Utah County Elections Division

2025 Municipal General Election

Canvass Report & Official Statistics

Prepared for:

Pleasant Grove City

Prepared by: Utah County Elections Division
elections@utahcounty.gov

Introduction:

This Canvass Report is provided pursuant to the requirements of Utah Code Title 20A, which establishes the statutory framework governing elections within the State of Utah, including municipal elections. The canvass serves as the official examination and certification of election returns, ensuring the accuracy, completeness, and legality of the vote totals reported. Under interlocal agreements executed with participating municipalities, Utah County is responsible for administering municipal elections. This includes maintaining and providing access to the statewide voter registration database, managing vote-by-mail ballot distribution and processing, offering early and election day in-person voting, and providing the election infrastructure and equipment necessary for compliance with state law and best practices. Municipalities remain essential partners in this process through coordination, facilitation of candidate filings, and support in public notice & election oversight. The County acknowledges and appreciates the cooperation of municipal officials and staff throughout the administration of the 2025 Municipal Election. From the execution of interlocal agreements and the conduct of the candidate filing period, through ballot distribution, voting, and the canvass process, the collaboration of our municipal partners has been indispensable to the lawful and effective administration of these elections.

Definitions

The following terms are used throughout this Canvass Report and are defined here for reference, with citations to the Utah Code where applicable:

RESOLUTION NO. 2025 – 041

A RESOLUTION OF THE GOVERNING BODY OF PLEASANT GROVE CITY AUTHORIZING THE MAYOR TO SIGN THE FIRST AMENDMENT TO THE INTERLOCAL COOPERATIVE AGREEMENT BETWEEN CEDAR HILLS CITY AND PLEASANT GROVE CITY FOR THE HARVEY BOULEVARD WIDENING PROJECT (4000 NORTH IN PLEASANT GROVE) AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Utah Interlocal Co-operation Act, Title 11, Chapter 13, Utah Code Annotated (1953), as amended, permits local governmental units including cities, counties, inter-local agencies and political subdivisions of the State of Utah to make the most efficient use of their powers by enabling them to cooperate with other public entities on the basis of mutual advantage and to exercise joint cooperative action for the benefit of their respective citizens; and

WHEREAS, in 2023, the Parties entered into an Interlocal Cooperation Agreement (the “*Agreement*”) to facilitate the construction of a project known as the Harvey Boulevard Widening Project (the “*Approved Project*”) in multiple jurisdictions and to share the cost of constructing the project; and

WHEREAS, the Mountainland Metropolitan Planning Organization (“*MPO*”) Regional Planning Committee originally determined that the Approved Project should receive a portion of County Transportation Tax funds not to exceed \$1,565,700 in 2023 (“*Original Total Project Cost*”); and

WHEREAS, the Original Total Project Cost was included in the Agreement as a material term; and

WHEREAS, since entering the Agreement, the Approved Project has run into several difficulties, including ROW, drainage, property impacts, etc., which have significantly escalated the costs of the Approved Project; and

WHEREAS, the Parties recently requested that MPO provide additional funds to cover the significant increase in costs to the Approved Project;

WHEREAS, in October 2025, MPO approved an additional of \$4,675,503.00 in funds to be used for the Approved Project, bringing the total funds awarded for the Approved Project to \$6,397,773.00 (the “*New Total Project Cost*”); and

WHEREAS, the County and Cedar Hills held duly noticed public meetings wherein an amendment to the original County Interlocal Cooperation Agreement (the “*County Interlocal*”

Agreement”) was recently considered and an Authorizing Resolution was presented for approval by the respective legislative bodies reflecting the New Total Project Cost; and

WHEREAS, the Parties desire to update the Agreement with the New Total Project Cost for the Approved Project; and

WHEREAS, in conjunction with the amendment to the County Interlocal Agreement, Cedar Hills and Pleasant Grove held duly noticed public meetings wherein this First Amendment was considered and an Authorizing Resolution was presented for approval by the respective legislative bodies; and

NOW THEREFORE, BE IT RESOLVED by the City Council of Pleasant Grove, Utah as follows:

SECTION 1.

The Mayor is hereby authorized to sign the First Amendment to the Interlocal Cooperation Agreement between Pleasant Grove City and Cedar Hills City for the Harvey Boulevard Widening Project (4000 North in Pleasant Grove) which is attached hereto as Exhibit A.

SECTION 2:

This Resolution shall take effect immediately.

PASSED AND APPROVED BY THE CITY COUNCIL OF PLEASANT GROVE, UTAH, this 18th day of November, 2025.

Introduction

The Pleasant Grove City Cemetery is located at 510 North 100 West in Pleasant Grove, Utah. It is the desire of the City of Pleasant Grove to operate and maintain a cemetery that is beautiful, dignified, and an appropriate final resting place for departed loved ones.

The cemetery has approximately ~~22~~ 28 acres of land. The City ~~is currently designing~~ completed an additional ~~10-16~~ 6 acres for future cemetery needs. The proposed property may be used as soccer fields in the interim, however, eventually this area will be developed into cemetery plots once the upper cemetery reaches capacity.

The Cemetery offers full size burial plots for traditional burials as well as cremations. Additional information on number of burials allowed is addressed on Page 12 & 13 (Number of Burials per Lot)

The first burial in the cemetery was held in January of 1852. The cemetery currently averages 13 burials per month, and as of January 2022 ~~25~~, the cemetery has had ~~9,465~~ 9929 burials.

This policy and procedures manual was formulated to help explain the operations of the cemetery. Pleasant Grove City has attempted to accommodate the needs of its patrons while still preserving those rules and regulations necessary to maintain a high standard of beauty and efficiency at the cemetery.

How to Purchase a Certificate of Burial Right *(Burial plot)*

***A Maximum of 10 lots per person**

To purchase burial plots in the Pleasant Grove Cemetery, call 801-785-4612 or visit the Cemetery during regular business hours. It is recommended that you schedule an appointment to avoid excessive waiting. Appointments are generally scheduled between 9:00 am and 3:00 pm Monday through Friday. These times may vary depending on the current funeral schedule. Fees are outlined in the Cemetery Fee section of this manual.

The purchase of a plot and all applicable interment cost must be paid in full at City Hall 70 S 100 E, prior to the funeral service. The Sexton will not collect any fees at the cemetery. The Pleasant Grove Cemetery requires two working day notice for all pending funeral services. This two working day notice must be made during regular business hours. Purchasing burial plots and funeral notices cannot be made on weekends or City designated holidays. All grave spots/plots must be paid in full at the time of purchase and graves will not be opened until the opening and closing fees have been paid.

Plots may also be purchased for future needs (preneed).

Once the plot has been paid in full, a Certificate of Burial Right will be given to the designated grantee. The Certificate of Burial Right gives the grantee a right to be buried in the Pleasant Grove Cemetery at the location described in the certificate. The certificate is not a deed and does not indicate ownership of real property.

The Pleasant Grove Cemetery maintains a database of all certificates issued.

The procedures for transferring a Certificate of Burial Right are outlined in this manual.

Certificate of Burial Right

The Certificate of Burial Right contains the following information.

1. During the lifetime of the Grantee, this right may be used for the interment of any deceased person of Grantee's choosing upon proper application and notice to the City.
2. Grantee may assign or transfer this right during his/her lifetime upon proper application, execution, and approval of the *Pleasant Grove City Cemetery Affidavit*.
3. This burial right is conveyed to the Grantee and his/her heirs. All legal heirs are presumed to have legal right to the rights of burial, unless heirship to the contrary has been determined by a court of probate after the Grantee is deceased.
4. The Certificate is not a deed, and the right granted is only the right to the burial in the location on the Certificate. Grantee shall not have any other interest in or ownership of the property covered by the Certificate.

