

# MAGNA MOSQUITO ABATEMENT DISTRICT

## MANAGERS FIELD REPORT

DECEMBER 3, 2025

In the past few weeks, Janae and I have been getting the 2025 finances for Magna Mosquito organized as well as preparing the 2026 budget. We posted the 2026 tentative budget at the Kearns Library, the Magna Library and West Valley City Hall. We also posted it on our website and on the Utah Public Notice website.

Janae is becoming acclimated to her role and honestly, she has fit in seamlessly. I am extremely grateful for your help in hiring her because I could not be happier with her here.

I have continued getting things cleaned up and winterized. I have been changing oil, rotating tires, and looking into new drone possibilities.

November is always my favorite month, and I hope you all had a wonderful Thanksgiving. Thank you!
