

1 **R156. Commerce, Professional Licensing.**

2 **R156-11a. Cosmetology and Associated Professions Licensing Act Rule.**

3 **R156-11a-101. Title – Authority – Relationship to Rule R156-1.**

4 (1) This rule is known as the “Cosmetology and Associated Professions Licensing Act Rule.”

5 (2) This rule is adopted by the Division under the authority of Subsection 58-1-106(1)(a) to  
6 enable the Division to administer Title 58, Chapter 11a, Cosmetology and Associated Professions  
7 Licensing Act.

8 (3) The organization of this rule and its relationship to Rule R156-1 is as described in Section  
9 R156-1-101.

10  
11 **R156-11a-102. General Definitions.**

12 Terms used in this rule are defined in Title 58, Chapter 1, Division of Professional Licensing Act,  
13 and in Title 58, Chapter 11a, Cosmetology and Associated Professions Licensing Act. In  
14 addition:

15 (1) “Balayage” means the technique of free-hand painting highlights onto the hair, creating a  
16 soft and natural gradation of lightness coloration towards the end.

17 (2) “Brow lamination” or “brow perming” as used in R156-11a-302.13, R156-11a-302.15,  
18 R156-11a-302.18, and R156-11a-302.23, means a semi-permanent treatment that restructures  
19 brow hairs using a chemical solution.

20 (3) “Client services” means services performed by one student or apprentice on one individual  
21 member of the public.

22 (4) “Comedone extractor” as used in Subsections 58-11a-302.11(1)(a), 58-11a-302.13(1)(g), 58-  
23 11a-302.18(1)(a)(xii), and 58-11a-302.23(2)(a) means a small handheld tool used to remove  
24 blackheads and whiteheads from the skin.

25 (5) “Genital area” means the external reproductive organs including the penis, testicles, vulva,  
26 vagina, or clitoris.

27 (6) “Hard wax” means a type of depilatory wax that hardens on the hair and is removed without  
28 the need for fabric strips.

29 (7) “Large area” as used in Subsections R156-11a-302.11, R156-11a-302.13, R156-11a-302.14,  
30 and R156-11a-302.18. means one of the following:

31 (a) full back;

32 (b) full front torso;

33 (c) a full leg; or

34 (d) a full arm.

35 (8) (a) “Limited chemical exfoliation” as used in Subsections R156-11a-302.13, R156-11a-  
36 302.18, and R156-11a-302.23 means a resurfacing procedure performed with the use of chemical  
37 substances, like acids or enzymes, to dissolve dead skin cells and promote cell turnover that does  
38 not exceed the stratum corneum.

39 (b) “Limited chemical exfoliation” does not include the mixing, combining, or layering of skin  
40 exfoliation products or services, but does include:

(i) alpha hydroxy acids of 30% or less, with a pH of not less than 3.0; or  
(ii) salicylic acid of 15% or less.  
(9) "Manipulating" as used in Subsections 58-11a-[102(35)(a),]302.11(1)(a), 58-11a-  
302.13(1)(g), 58-11a-302.18(1)(a)(xii), and 58-11a-302.23(2)(a) means applying a light pressure  
by the hands to the skin.  
(10) "Manual extraction" as used in Subsections R156-302.11, R156-11a-302.13, R156-11a-  
302.14, R156-11a-302.18, and R156-11a-302.23, means removing impurities from the skin with  
a protected fingertip, a cotton swab, or a loop comedone extractor.  
(11) "Natural manicure and pedicure" as used in Subsections 58-11a-302.13(1)(l), 58-11a-  
302.18(1)(a)(xiii), and 58-11a-302.23(2)(a) means the trimming, cutting, cleaning, manicuring,  
shaping, massaging hands to elbows and feet to knees, or enhancing the appearance of the hands,  
feet and nails of an individual using the technician's hands, mechanical or electrical preparation,  
antiseptic, lotion, exfoliating scrub, or cream.  
(12) "NIC" means the National Interstate Council of State Boards of Cosmetology.  
(13) "Practical session" means services performed by students or apprentices on each other,  
mannequins, or a model in a classroom type setting.  
(14) "Removal of proximal nail fold" as used in 58-11a-501(6)(d) includes use of manual file, e-  
file, cutting, or buffing.  
(15) (a) "Safety data sheet" or "SDS" means a document that provides information regarding  
hazards substances, precautions, and response actions for a product containing chemicals  
including:  
(i) how they should be safely used, stored, transported and disposed of; and  
(ii) emergency procedures.  
(b) "Safety data sheet" may also be called a material safety data sheet or MSDS.  
(16) (a) "Small area" or "medium area" as used in R156-11a-302.11, R156-11a-302.13,  
R156-11a-302.14, and R156-11a-302.18. means one of the following areas:  
(i) axilla or arm pit;  
(ii) neck;  
(iii) feet;  
(iv) hands;  
(v) bikini area;  
(vi) upper arm;  
(vii) lower arm;  
(viii) upper leg;  
(ix) lower leg;  
(x) upper back;  
(xi) upper chest;  
(xii) abdomen; or  
(xiii) sides of the torso.