Cemetery Records

The City of Pleasant Grove will record and maintain a record of each Certificate of Burial Right. All Certificates will be recorded with Utah County bi-annually, no later than January 1 and July 1 of each year. The City of Pleasant Grove will file an accurate plat of the cemetery with Utah County clearly showing sections of burial lots which have been disposed of and the names of persons owning each Burial Right and sections of Burial Rights held for disposal. Additional plats for additions to the cemetery will be filed with Utah County before offering for sale any Burial Rights located in the cemetery. To obtain information about the cemetery records you may call the office at (801)785-4612, visit the Cemetery office at 510 N. 100 W. or City Hall (801)785-5045, 70 S 100 E. in Pleasant Grove. Burial information can also be found at <http://namesinstone.com/>

A simple search will provide the following burial information;

1. Interred (person buried)
2. Gender
3. Birth Date
4. Death Date
5. Burial Location

Searching the map feature on the web page shows the location of all burials within the cemetery.

Due to privacy laws, the only information published online are the records listed above. To request additional Certificate of Burial (*burial plot*) information you must go to the City Hall.

Transferring Certificate of Burial Rights

To Transfer a Certificate.

The Grantee may re-assign or transfer a Certificate of Burial Right to another grantee. This transfer can only be executed through the City of Pleasant Grove Cemetery and completed at City Hall 70 S 100 E. To transfer the rights to another individual, a Pleasant Grove City Cemetery Affidavit form must be completed; all fees paid, and all previously issued Certificates returned. Additional documentation and fees may be required to complete this transaction. New Certificates will be issued listing the new owner as the Grantee.

A sample of the Pleasant Grove City Cemetery Affidavit form is located in the forms section of this manual.

Types of Transfers: Resident to Resident, Family Member to Family Member (Definition of Family – spouse, parent, grandparent, sibling, child, and grandchild), Resident to Non-Resident.

Request for Burial *(Making Funeral Arrangements)*

To request a burial at the City of Pleasant Grove Cemetery call 801-785-4612. During regular business hours go directly to the City of Pleasant Grove Cemetery at 510 N. 100 W. in Pleasant Grove. All burials must meet the following requirements:

1. A minimum two work day notice is required on all burials. Notifications cannot be made on Saturdays, Sundays, or City designated Holidays.
 2. Proof of the Certificate of Burial Right must be provided to the Cemetery or responsible Mortuary handling the funeral service.
 3. The mortuary or individual that is requesting the funeral service must call the cemetery office at 801-785-4612.
 4. Additional documentation and identification may be required before the service arrangements are finalized.
 5. If Burial Rights (plots) have not been secured as outlined in the *How to Purchase a Certificate of Burial* in this manual, the person(s) requesting the burial must secure Burial Rights (plots) at the Pleasant Grove Cemetery Office, located at the address listed above and must pay for at City Hall.
 6. If the family requesting the burial has multiple Burial Rights (plots), then they must choose which plot is to be used with cemetery staff at the Cemetery Office prior to purchasing the Certificate of Burial.
 7. If there are multiple interments in one plot, such as outlined in *The Number of Burials per Plot* section of this manual, additional documentation may be required.
- Samples of all forms are located on pages 28 - 29.

Vault Requirements

All burials in the Pleasant Grove Cemetery must be in a concrete vault or other material that has similar structural properties as concrete as outlined in 7-3-17 of the Cemetery Ordinance, which states:

It shall be unlawful for any person to be buried in the cemetery unless the casket is placed in a City approved vault made of concrete or another material that has similar structural properties as concrete. No wood shall be used in the construction of any part of any vault. Exceptions to the provisions of this section may be granted for infant or cremation burials only. In such instances, the design and construction of the burial vault shall be approved by the City.

The following types of burials are exceptions to the City Code:

1. **A** Cremation remains can be buried in any container that meets the dimensional guidelines listed in the *Number of Burials per Plot* section of this manual. Any containers larger than the dimensions listed can only be used with permission from the Cemetery Sexton. ~~Larger containers may limit the amount of future cremation burials allowed in the plot.~~ **Any container being buried in a traditional lot must be approved by the Cemetery Sexton. Any container being placed in the Columbarium must be smaller than 10" x 10" x 10"**
2. A casket and vault combination typically used for infants can also be used as outlined in the *Number of Burials per Plot* section of this manual.

Number of Burials per Plot

Pleasant Grove City Code Section 7-3-4: B limits the number of burials per lot.

The following is a description of the burial plots at the Pleasant Grove Cemetery.

1. A standard plot is 100" in length by 40" in width and can accommodate:
 - a. One burial of human remains (*standard size casket and vault*)
 - b. ~~Up to four~~ **One** cremated human remains, ~~each~~ in **a** cremation container that ~~do~~ **does** not exceed 10" in length, 6" in height, and 8" in width (Traditional Lot). *
 - c. ~~Two non-cremated human remains in separate casket-vault combinations that do not exceed 46" in length, 15" in height, and 22" in width.~~ *
 - d. One casket-vault combination containing non-cremated remains that do not exceed 37" in length, 13" in height, and 17" in width, on top of an existing grave with the approval of the Grantee holding the Burial Right. *
 - e. One cremated human remains in a container that does not exceed 10" in length, 6" in height, and 8" in width, on top of an existing grave with the approval of the Grantee holding the Burial Right **and Cemetery Sexton.** *
 - f. **Cremation to be placed in columbarium that does not exceed 10"x10"x10"**

* Only one headstone per plot shall be allowed regardless of the number of human remains buried in the plot. All remains in a burial plot must be identified on one headstone. The Cemetery Sexton will determine if there is sufficient space in the plot to accommodate additional burials.

Tent Policy

If weather conditions create a possible hazard due to high winds, the cemetery staff may refuse to allow a tent to be erected.

Disinterment Policy and Ordinance

All requests for disinterment must be made by appointment only at the Cemetery office. A sample of the Disinterment Affidavit of Kinship and Indemnification Agreement Form is located in the forms section of this manual. The City must balance its responsibilities for the health, welfare, and safety of its staff with the requests of a burial right owner when asked to disinter human remains. Any request to disinter human remains shall comply with all applicable federal, state and local laws.

1. Permitted. Subject to applicable federal, state, and local laws, the City shall honor a request to disinter human remains upon written court order or a written request on a form provided by the City from the owner of the burial rights provided the disinterment may be accomplished without endangering the health, safety, or welfare of the City's staff or the public. The City may, on its own initiative, disinter human remains in instances where a natural or manmade disaster has exposed a grave and disinterment is necessary to protect the public health, safety, or welfare.
2. Prohibited. The City shall not disinter the remains of a person who died from a contagious disease within two years after the date of burial, unless the body was buried in a hermetically sealed casket or vault and is found to be so incased at the time of disinterment. No double deep disinterment will be authorized.
3. City's Duties. The City Sexton shall determine whether a disinterment poses a danger to the health, safety, or welfare of city staff or the public. The City Sexton may refuse to perform a disinterment if he determines there is a danger to the health, safety, or welfare to city staff or the public. The City Sexton may also refuse to authorize a disinterment if he determines that the disinterment would disturb or damage an adjacent lot. The City Sexton may make his determination at any time during the disinterment process. The City shall provide supervision for every disinterment.
Upon a determination that a disinterment poses no danger to the health, safety, or welfare of city staff or the public and that the disinterment would not disturb or damage an adjacent burial lot, the City shall excavate and refill the burial lot. Notwithstanding these provisions, the City shall comply with any court order.

