# MEMORANDUM

---

**To:** Paul Larsen, Land Use Authority

**From:** Mark Bradley, City Planner

**Subject:** Rivers Edge Estates (name change to Westland Commercial) Subdivision No-Dedication Combined Preliminary/Final Plat (Application #25-091)

**Date:** November 19, 2025

---

**Land Use Authority Meeting:**  
November 24, 2025

**Planning Commission Recommendation:**

On November 18, 2024, the Planning Commission considered the No-Dedication Combined Preliminary/Final Plat Application and recommended approval (5-0 vote) to the City Land Use Authority (Director), Paul Larsen, where no additional road dedication is required; noting the name change, protection strip resolution as presented and discussed, that sidewalk will be completed on all three lots, and that the staff review comments are being addressed, based on Staff Comments, Recommendations, Stipulations, and the noted Findings of Fact as referenced in the Staff Evaluation.

**Land Use Authority Consideration:**

Approval of this subdivision should consider the Planning Commission recommendation and be subject to:

- A. The submitted updated plat by Hansen & Associates receives a final review by Staff DRT and County Recorder's Office/GIS prior to printing the mylar, and
- B. City to prepare release of Agreement for the two protection strip agreements.
- C. City Attorney review and approval.

*Note: An escrow agreement is not required for this application.*

**Attachment:**

- 1. Staff Evaluation dated November 13, 2025 (includes multiple attachments)
- 2. Response to Review Comments
- 3. Updated Plat for Review

**NATURE OF REQUEST:**

No-Dedication Subdivision (Combined Preliminary/Final Plat) – Rivers Edge Estates

**OVERVIEW:**

The proposed division of land is in preparation for the new Taco Bell site on Lot 1 and to clean up the remainder portion with two usable commercial lots. The existing properties are currently divided by an angled property line. There are two protection strip agreements that run along the south right-of-way line that will need to be addressed and cleaned up with this plat.

It is recommended that we place a note on the plat that requires at time of development that utilities are stubbed to the lot. This provides the flexibility of the location, especially with commercial development. The following is language we have previously used:

*All utility service laterals, including water, sewer and power are to be installed at the time of issuance of the building permit and in accordance with the current edition of the Brigham City Public Works Standards. Payment for the installation of the utilities, impact fees and connection fees are the responsibility of the property owner.*

**STAFF COMMENTS:**

**Box Elder County Recorder's Office/GIS:**

1. A Rivers Edge Subdivision already exists in Tremonton. The plat name is not unique.
2. Our records show the W/4 corner as a brass cap monument not a R.R spike monument.
3. May want to review the address for Lot 1. It seems really close to the west adjacent lot address.
4. Will be getting with Brigham City to further review the protection strips.
5. See attached plat redlines.

**Community and Economic Development Department:**

1. Plat Name. Revise subdivision plat name where it conflicts with a name in Tremonton (see County Recorder's Office/GIS comments).
2. Protection Strips. Our office is researching the protection strips, which are to be cleaned up and addressed with this plat with full road dedicated to the City. Will be coordinating with the Box Elder County Recorder's Office and City Attorney.

Agreements were recorded with both the Georgia Estates Subdivision and Brigham Greens Subdivision. The following is information on

A. Georgia Estates Subdivision section. It appears this strip has been cleaned up and resolved.

- (i) Agreement recorded April 22, 1994.
- (ii) The 1.0' protection strip was deeded to Brigham City Corporation on August 31, 1995.
- (iii) The Amendment to Georgia Estates Subdivision No. 3 recorded on December 19, 1997 provided the full road dedication.

B. Brittany Greens Subdivision section.

- (i) Agreement recorded October 16, 1998. States "Brigham City Corporation shall retain ownership of the described 346.18 feet long and one foot wide land next to adjacent land and within the street right-of-way known as Westland Drive within Brittany Greens Subdivision ..."
- (ii) Brittany Greens Subdivision recorded November 16, 1998. Note on plat states "1.0' Protection Strip Brittany Greens Associates, L.C."
- (iii) The agreement was set up for the developer to receive payment (reimbursement) "of a fair share of the cost of improvements for utilities, sewer, sub-surface drain, gutter, sidewalk, street construction and paving but not to include the cost of water, sewer, and sub-surface laterals" if development occurred on the adjacent property within the 20-year period. Upon expiration of the 20-year period, the developer "Brittany Greens Associates, L.C. shall forthwith release their claim for reimbursement."

