTS

- A. The City is hereby authorized and empowered to promulgate by way of resolution certain guidelines and/or checklists relative to this title.
- B. Failure of an applicant(s) to follow guidelines or checklists may be cause for delay of approval.

10-1-9: ANNEXED TERRITORY; ZONE CLASSIFICATION

Land annexed into the City shall by default be zoned "A5" Agricultural unless:

- A. The City Council finds the default zoning district to be in conflict with surrounding land uses and assigns a different zone to such land which it finds more appropriate at the time of annexation; or
- B. The City receives an application for zoning map change from the applicant in combination with the petition for annexation. The accompanying petition for zoning map change shall be reviewed and processed in accordance with the provisions outlined in this title.

10-1-810-1-10: Licenses and permits to conform

Each department, official, and employee of the city vested with the duty or authority to issue permits or licenses shall conform to the provisions of this title and shall issue no permit or license for a use, building, or purpose where the same would conflict with the provisions of this title. It shall be a violation of this title for any person to perform, or order the performance of, any act which is contrary to the provisions of this title or to fail to perform any act which is required by the provisions of this title. Any permit or license issued in violation of this title shall be null and void.

- A. Permits Required: No building or structure shall be constructed, reconstructed, altered, or moved, nor shall the use or status of land be changed except after the issuance of valid permits which conform to the requirements of this title, unless no permit is required by this title or by the construction codes adopted by the city.
- B. Utility Service: No electrical, sewer, telephone, water, or other utility line shall be installed to serve any premises if such installation is or will be in violation of this title.

C The issuance of any permits by the City shall not permit holders of said permits to violate restrictive covenants which may affect the subject property or lot. It shall be the responsibility of the permit holder to adhere to restrictive covenants. Violation(s) of restrictive covenants shall not be the City's responsibility to enforce, and may be remedied as indicated in the specific restrictive covenants.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-910-1-11: Construction and use to conform to plans

Building and other permits and certificates of occupancy issued by the city authorize only the use, arrangement, and construction set forth in the approved plans and applications, and no other use, arrangement or construction. Use, arrangements, or construction at variance with that shown on approved plans and specifications shall be deemed a violation of this title.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-10: Certificate of occupancy

- ~~A. Certificate of Occupancy Required: No land shall be used or occupied and no building hereafter structurally altered or erected shall be used, until a certificate of occupancy has been issued stating that the building or the proposed use thereof, or the use of the land, complies with the provisions of this title. A certificate of occupancy either for the whole or part of a building or structure shall be applied for coincidentally with the application for a building permit, and shall be issued after the erection or structural alteration of such building or structure, or part thereof, has been completed in conformity with the provisions of this title and the building code.~~
- ~~B. Unlawful to Use or Occupy: It is unlawful to use or occupy, or to permit the use or occupancy, of any building or structure unless a certificate of occupancy has been issued for such building or premises.~~

~~It is unlawful to use or occupy, or to allow to be used or occupied, any building or structure with a use or occupancy that is different than specifically provided for in a certificate of occupancy.~~

~~C. Failure to Obtain Certificate of Occupancy: Failure to obtain a certificate of occupancy shall be a violation of this title.~~

~~D. Nuisance: The use or occupancy of any building for which a certificate of occupancy has not been issued is hereby declared to be a public nuisance and may be abated as such. It shall also be a public nuisance for any building or structure to be used or occupied in a manner different than authorized by a certificate of occupancy.~~

~~(Adopted by Ord. 2007-02 on 7/11/2007)~~

10-1-1110-1-12: Conflicting provisions - review

This title shall not nullify the more restrictive provisions of covenants, agreements, other ordinances or laws, but shall prevail notwithstanding such provisions which are less restrictive. In cases where provisions within this title conflict, the most restrictive provision shall apply over the less restrictive one unless the less restrictive provision specifically provides otherwise.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-1210-1-13: Repeal of prior ordinance

Titles 10 and 11 of this code, as amended and as existed prior to the ordinance codified herein, are hereby superseded and amended as set forth in this title.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-1310-1-14: Previous ordinances continued