4. Requestor's Duties. Absent a court order and at least seven (7) working days prior to a disinterment, the requesting party shall submit a disinterment permit from the County Board of Health, the City's Disinterment Affidavit of Kinship and Indemnification Agreement Form and pay all applicable fees prior to the City commencing any disinterment.

The requestor shall arrange for and pay any associated costs for a funeral director to be present at a disinterment.

The requestor shall arrange for and pay any associated costs for a licensed vault company to remove the vault and its contents from the lot. If the lot does not contain a vault or the City Sexton determines the existing vault has deteriorated to the point that it will not retain its structural integrity during the disinterment, the requesting party shall replace the deteriorated vault with a structurally sound vault at the requestor's expense. The requestor shall arrange to dispose of any old vault in a manner meeting federal, state, and local laws.

5. Disputes. The City shall endeavor to carry out the wishes of the person or persons charged with the right and duty to control the disposition of a deceased person relating to the burial or disinterment of a deceased person or any other act relating to the disposition of human remains including the selection, design, and placement of a grave marker. The City shall look to the provisions of Title 58, Chapter 9, Part 605 of the Utah Code Annotated (2007, as amended) to resolve any disputes unless directed otherwise by a court of competent jurisdiction.
6. Waiver of Liability. The City of Pleasant Grove assumes no liability for any property damage, including damage to a casket, vault, memorial, headstone, etc., or for bodily injury sustained during a disinterment from causes beyond its reasonable control.

The City is not liable for acts or omissions of any third party for any reason. The City is not liable for damage to the contents of any casket or adjacent lots from causes beyond its reasonable control.

The City is not liable for mental anguish, shock, or intentional or negligent infliction of emotional distress arising out of any disinterment.

Headstones

All headstone installations are made by appointment only. Appointments can be made by calling the Cemetery office at 801-785-4612.

The setting of headstones shall take place only during normal business hours, usually Monday through Friday, 8:00 a.m. to 4:00 p.m. excluding holidays.

All headstones in the Cemetery shall be restricted as to size and general make-up. The Grantee, spouse, or executors of any burial rights of the deceased persons buried in any plot shall place or cause to be placed upon the grave a suitable headstone with the name of the deceased plainly inscribed thereon.

All headstones installed must meet the following requirements:

1. **Number.** Only one headstone per lot shall be permitted regardless of the number of human remains buried in the lot, military footnotes are the only exception. Any headstone/footnote placed outside of the headstone row shall be flush with the lawn.
2. **Size.** All headstones shall be placed on a concrete foundation at least four (4) inches thick in one continuous pour or one solid piece of granite four (4) inches thick, and shall be a maximum length of forty (40) inches for single burials and eighty (80) inches for double burials and shall be a maximum width of thirty six (36) inches. All headstones must be surrounded by a four (4) to six (6) inch border of concrete or granite that will act as a mowing strip.

Columbarium Shutters. Pleasant Grove City does not engrave on niche shutters but does have the engraving contracted out. The shutter can have the name, birthdate and death date engraved on the shutter at a flat fee of \$50.00 or a designed shutter for a flat fee of \$400.00.

All engraving designs must be approved in advance. Any shutter being engraved with obscene, vulgar, or irreverent content will not be allowed to be placed within the Pleasant Grove City Cemetery. Approval or denial of design and content is at the sole discretion of the Cemetery Sexton.

The shutter must be removed by cemetery staff for engraving. No onsite engraving is not permitted. Removal and installation of the aforementioned shutter must be scheduled a minimum of (1) day in advance. This allows the Pleasant Grove City Cemetery Staff adequate time to prepare the site and arrange for the placement or removal of a temporary shutter.

The shutter for a niche must have a minimum of a 1" boarder from the edge of the granite to the engraving.

3. **Type and Placement.** All headstone bases shall be placed flush with the soil level. All headstones shall be placed at the west end of the plot. Companion burials are performed in a traditional manner, unless requested otherwise. Any other setting must be cleared by the Cemetery Sexton. The city is not liable for headstones set incorrectly.

Sections H, I & J have designated locations/rows for Upright and Flat Headstones. Flat headstones Must be flush with the ground. It is critical when ordering a headstone, the owner knows correct type either Upright or flat.

No markers or headstones will be allowed in the grass area between the headstone rows.

All headstone installations require an inspection prior to placement.

4. **Removal and Resetting of Headstones.** Once a headstone has been installed, the city shall not be responsible for the removal and resetting of that headstone. It shall be the responsibility of the burial right grantee or mortuary performing a funeral service, to arrange for the removal of the headstone by a monument company Forty-eight (48) hours prior to the opening of a grave. The City shall not be liable for any damage to the headstone or vases that may occur during the removal or resetting process.

5. **No headstone shall be placed during the months of December through March and one week prior to, during, or one week following Memorial Day.**

Decorations

All headstone decorations or arrangements, real or artificial, shall be allowed until such time as they become faded, worn, weathered, or otherwise unsightly after which time they will be removed by cemetery staff. Pleasant Grove City is not responsible for any decorations placed in the cemetery. Be aware that on occasion uncaring individuals have removed decorations without patron or staff knowledge or consent.

1. Glass, porcelain, or other breakable objects are not allowed.
2. Any object(s) not kept on the headstone will be removed by cemetery staff. Decorations are not allowed on any part of the grass. Decorations can be dislodged from their marker by wind, vandals, deer, etc. Decorations that cannot be placed on the proper marker will be discarded by cemetery staff.

No decorative objects, vases or photos shall be taped, glued or affixed in any manner to the niche shutters. All unauthorized items will be removed by Pleasant Grove City Cemetery Staff without notice. The Cemetery reserves the right to remove any decoration from the shutter.

3. For safety reasons, objects such as wire, iron, sticks, pegs, flags, toys, air socks, balloons, outdoor lighting, rocks, pinwheels, metal rods, etc. driven into the ground are not permitted.
4. It shall be unlawful for any person to plant shrubs, trees, lawn, flowers, or any such item on any plot. Placing any decorative stones, markers or monuments must be approved by the Pleasant Grove Cemetery Sexton.
5. It shall be unlawful for any person to erect or maintain any structure, fence, corner post, coping, or hedge of any kind upon any plot.
6. All grave decorations or arrangements, real or artificial, associated with any specific holiday (themed decorations) may be removed by cemetery staff no earlier than seven (7) days following such holiday.
7. Funeral decorations will be allowed anywhere on the burial lot for a seven (7) calendar day period immediately following a burial. Anyone wanting to keep any decorations shall remove them before the seven (7) day period expires.
8. Cylinders, such as PVC pipe, may be used in lieu of a standard metal vase. The cylinders must be placed within the headstone granite or cement area and cannot exceed 16" in height.
9. Once removed from the plot, grave decorations will be disposed of and will not be saved or kept at the cemetery.
10. Fresh and artificial flowers left at the cemetery may be consumed or destroyed by deer.
11. It shall be unlawful to remove decorations other than your own.

12. The use of shepherd's hooks shall be restricted to Memorial Day through the following Monday and the month of December. Use of shepherd's hooks at any other time will result in removal by the cemetery staff, unless attached to the headstone and are removable.

13. Those that bring in decorations intended for use during the entire year are encouraged to wait until spring cleanup is completed before freshening up their displays. Spring Cleanup will begin the last week of March.

Memorial Day Exceptions: Cemetery staff begin preparation for Memorial Day one month prior to the holiday which usually takes the entire month to complete. Irrigation is stopped from Friday afternoon through the end of Memorial Day to allow placement of decorations.