- 3. Road Dedication. Full road dedication should take place with this plat.
- 4. Easements. Please change the north, west, and south 10' PUE to 15' PUE.
- 5. Approval and Acceptance Block. Due to the clean-up with the protection strip and road dedication, please update. Replace Brigham "Land Use Authority" with "City Council" and replaced By: "Land Use Authority" with "Mayor".
- 6. Addresses. Please update addresses to:

|       |          |
|-------|----------|
| Lot 1 | 481 West |
| Lot 2 | 473 West |
| Lot 3 | 465 West |

- 7. Legend and Line Types.
  - A. The "Previous Property Line" type does not match shown line.
  - B. The south PUE line type does not match the other easements line type.
  - C. Remove not applicable items (e.g. Fence Line)
  - D. Include Fire Hydrant.
- 8. Utilities.
  - A. Fire Hydrant. There is an existing hydrant located behind the curb on the north side of Lot 1. Verify location and show.
  - B. Can remove the sewer line and other angled dashed lines going through Brittay Greens Subdivision.
  - C. Support a note on the plat to address timing of installation of utility laterals to each lot.
- 9. Sidewalk Improvements. We recommend sidewalk be installed along the three lots with the development of the first lot to provide a safer pedestrian route and connection to the services.
- 10. Notes.
  - A. Update Note 1. Replace 10.00 foot wide with 15.00 foot wide.

- B. Include note #3. *All utility service laterals, including water, sewer and power are to be installed at the time of issuance of the building permit and in accordance with the current edition of the Brigham City Public Works Standards. Payment for the installation of the utilities, impact fees and connection fees are the responsibility of the property owner.*

**Engineering Department:**

1. We recommend that the sidewalk be installed now with the development of Taco Bell to ensure safe pedestrian access to the restaurant prior to the development of the neighboring lots. Other improvements (culinary water, secondary water, sewer, storm drain, streetlight, and driveway access) could be completed by each lot as they are developed.
2. The Public Utility Easement (PUE) needs to be 15 feet on the north and west property edges.
3. Please match the Dutch Brothers easement width on the south edge of the property.
4. The sewer mainline on the east has been abandoned. Please coordinate with Public Works on the vacation of the pipeline easement.
5. Please add a bearing to the property lines on the East and West sides of Lot 2.

**Fire Department:**

1. No concerns as of now.

**GIS Division:**

1. Please add the distance for the Basis of Bearing, I am seeing the bearing of S 00°06'01" W, but I am not finding a distance in either the Narrative nor labeled on the plat.

**Police Department:**

1. No comments

**Public Power Department:**

1. Need 15 ft. easement on west side of property between proposed Taco Bell and Dutch Bros.
2. Need 15 ft. easement on south side of property to maintain access to overhead lines.
3. Property will need street lighting installed on Westland Drive.

**Public Works Department:**

**(Culinary Water, Street, and Wastewater Treatment/ Storm Drain Divisions)**

1. Old sewer easement on lot 2 can be vacated to make lot 2 more usable.
2. Maintain Storm Drain easement on east side of lot 3.
3. Engineer to verify if street striping plan is needed to accommodate safe traffic movements.
4. Public Works Supports application.

---

**PLANNING COMMISSION RESPONSIBILITY:**

1. The Planning Commission is the recommending body for this application and will need to forward a recommendation to the City Council.
2. The Planning Commission may recommend approval as is, approval with stipulations, denial, or request additional information in order to help make a recommendation.

**STAFF RECOMMENDATIONS:**

1. Support the proposed subdivision subject to addressing the staff comments, including cleaning-up the protection strips, and providing full road dedication.