This title shall be deemed a continuation of titles 10 and 11 of this code as existed prior to the ordinance codified herein and not a new enactment insofar as the substance of revisions included herein, whether in the same or different language. This title shall be so interpreted upon any question concerning the tenure of an officer or board established by prior title 10 or 11 of this code, or upon any question concerning the legal conformity of any lot, structure, use, or other nonconformity except as may be otherwise provided in chapter 6, "Nonconformities", of this title.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-1410-1-15: Transition rules

Nothing in this title shall require a change in any plans, construction, or designated use of any building or structure if a complete application for the same was submitted prior to the effective date of this title, unless such application, or a permit issued thereunder, expires. If an application or permit expires, any new permit shall conform to the requirements of this title.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-1-16: VIOLATION A MISDEMEANOR

Where punishment for specific provisions is not specified in this ordinance, any person, firm, or corporation, whether as principal, agent, employee, or otherwise, violating, causing or permitting the violation of any of the provisions of the ordinance shall be guilty of a Class C misdemeanor. Where punishment for the violated provision is specified, the violator shall be subject only to the fine or criminal charge set forth (and shall not necessarily be found guilty of a Class C misdemeanor). Upon conviction thereof, the guilty party shall be punishable under the applicable provisions of State law. Such person, form, or corporation shall be deemed guilty of a separate offense for each and every day during which any portion of any violation of this ordinance is committed, maintained, continued, or permitted by such person, firm, or corporation, and shall be punishable as provided herein.

10-1-17: VALIDITY

Should any section, clause, or provision of this ordinance be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this ordinance as a whole or any part hereof other than the part specifically so declared to be invalid.

CHAPTER 2: PLANNING DOCUMENTS

10-2-1: Purpose

The purpose of this chapter is to identify planning documents which provide the policy foundation for this title and to set forth the basis for preparing, adopting, and amending such plans.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-2-2: General plan

- A. Purpose: In order to accomplish the purposes set forth in chapter 1 of this title, and as required under section 10-9a-401 of the Utah code, the city has prepared and adopted a comprehensive, long range general plan for present and future needs of the city, and growth and development of the land within the city.
- B. Content: The general plan shall show the city's recommendations for development of the territory covered by the plan, and may consist of text, maps, charts, and descriptive and explanatory matter which addresses the required elements as outlined in §10-9a-4 of Utah State Code (as amended). ~~Except as otherwise set forth in this section, the city council shall determine the comprehensiveness, extent, and format of the general plan.~~

~~1. The general plan shall include:~~

~~a. A land use element that:~~

- ~~(1) Designates the long term goals and the proposed extent, general distribution, and location of land for housing, business, industry, agriculture, recreation, education, public buildings and grounds, open space, and other categories of public and private uses of land as appropriate; and~~
- ~~(2) May include a statement of the projections for and standards of population density and building intensity recommended for the various land use categories covered by the plan.~~

~~b. A transportation and traffic circulation element consisting of the general location and extent of existing and proposed freeways, arterial and collector streets, mass transit, and~~

~~any other modes of transportation, all correlated with the population projections and the proposed land use element.~~

~~2. The general plan may include:~~

~~a. An environmental element that addresses:~~

- ~~(1) The protection, conservation, development, and use of natural resources, including the quality of air, forests, soils, rivers and other waters, wildlife, minerals, and other natural resources; and~~
- ~~(2) The reclamation of land, flood control, prevention and control of the pollution of streams and other waters, regulation of the use of land on hillsides, stream channels and other environmentally sensitive areas, the prevention, control, and correction of the erosion of soils, protection of watersheds and wetlands, and the mapping of known geologic hazards.~~

~~b. A public services and facilities element showing general plans for sewage, waste disposal, drainage, local utilities, rights of way, easements, and facilities for them, police and fire protection, and other public services.~~

~~c. A rehabilitation, redevelopment, and conservation element consisting of plans and programs for:~~