Beginning 12:00 a.m. on the Friday before Memorial Day until 11:59 p.m. on the Sunday following Memorial Day, grave decorations will be allowed anywhere on the burial plot. The second Tuesday following Memorial Day, all grave decorations will be removed by cemetery staff at 6:00 am. Anyone wanting to keep their decorations should remove them before 11:00 p.m. on the Sunday following Memorial Day. Removing decorations other than your own is unlawful.

New decorations cannot be placed on a plot until the second Wednesday following Memorial Day. This allows cemetery staff time to mow and sweep the long turf created during an absence of turf maintenance following the week after Memorial Day.

All grave decorations removed on the 2nd Tuesday following Memorial Day cleanup will be disposed of and will not be saved or kept at the cemetery.

The cemetery office will be staffed Saturday, Sunday and Memorial Day from 7 a.m. to 8 p.m. to assist in locating graves and help as needed.

MEMORIAL GARDENS

The Pleasant Grove Cemetery Memorial Garden was dedicated on November 11, 2005. It is located on the northeast portion of the cemetery grounds. The monument has a statue depicting a Civil War Soldier and a Modern Day Soldier. Granite panels with the names of the Veterans buried in the Pleasant Grove Cemetery and living Veterans hang on the Memorial Wall.

A Flag Ceremony and Veterans Memorial program are held on Memorial Day and Veterans Day of each year.

Each Veteran buried in the Pleasant Grove Cemetery will have their name engraved on one of the granite panels located at the Monument Wall. Names will be added once per year for the burials that take place during that calendar year. The cutoff date for each year's engraving list is April 1st. To inquire about names on the wall, please contact the Cemetery office at 801-785-4612.

Cemetery Maintenance Information

The cemetery grounds maintenance is described below. Maintenance tasks are performed daily but are governed by funeral services. It is common to have watering, mowing, trimming, and sweeping interrupted by funeral services, sometimes for several consecutive days. Turf maintenance generally starts March 1st and continues through November 30th. Weather can affect these dates. For an updated seasonal maintenance schedule or to discuss a specific maintenance issue, please contact the Cemetery office at 801-785-4612.

1. Irrigation. The water is generally turned on each spring in April, and then turned back off sometime in mid-November. Dry or yellow areas are generally due to the water being shut off several days to accommodate funeral services. In some areas of the cemetery, the entire system must be shut down to prevent one area from watering.
2. Mowing. The cemetery staff generally cuts the lawn once per week. Factors such as funerals, inclement weather, and staffing may affect this schedule.
3. Edging. Trimming around headstones is a daily activity. The goal of the cemetery staff is to trim each headstone twice per year. Currently, there are over 8,000 headstones in the cemetery, equaling 15.4 miles of cement to trim.
4. Snow Removal. The cemetery roads are cleared of snow during normal business hours. Pathways and clearings are also cleared for funeral services. Patrons may experience slick conditions if snowstorms are present.

The City reserves the right to enter upon any lot to perform all work necessary for the maintenance of the cemetery. This may include, but not limited to the removal of trees, shrubs and flowers.

All property including lots, plots, and grave sites within the cemetery are owned by the City. A Burial Right is simply the right to be buried in the cemetery.

- a. Headstone Maintenance. It is common for headstones to settle for several months after a funeral service, more so when the burial takes place in the winter. Any headstone set incorrectly must be reset by the headstone company that installed it.
- b. Tire marks on headstones do occur. They are caused by many different kinds of service vehicles from many different companies. Tire marks are more prevalent when the grass is wet and when the surrounding headstones have decorations. Mowers are

forced to swing around headstones with decorations, sometimes causing unavoidable tire marks on surrounding headstones.

c. It is the responsibility of the mortuary to have existing headstones removed by a monument company before a gravesite can be prepared for a pending service. See *Removal and Resetting of headstones* in the headstone section.

d. Any person that purchases a headstone to be placed in the cemetery bears all responsibility for any damage that may occur after being placed in the cemetery. This includes potential damage from the operation of cemetery equipment, vandalism, vault and headstone companies, accidents, acts of nature, etc. Headstones are placed at your own risk. The city is not responsible for damage to any item placed on a headstone such as flower stands, wire baskets, decorations or anything placed on headstones that could potentially be damaged.

ADDENDUM No. 4 TO COOPERATION AGREEMENT

This Addendum No. 4 to Cooperation Agreement is entered into effective this ____ day of _____, 2025, by the Metropolitan Water District of Salt Lake & Sandy (“District”) and Pleasant Grove City Corporation (“City”).

ADDENDUM PURPOSES

District owns and operates the Salt Lake Aqueduct (“SLA”) and SLA Corridor (“Aqueduct Corridor”) and certain improvements located within or on the Aqueduct Corridor. District is a subdivision of the State of Utah responsible for transporting and treating public water, and as such District has regulatory authority to protect the Aqueduct, Aqueduct Corridor, District improvements and operations, and District water.

City is currently using District’s Aqueduct Corridor pursuant to a Cooperation Agreement (“Agreement”) between District and City dated May 31, 2016, and recorded June 24, 2016 as Entry 57582:2016 in the records of the Utah County Recorder, Application No. S-15-1320. That Agreement was amended by Addendum No. 1 to Cooperation Agreement dated March 19, 2019 and recorded April 8, 2019 as Entry 28881:2019 in the records of the Utah County Recorder and further amended by Addendum No. 2 to Cooperation Agreement dated December 3, 2019 and recorded December 19, 2019 as Entry 135096:2019 in the records of the Utah County Recorder and further amended by Addendum No. 3 to Cooperation Agreement dated May 4, 2022 as Entry 60276:2022 in the records of the Utah County Recorder.

NOW, THEREFORE, in consideration of the mutual covenants described in the Agreement as amended by Addenda Nos. 1, 2, and 3 and this Addendum, the parties hereby amend the Agreement as follows:

1. City operates and maintains a network of public, non-motorized trails across portions of the SLA Corridor. The Agreement and previous Addenda described city trails north of Grove Creek Drive along the eastern City boundary. District recently acquired property south of

Battle Creek Drive (200 South), over which City desires to operate the Bonneville Shoreline Trail and a connector to Blackhawk Drive.

City also operates trails between Grove Creek Drive and Battle Creek Drive. The purpose of this Addendum No. 4 is to include all trails within the SLA Corridor as shown in the City's General Master Plan Map 6.4 – Trail Network, attached at Exhibit B, as part of the Agreement.

2. The property descriptions attached hereto as Exhibit A are added to Exhibit A of the Agreement as amended by Addenda Nos. 1, 2, and 3.

2. The drawing attached hereto as Exhibit B is added to Exhibit B of the Agreement as amended by Addenda Nos. 1, 2, and 3.

3. Legal description of SLA Corridor lands City will be using:

Those portions of the SLA Corridor described and shown on Exhibit A, as described in the Agreement and Addenda Nos. 1, 2, and 3 to the Agreement. The trails included in the Agreement as amended by Addenda Nos. 1, 2, and 3 and this Addendum No. 4 affect Utah County Parcels 140100047, 140100006, 140100049, 140100045, 140340160, 140370184, 140370217, 140390031, 140440096, 392040024, 140440152.

4. The person(s) signing on behalf of City represents and warrants that they have been duly authorized to formal action of the governing body of City to execute this Addendum No. 4 to Cooperation Agreement on behalf of City. Certifications of the authority of persons signing on behalf of City are attached at Exhibit C.

5. The remaining terms of the Agreement as amended by Addenda Nos. 1, 2, and 3 shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum No. 4 to Cooperation Agreement to be executed the day and year first above written.

