

Report of Public Hearing

Davis County Board of Health Regulation

Proposed Changes to the Public Pool Regulation

Dr. Gary Alexander, Hearing Officer

Pursuant to Utah Code Annotated 26A-1-121(1), the Davis County Board of Health held a public hearing on August 28, 2025, to receive public comments concerning proposed changes to the existing **Public Pool Regulation**.

The current **Public Pool Regulation** adopts Utah Administrative Code R392-302 Design, Construction and Operation of Public Pools, dictates permitting information, and sets fees pertaining to the regulation of public pools. The proposed changes to the regulation include:

- Adding a site review requirement.
- Adding construction inspection requirements.
- Adding language to require engineer approval if an existing structure may be unsafe (i.e. platforms or staircases supporting waterslides).
- Updating the late fee section to be consistent with other regulations that allow for seasonal permits.
- Updating the fee schedule.
 - Changes to the fees schedule include the addition of a site review fee, change of ownership fee, and non-compliance fee as well as removing the hydrotherapy pool permit fee.

Copies of the proposed regulation were made available to the public on the Department's website and the Environmental Health Division office located at 22 South State, Clearfield, Utah. Notice of this meeting has been publicly posted on the Davis County Health Department Website, Utah Public Notice Website, Davis County Administration building, and the Davis County Health Department building, on August 15, 2025 through August 28, 2025. Notice was also given on the Department's website and the State of Utah's public notice website.
