BACKGROUND INFORMATION

The Summit County Housing Authority (SCHA) Strategic Plan has been drafted in accordance with Strategic Plan 2035 and the Utah Housing Strategic Plan and with direction from the SCHA Board of Commissioners.

Given that elements of the Utah Housing Strategic Plan are likely to become more clear during the 2026 legislative session, staff recommends that the SCHA Board votes to preliminarily accept the drafted version of the SCHA Strategic Plan. The Board will revisit formal adoption following the 2026 legislative session.