Annalee Munsey, General Manager

On the ____ day of _____, 2025, personally appeared before me Annalee Munsey, and having been first duly sworn by me acknowledged that she is the General Manager of the Metropolitan Water District of Salt Lake & Sandy, that she was duly authorized by the Board of Trustees of the Metropolitan Water District of Salt Lake & Sandy to execute the above Addendum No. 4 to Cooperation Agreement for and on behalf of the Metropolitan Water District of Salt Lake & Sandy, and that she executed the above Addendum No. 4 to Cooperation Agreement on behalf of the Metropolitan Water District of Salt Lake & Sandy.

CITY:

Wendy Thorpe, City Recorder

On the ____ day of _____, 2025, personally appeared before me Guy L. Fugal and Wendy Thorpe, who having first been duly sworn acknowledged that they are the Mayor and City Recorder, respectively, of Pleasant Grove City and they are duly authorized to sign the foregoing Addendum No. 4 to Cooperation Agreement on behalf of Pleasant Grove City, and that they signed the same on behalf of Pleasant Grove City.

The City Council and Staff met in the Community Room, 108 South 100 East, Pleasant Grove, Utah.

4:30 P.M. WORK SESSION

Mayor Guy Fugal called the Work Session to order at 4:30 p.m. and welcomed those present.

a. Presentation from Republic Services.

City Administrator, Scott Darrington reported that the City has experienced issues with the recycling service provided by Republic Services. Gordon Raymond was present to speak to those issues.

Mr. Raymond stated that Republic Services had staffing challenges over the summer. They have four sites in Utah comprised of Salt Lake City, Ogden, Pleasant Grove, and Park City. Of those locations, Park City and Pleasant Grove are the most challenging areas to find qualified employees

with a Commercial Driver's License ("CDL"). Although they have occasionally had to delay pickups, it was only by one business day. Service was improving, but they did miss recycling pickup for approximately 300 residents two weeks previously. Trash pickup is always prioritized.

Republic Services has invested in a training center in Texas that assists employees in obtaining their CDL, which is a five-week process. Until they are fully staffed, a Lead Operations Manager would oversee the workflow, and employees would be pulled from Salt Lake City and Ogden to cover the area. Their goal was to have 24 staff members performing daily residential pickups, and in the summer, they averaged 21 to 23 employees. They will have 25 staff members performing pickups the following day. They also brought drivers in from Idaho and Virginia to help while new employees are being trained.

Mr. Raymond stated that Republic Services was well aware of the issue and were doing everything they could to minimize it. He did not believe there would be similar service issues in the winter.

Council Member Jensen suggested that the City Council and Republic Services issue a joint statement explaining the issue and what was being done to remedy it. Mr. Raymond stated that he could work with Staff to draft a statement.

Council Member LeMone asked if there was a notification system residents could opt in to so they would know about delays in advance, or if the City could be notified so it could make residents aware. Mr. Raymond stated that because the City bills residents, in most cases, Republic Services does not have access to their names and phone numbers. They would need to call and opt in to receive notifications. Administrator Darrington indicated that the joint statement could include that information. Council Member LeMone asked if the City could be notified so that it could forward that information to residents. Mr. Raymond stated that they sometimes do not know if pickups will be missed in advance. Council Member Andersen stated that she opted in and receives both texts and phone calls, and she believed that was the best way for residents to receive updates. Administrator Darrington agreed that the City should not be the middleman.

Administrator Darrington stated that two weeks previously, Republic Services knew that they would be short-staffed. They notified the City, which then notified residents via social media that 300 homes would not have recycling pickup.

Council Member Rogers stated that the messaging needed to be very specific because a missed pickup is different from a delayed one. He also believed it would be helpful to inform residents about the five-week training and background check process for CDL employees so they better understood the staffing issues. Administrator Darrington agreed that the joint statement should address those items in addition to providing instructions for residents to opt in for notifications. Republic Services should draft the statement, and then Staff would review it.

Council Member LeMone stated that the City should continue to broadcast information about delays via social media as well. In response to her question, Mr. Raymond confirmed that the same person typically contacts the City about delays, but notification does not occur until after 3:00 p.m. on the day of service. They send notifications to Park City residents if there is a possibility of a delay, but Pleasant Grove residents would need to call Republic Services and

provide their phone numbers to receive notifications. There was not currently a way to sign up via the website.

Mr. Raymond introduced Ashley Colley, who replaced Mark Sherwood and would be helping them improve communications.

Council Member LeMone suggested that Republic Services provide a way for residents to contact them online for missed pickups, new cans, or other issues.

Mayor Fugal thanked Mr. Raymond for speaking to the Council. He noticed that a Republic Services truck was still picking up after 6:00 p.m. the previous week, and he appreciated their efforts to resolve the issue. The CDL driver shortage has affected everyone.

Mayor Fugal thanked the Boy Scouts for attending the meeting and asked them to introduce themselves. Troop leader, Doug Heder, stated that he moved to Pleasant Grove four years previously and began working with Troop 836. The scouts in attendance at the meeting were on the track to become Eagle Scouts. Troop Historian, Mason; Chaplain's Aide, Lincoln Shaw; Outdoor Ethics Guide, Isaac Randall; Assistant Scout Master, Mason Newenswander; Senior Patrol Leader, Henry Jergens; and Patrol Leader, Levi Heder introduced themselves. Mayor Fugal challenged the scouts to speak with Parks Director, Deon Giles, regarding potential Eagle Scout projects.

b. Staff Business.

Police Chief, Keldon Brown reported on the following:

- Officers had been very busy over the past few weeks.
- He expressed appreciation to the Police and Fire staff for their exceptional service to the City during the recent accident involving a young boy, as well as at all times. The accident was still under investigation. Council Member Williams and Mayor Fugal thanked Chief Brown and all first responders for their dedication.

Parks Director, Deon Giles, reported on the following:

- Leaf cleanup was ongoing.
- Irrigation was in the process of being shut down for winter. The WeatherTRAK controllers were doing their job to save water. They automatically reduced watering times up to one-half hour after a rainstorm, and after the recent storm, the rain delay feature delayed watering until October 9.

Recreation Director, Megan Zollinger, reported on the following:

- The Berserker Blitz Wheelchair Obstacle course was a successful and rewarding event. She thanked the football team for their help with the event. It will be an annual event in partnership with Extreme Motus, manufacturer of the all-terrain wheelchairs. The City would likely receive a grant to purchase three wheelchairs for residents to check out from the Recreation Center.

- The Viking Festival and 5K race was to take place this week.

Fire Chief, Drew Engemann, reported on the following:

- He echoed Chief Brown's sentiments. The Fire and Police Departments have great employees, and he was proud to work with them. They get through the tough calls together.
- The department is now fully staffed. The two employees in medic school were due to graduate in March, and he hoped to send more people the following year.
- A Fire Safety Open House will take place at the Fire Station on October 8, 2025, from 4:00 p.m. to 7:00 p.m. Wildland firefighters will be available to answer questions, and they plan to meet with homeowners on the east side of Pleasant Grove in early spring to discuss changes made by House Bill 48.
- The Fire Department has fire and carbon monoxide detectors available for residents in need and will install them when needed.

Public Works Director, Neal Winterton reported on the following:

- They have received inquiries related to roads, traffic, and deer. The City only takes care of deer below the Murdock Canal.
- They are working to resolve the issue with the utility pole that Council Member Rogers brought to his attention. It is owned by ZEO Energy.
- The year's paving projects were wrapping up. The 500 East project came in under budget, so 700 North, 900 North, and 300 East were also overlaid. Design work was ongoing for 2026 projects, and bids would be requested in December or January.
- The pressurized irrigation would be shut down on October 9. Water had been slowed down going into the ponds and reservoirs so that the water could still be utilized when the valves were closed. Peak usage was 17 million gallons in one day in August, and the City was still using approximately five million gallons per day.

