PRODUCTION FACILITY APPLICATION

UTAH DEPARTMENT OF AGRICULTURE AND FOOD

 Application Type
 Cultivation Renewal

General Information

The Application submitted by a Cannabis Production Establishment and approved by the Establishment Board will be considered the business's operation plan. UDAF Inspectors will use the operation plan for regulatory purposes. Ensure all information is complete, current, and accurate.

The information provided by the applicant for a Medical Cannabis Production Establishment must fit within the following Guidelines:

Information provided must be clear and concise; do not repeat information

Ensure each section speaks to the requested information and appear in the same order as application

Application Date 11/06/2025

Legal Status

The 2023 renewal document must be submitted to the Utah Department of Agriculture and Food by . A cannabis cultivation facility shall submit a notice of intent to renew the cannabis cultivation facility license each November based on the deadline date determined by UDAF and as approved each year by the Cannabis Production Establishment Licensing Board. The application submitted to the Department will be considered the notice of intent to renew specified in R66-1-15. A UDAF Establishment Approval Board Meeting will be held in mid-December to officially approve or request changes to the business plans submitted. To renew an Establishment License Application, an approved Medical Cannabis Establishment must submit the \$100,000 annual licensing fee by December 31st.

If the licensing fee and intent to renew are not submitted by December 31st, the licensee shall not continue to operate.

A cannabis cultivation license allows the licensee to propagate, cultivate, harvest, trim, dry, cure, and package cannabis for wholesale or transfer to a cannabis production facility. The licensed facility may produce and sell cannabis plants, seeds, and plant tissue culture to other licensed Utah cannabis cultivation facilities.

Prior to approving an application, the department may contact any applicant and request additional supporting documentation or information. The department may conduct face-to-face interviews with an applicant if needed.

The department shallinspect the premises to determine if the applicant complies with state laws, administrative rules, and best practice standards.
