

### ***Memorandum***

**To:** Mayor Bruno and Town Council members  
**From:** Robin Romero, Town Clerk  
**Date:** December 10, 2025  
**Re:** **Blanket local consent requests for 2026**

---

### ***Overview***

Annually, the Town Council has considered blanket approval for single-event permits for a few local area businesses. This advanced approval streamlines the process for these businesses when they apply for single-event permits with the Department of Alcohol and Beverage Services (DABS).

In 2022, the DABS increased the maximum number of allowable single-event permits per business per year from 12 to 24. The Town Council has been asked to grant blanket consent in 2026 for the following businesses:

- Bit & Spur Assoc., Inc. (Local Consent for 24 Single Event Permits requested)
- Spotted Dog Café, Inc. (Local Consent for 10 Single Event Permits requested)
- Zion Brewery, LLC (Local Consent for 6 Single Event Permits requested)