(b) “Small area” or “medium area ” includes a Brazilian that meets the requirements of Subsections R156-11a-302.22(4)(e)(iv) and R156-11a-306(2)(d)(iv).  
(17)(a) “Sugaring” as used in Subsection 58-11a-102(10)(b)(iii) means the removal of unwanted hair by applying a mixture to the skin and then removing it.  
(b) “Sugaring” includes using a mixture of lemon juice, sugar, and water.  
(18) “Soft wax” means a type of depilatory wax that hardens on the skin and hair and is removed with fabric strips.  
(19) “Thermal styling” as used in 58-11a-304(13)(e) means hairstyling techniques that use heat, such as curling irons, flat irons, and hair dryers, to temporarily alter the shape and texture of hair.  
(20) “Unprofessional conduct” is further defined in Sections 58-1-501 and R156-11a-502.  
(21) “Wet styling” refers to the process of setting and shaping the hair while it is wet, allowing it to dry in a specific form or style.

Terms used in this rule are defined in Title 58, Chapter 1, Division of Professional Licensing Act, and in Title 58, Chapter 11a, Cosmetology and Associated Professions Licensing Act. In addition:

- (1) “Blend method” means the combining of galvanic current with thermolysis current.
- (2) “Galvanic current” means a constant low-voltage direct current.
- (3) (a) “Large area electrolysis” as used in Subsection R156-11a-302.14 means any portion of the following:
  - (i) upper back;
  - (ii) lower back;
  - (iii) upper chest ;
  - (iv) abdomen;
  - (v) sides of the torso;
  - (vi) upper leg;
  - (vii) lower leg;

(viii) upper arm; or

(ix) lower arm.

(b) “Large area electrolysis” includes a Brazilian that meets the requirements of Subsections R156-11a-302.22(4)(e)(iv) and R156-11a-306(2)(d)(iv).

(4) “Small area electrolysis” or “medium area electrolysis” as used in R156-11a-302.14 means one of the following areas:

(a) axilla or arm pit;

(b) neck;

(c) feet;

(d) hands;

(e) bikini area;

(f) brow;

(g) lip;

(h) exterior of the nose;

(i) cheeks,

(j) exterior of the ear;

(k) chin;

(5) “Thermolysis current” means using alternating current to create heat to destroy hair growth cells in the follicle.

**R156-11a-102.18. Definitions – Specific to Master Esthetics.**

Terms used in this rule are defined in Title 58, Chapter 1, Division of Professional Licensing Act, and in Title 58, Chapter 11a, Cosmetology and Associated Professions Licensing Act. In addition:

(1) “Advanced extraction” as used in Subsection[s] 58-11a-302.18(1)(a)(vi) means to perform extraction with a lancet or device that removes impurities from the skin.

(2) “Anti-aging resurfacing enhancements” as used in Subsection R156-11a-302.18 means treatments designed to improve the appearance of skin that has been affected by the aging process, sun damage, or other environmental factors and include:

(a) skin tightening;

(b) sublative scar reduction; or

(c) skin lightening.

(3) "Aroma therapy" means the application of essential oils that are applied directly to the skin, undiluted or in a misted dilution with a carrier oil or lotion for varied applications such as massage, hot packs, cold packs, compress, inhalation, steam or air diffusion, or in hydrotherapy services.

(4) "Body wraps" as used in Subsection 58-11a-302.18(1)(a)(i) means body treatments utilizing products or equipment to enhance and maintain the texture, contour, integrity, and health of the skin and body.

(5) (a) "Chemical exfoliation" as used in Subsection 58-11a-302.18(1)(a)(iii) means a resurfacing procedure performed with the use of chemical substances such as acids or enzymes to dissolve dead skin cells and promote cell turnover.

(b) "Chemical exfoliation" includes:

(i) a limited chemical exfoliation as defined in Subsection 58-11a-102(8); or

(ii) using an acid with a pH of at least 1.0 including:

(A) an alpha hydroxy acid [with a pH of not less than 1.0 and ]at a concentration of up to 50% [shall include ]with partially neutralized acids;

(B) a beta hydroxy acid[s] with a concentration of [not more than]up to 30%;

(C) a trichloroacetic acid, under Subsection 58-11a-501(17)(c), in a concentration of [not more than]up to 15% but no manual, mechanical, or acid exfoliation can be used before treatment unless under the general supervision of a licensed health care practitioner];

(D) a vitamin-based acid[s]; or[KS1]

(E) a modified Jessner solution on the face or the tissue immediately adjacent to the jawline.

