**Subject:**

**Agenda item type:**

Action Item

**Recommended Action:****Purpose of Memo:**

Requested by 3 or more members of the board

**Background:**

Boardmembers Boggess, Green, and Longacre submitted a request to review the UPPAC definitions, Educator standards, and UPPAC presumptions. They propose amending R277-210 to include all the definitions and the bulk of what is contained in R277-215 and R277-217. R277-215 would be repealed under their proposal and R277-217 would be amended to simply set forth LEA and educator reporting requirements. R277-211 would be updated to expand the approved outcomes for an expedited hearing.