**STIPULATIONS:**

1. Update the plat to address the review comments and submit for next review.

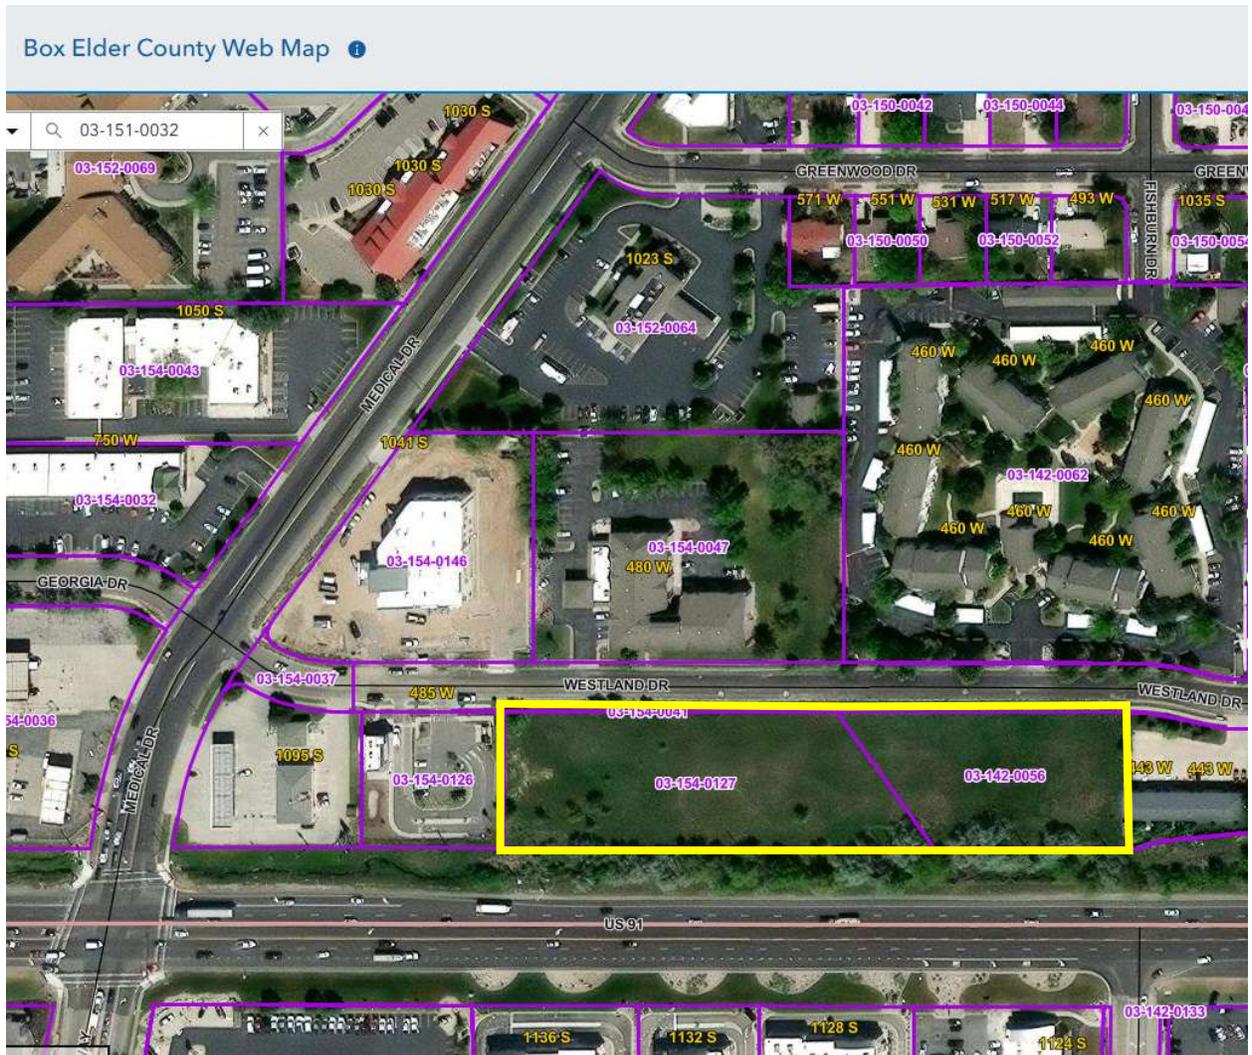

**FINDINGS OF FACT:**

1. The subject properties are zoned GC (General Commercial) District.
  2. There are currently two parcels under the same ownership being proposed to be subdivided into three commercial lots.
  3. A protection strip was placed along the subject properties with the platting and development of the Georgia Estates Subdivision and Brittany Greens Subdivision.
  4. An agreement was recorded for each protection strip with a 20-year period from the date of the agreement. The 20-year period has expired.
  5. Brigham City desires the protection strip to be cleaned up and show full road dedication with this subdivision plat.

2. Protection Strips. Our office is researching the protection strips, which are to be cleaned up and addressed with this plat with full road dedicated to the City. Will be coordinating with the Box Elder County Recorder's Office and City Attorney.

Agreements were recorded with both the Georgia Estates Subdivision and Brigham Greens Subdivision. The following is information on

A. Georgia Estates Subdivision section. It appears this strip has been cleaned up and resolved.

- (i) Agreement recorded April 22, 1994.
- (ii) The 1.0' protection strip was deeded to Brigham City Corporation on August 31, 1995.
- (iii) The Amendment to Georgia Estates Subdivision No. 3 recorded on December 19, 1997 provided the full road dedication.

