To whom it may concern,

I am writing to request the acceptance of an amendment to Snow Canyon Middle School's Teacher and Student Success Act Plan (TSSA) for the 2025-26 school year. The amendment includes an Allocation of \$10,000 to the "Field Trips" fund and an allocation of \$6,000 to the "Supplies-Food" fund.

The allocation of the \$10,000 in the "Field Trip" fund will support SCMS in providing educational opportunities for our students that extend beyond the physical walls of SCMS and reach into the real world, providing a tangible application of the content that they are learning. This allocation will also provide opportunities for student organizations, like Latinos in Action and Hope Squad, as well as other organizations, to attend training, conferences, and meetings, and to provide service to the community.

The allocation of the \$6,000 in the "Supplies-Food" fund will go to providing food to educators who are involved in full day Professional Development (PD). These full day PDs will be focused on data and improving Tier I instruction to help us meet our goals in Language Arts, Math, and Science for the 2025-26 school year.

KR

Kyle Rarick, Principal
