*Commissioner Rockwell:* The following rules were published in the Utah State Bulletin October 1<sup>st</sup>, 2025 and the public comment period ended on October 31<sup>st</sup>, 2025. We did not receive any public comments on these rules.

- I. R861-1A-26: Procedures for Formal Adjudicative Proceedings Pursuant to Utah Code Ann. Sections 59-1-501 and 63G-4-204 through 63G-4-209. Section R861-1A-26 details the procedure of a commission appeal, including the use of electronic and in-person proceedings and continuances. The rule amendment changes an appeal's default from an in-person proceeding to an electronic proceeding, but provides that a party may request an in-person hearing at the time of filing a petition, two weeks before a hearing, or, for an expedited hearing, three business days before the hearing. A presiding officer also has discretion to waive an in-person hearing request deadline for good cause. With regard to continuances, the rule amendment removes the limitation on the number of continuances allowed in an appeal, requiring instead that a continuance must be approved by at least one commissioner when an administrative law judge presides over the appeal. Additionally, the rule amendment specifies that a party may be subject to default if party requests a continuance that is denied and the party fails to participate in the originally scheduled proceeding.

MOTION: Commissioner Rockwell moved to adopt the amendments to R861-1A-26: Procedures for Formal Adjudicative Proceedings Pursuant to Utah Code Ann. Sections 59-1-501 and 63G-4-204 through 63G-4-209.

Commissioner Valentine took a roll call vote and the motion passed unanimously

- II. R861-1A-34: Private Letter Rulings Pursuant to Utah Code Ann. Section 59-1-210. Section R861-1A-34 outlines the proper use of a private letter ruling issued by the commission. The rule amendment removes the ability of a party to resubmit the same private letter ruling request after a ruling on that request. The amendment also rewrites the language of the rule section to emphasize that a party must address a justiciable controversy that arises from a private letter ruling through the appeals process. For any other challenge to a private letter ruling, the amendment outlines the correct process as submitting a petition for a declaratory order, outside of the appeals process, within 30 days. Such a petition must be heard by at least one commissioner with any applicable division appearing as an interested party.

MOTION: Commissioner Rockwell moved to adopt the amendments to R861-1A-34: Private Letter Rulings Pursuant to Utah Code Ann. Section 59-1-210.

Commissioner Valentine took a roll call vote and the motion passed unanimously

- III. R884-24P-19, Appraiser Designation Program Pursuant to Utah Code Ann. Sections 59-2-701 and 59-2-702. Last session, the Legislature passed 2025 S.B. 202, Property Tax Revisions, sponsored by Senator Chris Wilson. The bill requires that the commission confer a designation of completion on a hearing officer that completes a statutorily required hearing officer education and training program. The bill also requires the commission to develop and administer an education and training program for county officers who are statutorily required to participate in a county board of equalization, and confer a designation of completion upon a participant's completion. Section R884-24P-19 currently contains the requirements for the appraisal personnel education and training program at the commission. The rule amendment adds two new designations to this section to fulfill the new statutory requirements described above: a hearing officer designation and a county property tax designation for county officers and related staff who are involved with property valuation. It also creates a greenbelt specialist designation to train individuals who value greenbelt property. For each of the new designations, the rule amendment specifies the courses and related requirements necessary to obtain and maintain the designation.

MOTION: Commissioner Rockwell moved to adopt the amendments to R884-24P-19, Appraiser Designation Program Pursuant to Utah Code Ann. Sections 59-2-701 and 59-2-702.

Commissioner Valentine took a roll call vote and the motion passed unanimously

- IV. R884-24P-33, 2026 Personal Property Valuation Guides and Schedules Pursuant to Utah Code Ann. Section 59-2-107 authorizes the State Tax Commission to make rules that define classes of items considered to be personal property and provide valuation percent good schedules to value personal property. County assessors must use the percent good schedules as contained in this rule. Any deviation that affects an entire class or type of personal property requires a written report documenting the

schedule change to be submitted to the Tax Commission for approval prior to use. This proposed rule amendment modifies the percent good tables for the 2026 calendar year.

MOTION: Commissioner Rockwell moved to adopt the amendments to R884-24P-33, 2026 Personal Property Valuation Guides and Schedules Pursuant to Utah Code Ann. Section 59-2-107

Commissioner Valentine took a roll call vote and the motion passed unanimously

- V. R884-24P-53, 2026 Guides for Valuation of Land Subject to the Farmland Assessment Act Pursuant to Utah Code Ann. Section 59-2-515 authorizes the State Tax Commission to make rules necessary to effectuate the Farmland Assessment Act. Section 59-2-514 creates the State Farmland Advisory Committee and requires a person appointed by the Commission to serve as chair. Commissioner Fresques currently serves as chair of this committee. This committee reviews classifications of land in agricultural use in the various areas of the state and recommends a range of values for each of the classifications based upon productive capabilities of the land when devoted to agricultural use. The recommendations are then submitted to the Commission for approval and publication in rule. This proposed rule represents the committee's recommendations.

MOTION: Commissioner Rockwell moved to adopt the amendments to R884-24P-53, 2026 Guides for Valuation of Land Subject to the Farmland Assessment Act Pursuant to Utah Code Ann. Section 59-2-515

Commissioner Valentine took a roll call vote and the motion passed unanimously

- VII. Consider County Board of Equalization requests for the extension of the time period for a county board of equalization to make a decision on an appeals *[action item]*

*Commissioner Deeds:* The Commission received a written request from the Summit County Board of Equalization, Morgan County Board of Equalization, Tooele County Board of Equalization, Utah County Board of Equalization, and Weber County Board of Equalization to extend the time period set by Utah Code Ann. §59-2-1004(7)(c) to make a decision on appeals received by the application deadline set by Utah Code Ann. §59-2-1004(3)(a). The Boards explained that they are unable to process within 60 days following the board's receipt of the taxpayer's application due to the large number of 2025 appeals filed. The Counties asked the Commission to extend the time period for making a decision on appeals they received by September 15, 2023 to:

Summit County – January 31<sup>st</sup>, 2026  
Morgan County – December 15<sup>th</sup>, 2025

Tooele County – December 15<sup>th</sup>, 2025  
Utah County – March 15<sup>th</sup>, 2026  
Weber County – December 31<sup>st</sup>, 2025
