A. Minute Approval

B.1. September Minutes: Approved, Jason Y. made a motion to approve, Elizabeth. seconded. None opposed.

C. New Business:

C.1. Current FY25/26 Arts Council budget review- Tiffany went over where we are in the current FY budget. We talked about where we could cut back and where we had room for other programs and activities when we set the FY26/27 budget.

C.2. Plan FY26/27 Arts Council Budget- Artist on Display keep as is. Public Art, keep budget amount but we are cutting out the crosswalks on Towne Center. Keep ice carver, storyteller, and pumpkin carver as is. Keep Art Show as is. Keep Utility box budget as is, plan to do two new and one replacement each year. Keep gingerbread class and contest as is. Quilt Show move from \$1,000 to \$500 now that we do not need new quilt frames. Keep Dueling Pianos as is. Plein Air, move from \$2,000 to \$1,500 because we do not need as much to run it. Keep Art Swap as is. ArtVenture keep the budget as is, but change how we run it to get more engagement. Senior Art Show and Parade Candy keep as is. Take off the Art T-shirt contest and use the \$500 in a City Art events line item. Keep online photo contest, but we will be revamping it. We are going to combine the large poster budget of \$1,000 and the Music Poster budget of \$1,000 and use the Summerfest poster for the banner each year. Rather than spending \$2,000 we will spend \$500 on the artist, \$500 on the banner and \$500 on posters and stickers, so we will have \$500 left. We will have \$1,500 extra that we will add that to the misc. line. We also want to look into what it would take to add a small film festival.

D. Misc./Old Business- If you want Theater tickets, please let Tiffany know by next week so we can get them for you.

Meeting Adjourned at 9:00pm Jason Y. approved, Rachel seconded. None opposed.