- ~~(1) Historic preservation;~~
- ~~(2) Diminution or elimination of blight; and~~
- ~~(3) Redevelopment of land, including housing sites, business and industrial sites, and public building sites.~~

~~d. An economic element composed of appropriate studies and forecasts, as well as an economic development plan, which may include review of existing and projected municipal revenue and expenditures, revenue sources, identification of basic and secondary industry, primary and secondary market areas, employment, and retail sales activity.~~

~~e. Recommendations for implementing all or any portion of the general plan, including land use ordinances, capital improvement plans, community development and promotion, and any other appropriate action.~~

~~f. Provisions addressing any of the matters listed in subsection 10-9a-401(2) of the Utah code.~~

~~g. Any other element the city considers appropriate.~~

C. Amendment of Plan: The general plan may be amended by following the procedures set forth in this section.

1. Persons wishing to propose a general plan amendment shall file their proposals and shall pay any fee established by the eCity's adopted fee schedule. Notwithstanding the foregoing, the eCity eCouncil may at any time, by majority vote, authorize preparation of proposed general plan amendments.
2. A person who proposes a general plan amendment shall do the survey and analysis work necessary to justify the proposed amendment. To ensure sufficient information is provided to evaluate each proposal, an applicant shall submit the following information:
 - a. For map amendments:
 - (1) A map not less than Eight and one-half inch by eleven-inch (8¹/₂" x 11"), ~~map~~ showing the area of the proposed amendment;

-
- (2) Current copy of county assessor's parcel map showing the area of the proposed amendment;
 - (3) Mapped inventory of existing land uses within the area of the proposed amendment and extending one-half ($\frac{1}{2}$) mile beyond such area;
 - (4) Correct property addresses of parcels included within the area of the proposed amendment;
 - (5) Written statement specifying the potential use of property within the area of the proposed amendment;
 - (6) Written statement explaining why the existing general plan designation for the area is no longer appropriate or feasible;
 - (7) Analysis of the potential impacts of the proposed amendment on existing infrastructure and public services such as traffic, streets, intersections, water and sewer, storm drains, electrical power, fire protection, garbage collection, etc.; and
 - (8) As part of the general plan map amendment process, the applicant shall attempt to collect the signature of the property owner or authorized agent or, in the case of amendments affecting multiple properties, the signatures of a majority of the persons who own property within the area proposed for the general plan map amendment.
- b. For text amendments:
- (1) Written statement showing the desired language change;
 - (2) Written statement explaining why the existing general plan should be amended;
 - (3) Analysis of the potential impacts of the proposed amendment; and
 - (4) Map showing affected areas if proposed text changes will affect specific geographic areas.
3. After completing its recommendation regarding a proposed general plan amendment, the planning commission shall schedule and hold a public hearing on the proposed amendment as provided in subsection 10-5-4C of this title at least ten (10) days before the public hearing. After the public hearing, the planning commission may modify the proposed amendment and shall then forward the proposed amendment to the city council for consideration.
- D. Council Action: The city council may make any revisions to the proposed general plan amendment that it considers appropriate and may thereafter adopt or reject the proposed amendment. If the city council rejects the proposed general plan amendment, it may provide suggestions to the planning commission for consideration.
- E. Effect of Plan on Public Uses: After adoption of the general plan, no street, park, or other public way, ground, place, or space, no publicly owned building or structure, and no public utility, whether publicly or privately owned, may be constructed or authorized until and unless it conforms to the current general plan.
- F. Legal Status of Plan: The general plan is only an advisory guide for growth and development of the land within the city.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-2-3: Official map

- A. Authorized: The City Council may adopt an official map. An official map does not:

-
1. Require a landowner to dedicate and construct a street as a condition of development approval, except under circumstances provided in subsection B,3 of this section; or
 2. Require ~~a municipality~~the City to immediately acquire property it has designated for eventual use as a public street.

