

Leaving Good Impressions

Principal Kim Heki

Dear Washington County School Board,

I would like to make some changes to my TSSA Budget. I currently have funds allocated for School Messenger, Playworks, and a Spanish Translator. We are not planning to use any of those services. I would like to transfer the balance of those accounts (\$ 3,421.94) to a General Supply Budget.

Thank you for your time.

Sincerely,

Kim Heki
