Adam Richins 00:33

Adam Richins 00:39
Do You know how

Unknown 00:48
to do that? Breakout Rooms,

Unknown 01:11

Bonnie Smith 01:21
even mentioned that.

Adam Richins 01:22
Else is probably watching.

Unknown 01:59
Now I'm just

Unknown 02:08
not figured a

Mike Anderson 02:34
Welcome to our meeting. We appreciate everybody being here who's a member of the cemetery District except, except to Adam Richins is here, and my sweetheart. Thank you. Commissioner Johnson, thanks for coming. And the ones from the ones from Delta, we appreciate that. This hearing is is online, and we are going to accomodate those who are not coming that would wish to participate. And first, let's start and salute the flag, and Pledge of Allegiance. I pledge allegiance to the flag of the United States Of America, and to the republic for which it stands, one nation under God indivisible with liberty and justice for all.

Speaker 1 03:25
I would like to introduce everybody, but everybody knows everybody else, so I'm not going to do that. Anybody have any discussions on the action regarding, oh, I need to read this first sorry. Notice of proposed tax increase Hinckley Deseret cemetery maintenance district. The Hinckley Deseret cemetery maintenance district is proposing to increase its property tax revenue. The Hinckley Deseret cemetery maintenance district tax on a 333,000 residence, for an example, will

increase from 3187 \$31.87 to \$44.13 which is \$12.26 per year. The Hinckley Deseret cemetery maintenance district tax on a three \$333,000

Mike Anderson 04:22

business would increase from \$57.94 to \$80.23

Bonnie Smith 04:28

which is \$22.29 per year. If the proposed budget is approved, Hinckley, Deseret cemetery and maintenance district would receive an initial \$10,000 in property tax revenue per year as a result of the tax increase. If the proposed budget is approved, Hinckley, Deseret cemetery maintenance district would increase its property tax budget revenue by 38.47% above last year's property tax budgeted revenue, excluding eligibility new growth. The Hinckley Deseret cemetery maintenance district invites all concerned citizens to this public meeting for the purpose of hearing comments regarding the proposed tax increase and explain the reasons for the proposed tax increase. You have the option to attend this meeting or online, and it's my understanding that everybody got one of these right in the mail.

Debra Wagner 05:28

There was a there

Debra Wagner 05:31

was some notices or post cards with the this notice. It was similar to this notice, but the language was the same, and the notices that the individuals received with their property taxes included a statement on how much their property value was, what that increase would look like, and what the actual dollar value would be, taxable value. This was a

Bonnie Smith 06:00

general because we couldn't bring them all. And everybody got the link.

Debra Wagner 06:05

Everybody has the link. Okay,

Bonnie Smith 06:07

let's move on. Thank you. Any questions or comments,

Adam Richins 06:12

We just state the intent of the increase for the record, the intent

Bonnie Smith 06:16

that the increase is for the purpose that Deseret, Hinckley, Deseret cemetery district can continue to operate. Our finances have been low for years and years and years, and when we did a building, built a building in Hinckley last year, we had to go out and pay for donations to get that building completed. And we don't feel that proper, right? So with this increase, we can go ahead and function for through the 2026 season, and we can maintain the cemetery in a sacred and proper order.

Bonnie Smith 06:57

Anything else, any other comments, no.

Bonnie Smith 07:04

Let's take a vote. Oh, I need a motion to increase the property

Bonnie Smith 07:16

the property tax through truth of taxation

Debra Wagner 07:19

Mike, before we start that, is there anybody online who has any questions or comments chat with regard to the increase?

Adam Richins 07:28

Good question. There are no. There is nobody online other than it's my note taker that's transcribing the meeting.

Adam Richins 07:40

Okay, you need to enter the public hearing. Yeah. I mean, typically you enter a public hearing and

Adam Richins 07:45

then Adams right. I mean, just how the board does it used to, right?

Debra Wagner 07:54

So Adam

Adam Richins 07:57

motion and her public hearing, and then go, there's comments, and then motion close public hearing, and then motion for whatever the vote or whatever the motion will be. You get that line.

Debra Wagner 08:12

So you need to ask for a motion to enter the public meeting. And then you get that motion. You vote on that motion. Then you ask for public opinion, and then if you don't have any public opinion, you request a motion to end the public hearing, at which time you can then ask for a motion for a vote.

Bonnie Smith 08:34

Okay, so we need a motion to open the public hearing with any comments or any suggestions that anybody has,

Bonnie Smith 08:51

okay, all in favor,

Debra Wagner 09:00

any comments or

Bonnie Smith 09:03
questions or questions,

Shelly Anderson 09:09
might as well put you to work here.

Shelly Anderson 09:13
All right. Why? Why are you? Oh, that's right. So I'm Shelly Anderson, and I live in Deseret, and I'm wondering why all of a sudden, we need this increase.

Mike Anderson 09:33
We we've been lacking in revenue for years. The increase is to help us get a building in Deseret which the old buildings are just antiquated. And we need to do that, and then we need to better maintain the cemeteries. We we have had it's been hard on the budget to increase, to maintain with the increases that we've had, like for fuel and water and and fertilizer and different things like that. And

Shelly Anderson 10:14
what will be the long term plan?

Bonnie Smith 10:18
Long term plan is

Shelly Anderson 10:20
Deseret and Oasis are a district now Hinckley and Deseret. Hinckley, Deseret,

Mike Anderson 10:26
thank you so long term plan. It's negotiation, and we are going, What do you mean? Negotiation? We have we've discussed with the county commission, and the county commission, who is basically our boss, they started the they started the cemetery districts. Although the special service district, they are, they we get all our funds from county revenue. And so the long term plan is that that we have the five cemeteries is combined.

Shelly Anderson 11:00
And approximately when do you think that would take place? Or what is the plan?

Mike Anderson 11:06
No later than January of 27

Shelly Anderson 11:10
and then this way before that, will this tax increase help? That help once they're combined the five?

Bonnie Smith 11:19
Yes, it will. It will help greatly. Okay, so we won't be a burden on Delta

Mike Anderson 11:29
Oasis and Sutherland.

Shelly Anderson 11:33
Well, I would just like to state. I'd like to thank you all for your service, those that serve on the cemetery, districts, and I know a lot of volunteer hours go in, and this is a move in the right direction to our county commissioner for starting this process. I believe so. Thank you.

Bonnie Smith 11:58
Thank you. Now,

Bonnie Smith 12:03
any other comments or suggestions?

Bonnie Smith 12:12
Motion to close this public meeting. Okay, let's get made a motion All in favor. Okay, now we need a motion to vote on the increase of the truth of taxation that I, that I've explained

Bonnie Smith 12:33
for the Hinckley Deseret cemetery District, which is \$10,000 which is \$10,000

Bonnie Smith 12:40
from tax revenue for next year

Mike Anderson 12:44
All in favor, or I need a motion, can I get a motion? I motion to vote for revenue increase. All in favor, second. I'll second it.

Debra Wagner 12:54
Ok, can I get a roll call vote please. Okay. Rick, yes, Skip.

Debra Wagner 13:01
Diane, me, Rick, yeah, Mike, aye, Daryl, aye. Okay.

Mike Anderson 13:08
The motion passes. Thank you so much. And this, this meeting is officially over. Adjourned, adjourned. Thank you appreciate it. You accumulation.