Community Development Director, Daniel Cardenas, reported on the following:

- The project east of Kneaders Bakery and Café would break ground soon, and the buildings south of the Tagg-N-Go Car Wash were almost ready for occupancy. Names of tenants had not been provided.
- He did not have an opening date for the building east of the IceBerg Drive Inn, but would forward that information to the Council as soon as it was available.

Library and Arts Director, Sherri Britsch, reported on the following:

- Halloween activities included a "Hocus Pocus" interactive movie activity on October 25 at 10:30 a.m. The Haunted Library Halloween party would be held the same day, with games and activities for younger children from 3:00 p.m. to 6:00 p.m. and KPop Demon Hunters activities for teenagers from 6:00 p.m. to 7:00 p.m. The Dia De Los Muertos party would be held on October 28. A total of 60 activities were scheduled for October.

City Attorney, Christine Peterson, reported on the following:

- The City received formal acknowledgment that the warranty on the pickleball courts would be extended.
- The Arts Council had been working to establish a rotating art show in the doTERRA theater. She had drafted the contract and they were waiting for comments from doTERRA.
- She spoke with the Boy Scout Troop in attendance the previous week. They discussed garbage pickup and road maintenance.

Human Resources Director, David Packard, reported on the following:

- Public Employees Health Plan representatives would be on-site the following week to perform annual health screenings and provide flu shots. Employees were encouraged to sign up in advance.
- A blood drive would be held at the Recreation Center on Wednesday, November 12.

City Administrator, Scott Darrington, reported on the following:

- Viking Day is Saturday, October 11. Festivities would begin at 10:00 a.m. An invitation-only luncheon was scheduled for 10:30 a.m. in the community room.
- The Halloween Haunt would be held on October 30 from 5:00 p.m. to 7:00 p.m. on Main Street. Several thousand children usually attend the event.
- There were currently no agenda items for the October 21 City Council meeting. If none were presented by the following week, the meeting would be canceled.

ADJOURNMENT

ACTION: At 5:19 p.m., Council Member Jensen moved to ADJOURN the Work Session. Council Member Rogers seconded the motion. The motion carried unanimously with Council Members Andersen, Jensen, Rogers, LeMone, and Williams voting “Yes.”

The City Council Work Session Minutes of October 7, 2025, were approved by the City Council on November 18, 2025.

6:00 P.M. REGULAR CITY COUNCIL MEETING

1) CALL TO ORDER

Mayor Guy Fugal called the Regular Session to order at 6:00 p.m. and welcomed those present. All Council Members were present.

2) PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was led by Police Chief, Keldon Brown.

3) **OPENING REMARKS**

The Opening Remarks were offered by Council Member Rogers.

4) **APPROVAL OF MEETING AGENDA**

City Administrator, Scott Darrington, reported that there were no changes to the agenda.

ACTION: Council Member Jensen moved to APPROVE the Meeting Agenda, as presented. Council Member Andersen seconded the motion. The motion carried unanimously with Council Members Andersen, Jensen, Rogers, LeMone, and Williams voting “Yes.”

5) **OPEN SESSION**

Mayor Fugal opened the Open Session.

Kristine Anderson lives one block west of Lincoln Academy in American Fork and is the American Fork Planning Commission Chair. She had researched solutions to the parking and traffic issues caused by Lincoln Academy. Immediate solutions included staggering start and end times at the school or partnering with a nearby church to use their parking lot during peak times and shuttling children to and from the school. A midterm solution could be to institute a carpool program using an app like Gokid, and a traffic study could be conducted to determine long-term solutions.

Mayor Fugal asked Administrator Darrington to speak to the issue. Administrator Darrington reported that he would be meeting with Lincoln Academy the following day at 1:00 p.m. to discuss the matter. Police Chief, Keldon Brown and Public Works Director, Neal Winterton, would also be in attendance, and members of the public were welcome to attend. Community members were encouraged to speak during the Open Session and to forward their suggestions to him so that Staff could consider them.

In response to a question raised by Council Member Andersen, Administrator Darrington stated that the City cannot dictate Lincoln Academy’s start times, bus routes, etc., but they can meet with school administrators and try to find ways to mitigate issues related to drop-off and pickup times.

Curtis Neilson reported that the child who was struck by a vehicle is his neighbor. He recommended that Staff visit the area at 8:00 a.m. and 3:00 p.m. to better understand the volume of traffic during those times. He has almost been in an accident trying to cross the road to take his children to Deerfield Elementary. 9200 North is an old farm road that was not fully modernized; it has sidewalks in some areas but not all, and the stop sign at 1450 West does not have a crosswalk. If four-way stops were installed there and on 1190 East in American Fork, it would help slow traffic. A speed bump between the two roads was also a potential solution.

There were no further public comments. The Open Session was closed.

Administrator Darrington indicated that he would speak with any members of the public who were unable to attend the meeting with Lincoln Academy to ensure that their comments were heard.

6) **CONSENT ITEMS**

- A. **City Council Minutes for the September 2, 2025, Meeting.**

- F. **Payment Approval Reports for September 17, 2025.**

Council Member LeMone recused herself from Item D as she is related to the owner of Awolf Construction, LLC.

ACTION: Council Member Jensen moved to APPROVE the Consent Items, as presented. Council Member Williams seconded the motion. The motion carried unanimously with one abstention. Council Members Andersen, Jensen, Rogers and Williams voted “Yes.” Council Member LeMone abstained from the vote.

7) **BOARD, COMMISSION, COMMITTEE APPOINTMENTS**

- A. **None Scheduled.**

8) **PRESENTATIONS**

- A. **None Scheduled.**

9) **PUBLIC HEARING ITEMS**

- A. **Public Hearing to Consider an Ordinance (2025-023) to Amend City Code Section 10-14-24-1-C-2; Permitted Principal Uses in The Grove Commercial Sales Subdistrict, to add Use #6295 (Tattooing) to the list of permitted uses within the Subdistrict. Applicant, Ian Schwarting. Presenter: Director Cardenas.**

Community and Economic Development Director, Daniel Cardenas, presented the Staff Report and reported that the Applicant proposed adding Use #6295, Tattooing. Staff analysis determined that the use should be allowed if it is associated with Use#6230, Beauty and Barber Services, and the business operates along State Street.

Council Member Rogers asked if a distance requirement should be added to prevent two tattoo parlors from opening in close proximity. Director Cardenas reported that the City does not receive many applications for these types of businesses. Additionally, the amendment would only allow tattooing in association with beauty or barber services. A standalone tattoo parlor would not be permitted in the zone, but a tattoo artist could operate in a booth alongside other approved beauty services if the building fronts on State Street. The ordinance language was modeled after Orem.

Council Member Rogers asked if signage limitations would be imposed. Director Cardenas stated that signage is regulated elsewhere in City Code, but content is not regulated. Staff had reviewed other cities' restrictions and discussed the item in detail with the Planning Commission. After review, the Commission forwarded a unanimous recommendation of approval subject to the referenced conditions.

Mayor Fugal opened the public hearing. There were no public comments. The public hearing was closed.

MOTION: Council Member Jensen moved to APPROVE Ordinance 2025-023 to amend City Code Section 10-14-24-1-C-2; Permitted Principal Uses in The Grove Commercial Sales Subdistrict, to add Use #6295 (Tattooing) to the list of permitted uses within the subdistrict. Council Member Williams seconded the motion. The motion carried unanimously with Council Members Andersen, Jensen, Rogers, LeMone, and Williams voting "Yes."