B. Brittany Greens Subdivision section.

- (i) Agreement recorded October 16, 1998. States "Brigham City Corporation shall retain ownership of the described 346.18 feet long and one foot wide land next to adjacent land and within the street right-of-way known as Westland Drive within Brittany Greens Subdivision ..."
- (ii) Brittany Greens Subdivision recorded November 16, 1998. Note on plat states "1.0' Protection Strip Brittany Greens Associates, L.C."
- (iii) The agreement was set up for the developer to receive payment (reimbursement) "of a fair share of the cost of improvements for utilities, sewer, sub-surface drain, gutter, sidewalk, street construction and paving but not to include the cost of water, sewer, and sub-surface laterals" if development occurred on the adjacent property within the 20-year period. Upon expiration of the 20-year period, the developer "Brittany Greens Associates, L.C. shall forthwith release their claim for reimbursement."

- 3. Road Dedication. Full road dedication should take place with this plat. **UPDATED PER MARK BRADLEYS NOV. 14 EMAIL.**
- 4. Easements. Please change the north, west, and south 10' PUE to 15' PUE. **UPDATED**
- 5. Approval and Acceptance Block. Due to the clean-up with the protection strip and road dedication, please update. Replace Brigham "Land Use Authority" with "City Council" and replaced By: "Land Use Authority" with "Mayor". **UPDATED**
- 6. Addresses. Please update addresses to: **UPDATED**

  - C. Support a note on the plat to address timing of installation of utility laterals to each lot. **ADDED**
- 9. Sidewalk Improvements. We recommend sidewalk be installed along the three lots with the development of the first lot to provide a safer pedestrian route and connection to the services. **ADDED SIDEWALK ACROSS ALL 3 LOTS.**

10. Notes.

- A. Update Note 1. Replace 10.00 foot wide with 15.00 foot wide.
- B. Include note #3. *All utility service laterals, including water, sewer and power are to be installed at the time of issuance of the building permit and in accordance with the current edition of the Brigham City Public Works Standards. Payment for the installation of the utilities, impact fees and connection fees are the responsibility of the property owner. **NOTE ADDED***

**Engineering Department:**

- 1. We recommend that the sidewalk be installed now with the development of Taco Bell to ensure safe pedestrian access to the restaurant prior to the development of the neighboring lots. Other improvements (culinary water, secondary water, sewer, storm drain, streetlight, and driveway access) could be completed by each lot as they are developed. **SIDEWALK SHOWN ACROSS ALL 3 LOTS.**
- 2. The Public Utility Easement (PUE) needs to be 15 feet on the north and west property edges. **UPDATED**
- 3. Please match the Dutch Brothers easement width on the south edge of the property. **UPDATED**
- 4. The sewer mainline on the east has been abandoned. Please coordinate with Public Works on the vacation of the pipeline easement. **UPDATED**
- 5. Please add a bearing to the property lines on the East and West sides of Lot 2. **UPDATED**

**Fire Department:**

- 1. No concerns as of now.

**GIS Division:**

- 1. Please add the distance for the Basis of Bearing, I am seeing the bearing of S 00°06'01" W, but I am not finding a distance in either the Narrative nor labeled on the plat. **UPDATED**

**Police Department:**

- 1. No comments

**Public Power Department:**

- 1. Need 15 ft. easement on west side of property between proposed Taco Bell and Dutch Bros. **UPDATED**
- 2. Need 15 ft. easement on south side of property to maintain access to overhead lines. **UPDATED**
- 3. Property will need street lighting installed on Westland Drive. **NEED SUGGESTED LOCATIONS.**

**Public Works Department:**

**(Culinary Water, Street, and Wastewater Treatment/ Storm Drain Divisions)**

- 1. Old sewer easement on lot 2 can be vacated to make lot 2 more usable. **SEWER EASEMENT HAS BEEN VACATED.**
- 2. Maintain Storm Drain easement on east side of lot 3.
- 3. Engineer to verify if street striping plan is needed to accommodate safe traffic movements.
- 4. Public Works Supports application.

---

**PLANNING COMMISSION RESPONSIBILITY:**

1. The Planning Commission is the recommending body for this application and will need to forward a recommendation to the City Council.
2. The Planning Commission may recommend approval as is, approval with stipulations, denial, or request additional information in order to help make a recommendation.

**STAFF RECOMMENDATIONS:**

1. Support the proposed subdivision subject to addressing the staff comments, including cleaning-up the protection strips, and providing full road dedication.

**STIPULATIONS:**

1. Update the plat to address the review comments and submit for next review.

**FINDINGS OF FACT:**

1. The subject properties are zoned GC (General Commercial) District.
  2. There are currently two parcels under the same ownership being proposed to be subdivided into three commercial lots.
  3. A protection strip was placed along the subject properties with the platting and development of the Georgia Estates Subdivision and Brittany Greens Subdivision.
  4. An agreement was recorded for each protection strip with a 20-year period from the date of the agreement. The 20-year period has expired.
  5. Brigham City desires the protection strip to be cleaned up and show full road dedication with this subdivision plat.