~~(F) but no manual, mechanical, or acid exfoliation can be used before treatment unless under the general supervision of a licensed health care practitioner under 58-11-501(7)(a)~~

(c) "Chemical exfoliation" includes the following acids with a pH of less than 1.0 if performed under the general supervision of a licensed health care practitioner:

(i) an alpha hydroxy acid with a concentration higher than 50%;

(ii) beta hydroxy acids with a concentration of higher than 30%;

(iii) an exfoliant that contains bichloroacetic acid or phenol in any concentration

(iv) trichloroacetic acid, under Subsection 58-11a-501(17)(c), in a concentration higher than 15%;

(v) a vitamin-based acid; or

(vi) a manual, mechanical, or acid exfoliation used before treatment on a client.

(6) "Corneocytes" means terminally differentiated keratinocytes found in the outermost layer of the skin.

(7) "Exfoliation" means the sloughing off of non-living skin cells called "corneocytes" by superficial and non-invasive means.

(8) "Hydrotherapy" as used in Subsection 58-11a-302.18(1)(a)(ii) means the use of water for cosmetic purposes or beautification of the body.

(9) “Lymphatic massage” as used in Subsections 58-11a-302.18(1)(a)(x) means a method using light rhythmic pressure applied by manual or other means to the skin using specific lymphatic maneuvers to promote the drainage of lymphatic fluid through the tissue;

(10) “Microdermabrasion” as used in Subsection 58-11-302.18(1)(a)(v) and R156-11a-302.18(5)(iii) means the mechanical exfoliation of the uppermost layers of the stratum corneum using a closed-loop vacuum system.

(11) (a) “Microneedling” means the use of a device:

(i) with multiple tiny solid needles designed to pierce the skin to stimulate collagen production or cellular renewal; and

(ii) that may be in the form of:

(A) a stamp[s]; or

(B) an electronic “pen[s].”

(b) “Microneedling” may also be called:

(i) dermal needling;

(ii) Collagen Induction Therapy (CIT);

(iii) cosmetic dry needling;

(iv) multitrepannic collagen actuation; or

(v) percutaneous collagen induction.

(12) “Patch test” or “predisposition test” means applying a small amount of a chemical preparation to the skin of the arm or behind the ear of a client to determine possible allergies to the chemical preparation.

(13) “Photo rejuvenation” as used in R156-11a-302.18 means using light energy to improve the appearance of the skin and includes:

(a) pigmentation removal;

(b) spider vein reduction;

(c) telangiectasia reduction;

(d) acne reduction;

(e) facial erythema reduction; and

(f) hemangioma reduction.

(14) “Sanding” means using a rapidly rotating tool to remove the outermost layers of skin above limited to the stratum corneum, unless the individual is under the supervision of a licensed health care practitioner acting within the scope of the health care practitioner’s license.

(15) “Stratum corneum” means the outermost layer(s) of the skin, composed mainly of dead corneocytes.

**R156-11a-102.19. Definitions – Specific to Master Barber and Master Hair Designer.**

Reserved.

**R156-11a-102.20 Definitions – Specific to Nail Technician.**

Terms used in this rule are defined in Title 58, Chapter 1, Division of Professional Licensing Act, and in Title 58, Chapter 11a, Cosmetology and Associated Professions Licensing Act. In addition:

(1) “Artificial nails” means any type of nail enhancement added to the natural nail and includes tips, overlays, and sculptured nails.

(2) “Efile” or “electric nail drill” means an electric-powered rotary tool used for filing nails or removing nail enhancements.

(3) “Eponychium or proximal nail fold” means the thickened, living tissue at the base of the fingernails and toenails.

(4) “Extreme nail art forms” means an extra-long stiletto or edge shape built on a nail entirely by sculpting including competition nails.

(5) (a) “Sculptured nails” means a custom-formed extension that are built directly on the natural nail using a nail form and then sculpted with product including acrylic, hard gel, or polygel.

(b) “Sculptured nails” does not include a nail tip.

(6) “Source capture system[,]” as used in Subsection 58-11a-502(6)[,] means the source capture system required under Section 15A-3-402.

**R156-11a-102.21. Definitions – Specific to Instructor.**

Reserved.