B. Public Hearing to Consider for Adoption an Ordinance (2025-024) to Amend City Code Section 10-14-25-2: Permitted, conditional, and Accessory Uses in the Grove Business Park (GBP) Overlay, by Modifying the Provisions and Requirements for Permitted Principal Uses within the Grove Business Park Overlay, to Add a Series of Multiple New Uses or Categories to the List of Permitted Uses within the Overlay Zone. Applicant, St. John Properties. Presenter: Director Cardenas.

Director Cardenas presented the Staff Report and indicated that the GBP Overlay is applied to certain areas of The Grove Commercial Sales Subdistrict, including the area south of doTERRA, and allows Uses such as research, retail, office, warehousing, and light manufacturing. Rezoning is required to apply the overlay to any new area of the zone. St. John Properties had two multi-tenant, flex-space buildings in the GBP Overlay Zone, and proposed that additional permitted uses be added. Staff met with the Applicant and analyzed all proposed uses to ensure that they met the purpose of the zone.

Proposed uses include:

- 2300: Apparel and Other Finished Products made from fabrics, leather, and similar materials (only if associated with Use 5690)
- 2510: Household Furniture (assembly only, only if associated with Use 5710)
- 2520: Office Furniture (assembly only, only if associated with Use 5740)
- 4718: Telephone Company Office
- 4719: Other Telephone Communications, NEC (only cable service and internet offices)

- 4815: Electric Utility Company Office
- 4825: Gas Company Office
- 4837: Water Utilities or Irrigation Company Office
- 4846: Sewage Company Office (office only)
- 4853: Refuse Disposal Company Office (office only)
- 6373: Refrigerated Warehousing, except food lockers
- 6411: Automobile Repair, excluding engine repair and transmission repair. All servicing of autos must be conducted entirely indoors, including vehicles to be serviced.
- 6418: Auto Glass Installation and Service

Director Cardenas reported that Staff was initially opposed to allowing Use 6411 because although the Applicant indicated that their intent was to allow repair of luxury cars only, the term “luxury” was subjective and could not be codified. The Planning Commission continued the item to provide time for Staff and the Applicant to reach an agreement on the proposed use. It was then determined that the use could be allowed subject to the following conditions:

- Engine and transmission repair services were excluded.
- All services must be conducted indoors, including the parking of vehicles to be serviced.

The Planning Commission reviewed the amended item at its September 25, 2025 meeting and forwarded a unanimous recommendation of approval.

Council Member Rogers asked if there would be any restrictions on proposed Uses 2300, 2510, and 2520 to ensure a certain percentage of the space was used for retail versus manufacturing. Director Cardenas stated that a retail component would be required, but more than 50% of the building must be occupied for the permitted use. However, the manufacturing use was restricted to assembly only. Council Member Rogers asked if Staff had considered allowing manufacturing as a secondary use and requiring that the retail component occupy more than 50%. Director Cardenas clarified that a business with 51% retail and 49% assembly space was already permitted in the GBP Overlay. The Applicant originally proposed manufacturing assembly only, and Staff added the retail requirement.

In response to a question from Council Member Andersen, Director Cardenas clarified that Staff ensures that businesses have a Pleasant Grove sales tax number prior to issuing a business license, but the City does not distinguish between online and onsite sales.

Council Member Rogers reported that he was not a member of the City Council when the GBP Overlay was established but he believed the purpose of the overlay was to establish a healthy mix of uses, drive sales tax, and maintain a uniform look in the City’s main commercial district. He asked if the addition of less retail-focused uses would disrupt the original vision of the overlay. Director Cardenas reported that the City Council had a vision for the entire The Grove Commercial Sales Subdistrict and they later created the GBP Overlay. The proposed changes would only apply to the specific areas where the overlay was established, which include the area south of doTERRA, behind Tesla, and potentially near the newly approved hotel.

Mayor Fugal opened the public hearing.

The Applicant, Marty Beaumont, stated that the location makes it challenging to attract retail-only tenants, but the flex buildings provide an opportunity for a mix between light manufacturing and retail. They did not have specific tenants in mind, but they believed the proposed uses made sense for the area. He believed the proposed restrictions were a good compromise. Manufacturing would be assembly only. Automotive repair would be indoor only. Sewage and refuse companies would be offices only, not warehousing. Other office uses could include warehouse space as long as the office occupies 50% or more of the building. He believes it is a great opportunity for the location, and the flex buildings will bring great tenants to the area.

There were no further comments. The public hearing was closed.

MOTION: Council Member Andersen moved to APPROVE Ordinance 2025-024 to amend City Code Section 10-14-25-2: Permitted, conditional, and accessory uses in the Grove Business Park (GBP) Overlay, by modifying the provisions and requirements for permitted principal uses within the Grove Business Park Overlay, to add a series of multiple new uses or categories to the list of permitted uses within the overlay zone. The applicant, St. John Properties. Council Member LeMone seconded the motion. The motion carried unanimously with Council Members Andersen, Jensen, Rogers, LeMone, and Williams voting “Yes.”

C. Public Hearing to Consider for Adoption of an Ordinance (2025-025) to Amend Title 8 “Utilities” Chapter 6 “Stormwater” Subsection 5 “Conveyance and Discharge of Stormwater” and Subsection 8-6-8 “Land Disturbance Permit Process” and Title 11-7-8 “Site Plan Requirements for Permitted and Conditional Uses” Subsection F(2) Adding a Specific Method for Storm Drainage Calculations and providing for an effective date. Presenter: Director Winterton.

Public Works Director, Neal Winterton, reported that the State of Utah Division of Water Quality performed an audit on the Pleasant Grove City stormwater program in November 2024. Approximately 84 problem items were identified, and the ordinance represented the first in a series of changes that would address those issues. The language was first submitted to the State to ensure that it would meet their requirements to specify permitted discharges, address online permitting requirements, and describe the engineering method used to calculate site runoff. Director Winterton thanked Baylor Hatch and other staff members for their time and effort in addressing the issues.

In response to a question raised by Council Member LeMone, Director Winterton reported that this was the first stormwater audit the City had received. The State began performing audits approximately 10 years ago. The audit primarily identified issues Staff was aware of, and some issues were addressed prior to and in anticipation of the audit. Other municipalities received heavy fines, and Pleasant Grove’s program was highlighted as doing very well in some areas.

Council Member Rogers asked if the City had liability in the event of a lapsed State permit or if steps had been taken to ensure developer compliance. Director Winterton clarified that the City is responsible for enforcing all ordinances. In response to a follow-up question from Council

Member Rogers, it was noted that any formatting issues would be addressed when the ordinance was codified.

Director Winterton stated that the department had made changes to manuals and procedures in response to the audit, but the required code changes were minimal. A second amended ordinance would come before the City Council at a future meeting, and then all items would be completed.

Council Member Andersen asked about the 100-year storm. Director Winterton clarified that the storm cell was over Salt Lake City and Toole, not Pleasant Grove. The City's stormwater system performed well, with no known flooding.

Mayor Fugal opened the public hearing.

Marty Beaumont congratulated the Public Works Department on their efforts with the stormwater system and in meeting the State's requirements.

Mayor Fugal thanked Director Winterton and his staff for everything they do for the City.

There were no further comments. The public hearing was closed.

