To Whom It May Concern:

I am requesting an amendment to our Goal #3 Playworks action step to reallocate \$4,000 in funds (originally \$10,000) designated under Contracted Services to instead be used for the purchase of playground supplies and equipment.

This adjustment will allow our school to better support structured play and student engagement during recess, aligning with the intent of the Playworks program while meeting our current needs.

Thank you for your time and support in processing this amendment. Please let me know if any additional information or documentation is required.

Sincerely,  
Dr. Melissa Dietzel
