To Whom It May Concern,

With our unallocated money in TSSA we would like to make the following amendments:

- Add a \$7000 budget for substitutes so we can provide professional development and additional collaboration time during the school day.
- Allocate \$25,000 to Supplies Technology to buy a grade set of chromebooks and other necessary technology.

Using these funds in this manner will help us achieve our goal that 80% of students will make typical or better growth in reading and math from BOY to EOY.

Thank you for considering our amendment.

Sincerely,

Brooklyn McLaws
Principal
