WCSD Board of Trustees,

I would like to amend the Arrowhead approved TSSA plan for the 2025-26 school year to include the hiring of paraprofessionals.

I will use this funding to add additional WIN (intervention) paraprofessionals. The bottom of the plan asks: If additional funds are available for TSSA, how will the school spend the funds to implement the goals in this plan? The original plan states: Any additional funding will be used for PD, Subs, technology, and supplies. I would like to add paraprofessionals. Thank you for your consideration.