MOTION: Council Member Jensen moved to APPROVE Ordinance 2025-025 to amend Title 8 "Utilities" Chapter 6 "Stormwater" Subsection 5 "Conveyance and Discharge of Stormwater" and Subsection 8-6-8 "Land Disturbance Permit Process" and Title 11-7-8 "Site Plan Requirements for Permitted and Conditional Uses" Subsection F(2) adding a specific method for storm drainage calculations and providing for an effective date. Council Member LeMone seconded the motion. The motion carried unanimously with Council Members Andersen, Jensen, Rogers, LeMone, and Williams voting "Yes."

10) ACTION ITEMS READY FOR VOTE

A. None Scheduled.

11) ITEMS FOR DISCUSSION

A. Continued Items from the Work Session, if Needed.

12) REVIEW AND DISCUSSION OF THE OCTOBER 21, 2025, CITY COUNCIL MEETING.

13) MAYOR AND COUNCIL BUSINESS.

Administrator Darrington reported that he spoke with citizens after the Open Session and would share their comments at the meeting with Lincoln Academy. The residents were not angry and did not blame the City; they just wanted to find a solution. He would update the City Council after the meeting. Mayor Fugal thanked Administrator Darrington and other Directors for their continued work on the matter.

Council Member Andersen stated that the City Council was saddened by the situation and did not want it to happen again. Citizen safety is a priority.

Council Member Rogers stated that the City had experienced two tragedies in short succession. It is a unique privilege to sit on the City Council because it connects him to the community in a way he did not expect. The tragedies affected him personally. He appreciated that it was a difficult time for the community, and the Council wanted to do what it could to help ensure their safety.

14) SIGNING OF PLATS.

No plats were signed.

15) REVIEW CALENDAR.

16) ADJOURN

ACTION: At 7:01 p.m., Council Member Williams moved to ADJOURN the City Council Meeting. Council Member Rogers seconded the motion. The motion carried unanimously with Council Members Andersen, Jensen, LeMone, Rogers, and Williams voting “Yes.”

The City Council Minutes of October 7, 2025, were approved by the City Council on November 18, 2025.

- *** BID AND WORK CONTRACT ***

In consideration of the mutual promises set forth herein, Staker Paving and Construction Company, Inc., with principal offices located at 89 West 13490 South, Draper, Utah (hereinafter referred to as "Staker") and the undersigned, whose full name and address appear above, (hereinafter referred to as "Buyer") hereby agree as follows:

1. DESCRIPTION OF WORK*: Staker will furnish the described materials to the job site designated above and provide the described labor(the material and the labor collectively hereinafter referred to as "the work"); *To the extent the described work is detailed in Plans and Specifications, such must be provided to Staker before the contract is negotiated. Any changes to the original Plans and Specifications used to prepare this contract may necessitate a change in the contract price and Buyer hereby agrees to execute all necessary change orders outlining the changed work and prices as submitted by Staker.
2. CONTRACT PRICE: To the extent that the above is specified as a unit or square foot price, it is agreed that the number of units or square feet indicated is an approximation. Staker shall be paid for the actual number of units or square feet completed as determined by field measurement.
3. TERMS OF PAYMENT: Buyer shall pay Staker in full at Staker's office in Salt Lake within fifteen (15) days following the date of Staker's invoices, without retention regardless of the final completion date of the work. In the event that payment is not made to Staker as provided herein, Staker shall be entitled to all of its costs, including attorney's fees and lien fees, in connection with the enforcement of its rights under this contract, whether or not legal proceedings are instituted. In addition, Staker shall be entitled to interest on all past due accounts under this contract, which interest shall accrue at the rate of 18% per annum (1 1/2.% per month) from the date payment is due until payment is received by Staker, whether before or after judgment.
4. CLAIMS OR DEFECTS: Written notice of any alleged claim or defect must be given to Staker at its address shown above not later than five (5) days after the completion of the work under this contract by Staker. Failure to give written notice as herein provided shall be and constitute a waiver of any such alleged defects or claims. Staker's sole and exclusive liability shall be to repair, replace or upon mutual agreement to credit Buyer's account for defective material. If repair or replacement is made, Staker shall have a reasonable time to make such repair or replacement.

- IN NO EVENT SHALL STAKER BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR ANY BREACH HEREOF, INCLUDING BUT NOT LIMITED TO, LOSS OF GOODWILL, LOSS OF PROFITS OR USE.
- 5. PROSECUTION OF WORK: It is contemplated by the parties that the work specified in this contract shall be completed by this date: REGULAR ASPHALT PAVING SEASON 2025. At its option, Staker may decline to perform any part of the work which, through no fault of Staker, is to be completed beyond this date. In addition, Staker shall not be responsible for any delays in performing the work due to labor disputes, weather, shortages in material, equipment or labor, acts of God or any other cause beyond its control. In the event of a delay beyond Staker's control, and to the extent reasonably possible, Staker shall complete the work at the next available opportunity. In the event Staker elects not to perform any further work beyond the above specified date pursuant to the terms provided herein, Staker shall be paid for all work performed prior to the said date and shall otherwise be fully relieved of all of its duties and responsibilities under the terms of this contract.
- 6. PROPERTY DAMAGE: Buyer shall be responsible to direct Staker employees as to proper ingress and egress of the property. To the extent that such direction is followed or that no direction is given, Staker shall not be responsible for any damage to the property where the work is being performed, including damage to curbs, gutters and sidewalks.
- 7. MISCELLANEOUS PROVISIONS:
 - A. No cost for bonds, permits, licenses, fees, testing, engineering, traffic control, saw cutting, sterilant, striping or prime coat are included in this contract unless specifically indicated in the description of work.
 - B. Buyer specifically represents and warrants that either Buyer is the owner of the Premises where the work is to be performed, or, in the alternative, Buyer has written authorization from the owner of the Premises authorizing the work to be performed on the said Premises.
 - C. Staker assumes no risk for non-disclosed or unforeseen conditions of the project site, including but not limited to, hazardous waste, soft subgrade or water table problems.
 - D. This contract is the entire agreement of the parties and no changes or additions to this contract shall be made except in writing signed by both parties.
 - E. This contract shall be construed in accordance with the laws of the State of Utah.
 - F. This contract shall be binding on the heirs, successors or assigns of the parties hereto.
 - G. THIS CONTRACT IS NOT BINDING UNTIL APPROVED BY STAKER'S CREDIT DEPARTMENT. Buyer agrees to furnish a completed Credit Application to Staker prior to or at the execution of this contract.
- FUEL SURCHARGE: Due to unstable energy prices, this contract is subject to a fuel surcharge per ton for all materials included in the contract. Buyer agrees, increases or decreases to fuel costs above or below the listed Bench Mark Price, as stated in this proposal, is cause for adjustment to the contract. For each \$0.15 per gallon increase/decrease(increment), to the listed bench mark price for diesel fuel, a per ton surcharge will be added to all contract required material as listed below:

AGGREGATES: \$0.13 per ton, for each \$0.15 increment
 ASPHALT: \$0.32 per ton, for each \$0.15 increment.

The Bench Mark Price is based on the average retail price of No. 2 Diesel Fuel listed at http://tonto.eia.doe.gov/oog/info/wohdp/printer_friendly_version.asp Rocky Mountain Region (PADD 4).
 This contract includes tons of aggregates and tons of asphalt.

- THE PRICE OF ASPHALT IS BASED ON UDOT'S OIL INDEX ON THE DATE OF BID. IN THE EVENT OF A PRICE INCREASE, THE CUSTOMER WILL ASSUME ADDITIONAL ASPHALT AND FUEL COSTS AS PART OF THE CONTRACT.

ACCEPTED:

The above prices, specifications and conditions are satisfactory and are hereby accepted.
