Policy 1001

Public Comment

1. Patrons who wish to address the Board shall sign up prior to the meeting beginning at 5pm. This opportunity is reserved for patrons living within the Aspen Peaks School District boundary. Individuals living outside of APSD can submit written comments to the Board of Education at <https://forms.gle/KWeUgSe4PFWhRowE6>.

2. There is time on the agenda to allow for up to 30 minutes for public comment. Ten patrons will be given a maximum of three minutes each to address the Board. If additional time remains after those first ten individuals have spoken, and there are additional patrons signed up on the list, the Board will follow the order that patrons signed up until the 30 minutes allocated to public comment expire.

3. Speakers should introduce themselves by stating their first and last name and their city of residence.

4. The Board does not engage in a discussion during the public comments, but may arrange a follow-up time for the patron(s) to speak with a board member or staff. Open and public meeting laws prevent open discussion of topics that have not been properly noticed, but we can receive most comments from the public with the following constraint - personnel issues are not appropriate discussion items for an open-meeting environment. If you have a personnel concern, we ask that you contact a member of the administration or put your concern in writing and address it to the Board of Education.

6. The Aspen Peaks School District is a legislative body, and as such it functions under the same operational rule as other similar bodies, such as the State Legislature. Public input during its formal meetings helps the Board to ascertain public attitudes and interests. It is not a forum for open discussion or debate between the board and patrons.
