What is your motivation for service on the committee?

I love using the 4bay area and would like to give back to my community by helping preserve this area for future generations.

How does your background, training, and experience lend itself to service on the committee?

Relevant background includes being a hiker/trail runner, traveler and previous mtn biker. I have hiked trails all over the state and country. I know how important open space is not only for the residents of an area for both physical and mental health (I have a master's degree in psychology) but also the potential to generate revenue in the areas near great recreation opportunities.

Please list any relevant areas of expertise, education, or training you possess that will be helpful for service.

Expertise: trail use.
Education: master's degree in psychology