B. Property Acquisition: This section does not prohibit the Ceity from:

1. Acquiring property through purchase, gift, voluntary dedication, or eminent domain.
2. Requiring dedication and improvement of a street if the street is found necessary by the city because of a proposed development and if:
 - a. An essential link exists between a legitimate governmental interest and each exaction; and
 - b. Each exaction is roughly proportionate, both in nature and extent, to the impact of the proposed development.
3. Recommending that an applicant consider and accommodate the location of proposed streets in the planning of a development proposal in a manner that is consistent with subsection B,2 of this section.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-2-4: Capital facilities plan

A. Capital Facilities Availability: In the event capital facilities are unavailable to serve a proposed development project subject to the requirements of this title, the capital facilities plan adopted pursuant to Cchapter 32 of this title shall be used as a guide to determine when needed capital facilities may be available.

~~B. Capital Facilities Plan Preparation: A capital facilities plan shall be prepared as provided in section 11-36-201 of the Utah code.~~

(Adopted by Ord. 2007-02 on 7/11/2007)

CHAPTER 3: DEFINITIONS

10-3-1: Purpose

The purpose of this chapter is to provide rules of construction, definitions, and illustrations so that the provisions of this title may be readily understood and consistently administered.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-3-2: Scope

The rules of construction, definitions, and illustrations contained in this chapter shall apply to the entirety of this title.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-3-3: Interpretation rules

- A. General: All provisions, terms, phrases and expressions contained in this chapter shall be liberally construed to accomplish the purposes of this title.
- B. Computation of Time: The time within which an act is to be done shall be computed by excluding the first day and including the last day. If the last day is a Saturday, Sunday, or holiday, then the last day shall be the ~~next~~ following business day. In computing the time required for public hearing notice, the day of the hearing shall be excluded.
- C. Conjunctions: Unless the context clearly indicates to the contrary, conjunctions shall be interpreted as follows:
 - 1. "And" indicates that all connected items, conditions, provisions or events shall apply.
 - 2. "Or" indicates that one or more of the connected items, conditions, provisions or events shall apply.
 - 3. "Either . . . or" indicates that the connected items, conditions, provisions or events shall apply singly but not in combination.
- D. Mandatory and Discretionary Terms: The word "shall" is always mandatory. The word "should" mean the matter described ought to be accomplished if reasonable and possible under the circumstances. The word "may" be permissive.
- E. Nontechnical and Technical Words: Words and phrases shall be construed according to the common use and understanding of the language, but technical words and phrases and such others as may have acquired a peculiar and appropriate meaning in law shall be construed and understood according to such meaning.
- F. Tense, Number, and Gender: Words used in the past or present tense include the future as well as the past or present unless the context clearly indicates the contrary. The singular shall include the plural and the plural shall include the singular as the context and application of this title may reasonably suggest. Words of one gender shall apply to any person, natural or fictitious, regardless of gender, as the context and application of this title may reasonably suggest.
- G. Fractional Numbers: In determining compliance with the numerical requirements of this title, any computation or measurement resulting in a fractional number shall be rounded to the nearest whole number.
- H. Public Officials, Bodies and Agencies: All public officials, bodies, and agencies to which reference is made are those of the city of Honeyville, Utah, unless otherwise indicated.
- I. Delegation of Authority: Whenever a provision appears requiring the mayor, head of a department, or some other officer or employee to do some act or perform some duty, it shall be construed to authorize the mayor, head of the department, or other officer to designate, delegate, and authorize subordinates to perform the required act or duty unless the terms of the provision or section specify otherwise.

(Adopted by Ord. 2007-02 on 7/11/2007)

10-3-4: Definitions of words and phrases

As used in this title, the words and phrases defined in this section shall have the following meanings unless the context clearly indicates a contrary meaning. Words not included herein but defined in the building code shall be construed as defined therein.

ACCESSORY BUILDING: A detached subordinate building located on the same lot with a main building, the use of which is customarily incidental to that permitted in the main building, or to the land upon which the main building is located.

ACCESSORY DWELLING UNIT: A habitable living unit added to, created within, or detached from a primary single family dwelling and constrained on one (1) lot.

ACCESSORY USE: See definition of Use, Accessory.