**R156-11a-102.22. Definitions – Specific to Schools.**

Terms used in this rule are defined in Title 58, Chapter 1, Division of Professional Licensing Act, and in Title 58, Chapter 11a, Cosmetology and Associated Professions Licensing Act. In addition:

(1) “Equivalent number of credit hours” means:

(a) Theory -1 credit hour to 30 clock hours; and

(b) Practical – 1 credit hour to 30 45 clock hours

**R156-11a-102.23. Definitions – Specific to Esthetics License.**

Reserved.

**R156-11a-102.24. Definitions – Specific to Barbering License.**

Reserved.

**R156-11a-301. Change of Legal Entity – School.**

(1) Under Section 58-11a-301, a school shall submit a new application for licensure upon a change of legal entity status

(2) The new legal entity under Subsection (1) may not engage in practice as a licensed school until the Division approves the entity's application and issues a school license.

**R156-11a-302. Qualifications for Licensure – General Examination Requirements – Equivalency of Foreign School Education – General Requirements for Transfer of Crediting Hours - Implementation.**

(1) Under Section 58-11a-302(1)(c), the general examination requirements for licensure and permits are established as follows:

(a) Except as otherwise provided in Sections 58-1-308 and R156-11a-308, an applicant shall:

(i) pass the respective examination with a score of at least 70% as determined by the examination provider; and

(ii) within three years before the application date.

(b) The Division may accept a theory exam, practical exam, or instructor exam that is approved by the licensing authority of another jurisdiction in the United States if it is substantially equivalent to the applicable Utah examination.

(2) Under Section 58-11a-302(2)(a) the requirements for hours earned from a permit or license to transfer credit to another license are established as follows:

(a) each school or apprentice supervisor may accept up to, but no more than the hours allotted for permitting or licensure under Subsections 58-11a-302.10 through 58-11a-302.21, Subsection 58-11a-302.23, and Subsection 58-11a-302.24.

(b) each school or apprentice supervisor may accept course work and service counts from an approved apprenticeship, a licensed or recognized school, or an evaluation performed on behalf of an internationally trained applicant provided the evaluation is performed by a current member of the National Association of Credential Evaluation Services (NACES) at [www.naces.org](http://www.naces.org).

(3) By May 31, 2026, each licensed school and apprentice instructor shall have fully implemented the curriculum and service counts required under Title 58, Chapter 11a Cosmetology and Associated Professions Licensing Act, and this rule.

(4) accredited schools will follow the number of service counts as well as the curriculum subjects for each permit and license, they will not be held to the clock hours listed in each table.

**R156-11a-302.10. Qualifications for Barbering Permit –Curriculum – Minimum Service Count Requirements – Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.10(3), the educational requirements and minimum service count requirements to meet the 130 hours of instruction and minimum service counts requirements for a barbering permit are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.10(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for a barbering permit shall include theory instruction in the following subject areas:

<u>TABLE 1</u> <u>Curriculum Subjects for the Barbering Permit</u>			
<u>Row</u>	<u>Theory Topic</u>	<u>Required Objectives Include</u>	<u>Objective Clock Hours</u>
<u>(1)</u>	<u>Overview of curriculum</u>		<u>0.5 hours</u>
<u>(2)</u>	<u>History of barbering</u>		<u>0.5 hours</u>
<u>(3)</u>	<u>Professional ethics</u>		<u>1 hour</u>
<u>(4)</u>	<u>Professional associations</u>		<u>0.5 hours</u>
<u>(5)</u>	<u>Implements, tools, and equipment for barbering</u>		<u>0.5 hours</u>
<u>(6)</u>	<u>Analysis of the hair and scalp</u>	<u>Properties of hair, skin, and scalp;</u> <u>working with various hair textures; and</u> <u>basic massage for head, neck, and shoulders</u>	<u>10 hours</u>
<u>(7)</u>	<u>Diseases and disorders of the hair and scalp</u>	<u>Bacteriology;</u> <u>sanitation;</u> <u>sterilization;</u> <u>decontamination; and</u> <u>infection control</u>	<u>10 hours</u>
<u>(8)</u>	<u>Personal, client, and shop safety</u>	<u>First aid;</u> <u>disinfection methods and procedures;</u> <u>sterilization methods and procedures;</u> <u>aseptic techniques;</u> <u>sanitary procedures;</u> <u>blood exposure procedures;</u> <u>Environmental Protection Agency (EPA)</u> <u>requirements;</u> <u>safety data sheet; and</u> <u>department of Health and Human Services</u> <u>requirements including Section 26B-7-402</u> <u>and Rule R392-702;</u>	<u>15 hours</u>
<u>(9)</u>	<u>Basic hairstyling and hair cutting</u>	<u>Draping;</u> <u>clipper variations;</u> <u>scissor cutting and shear cutting;</u> <u>shaving and facial hair design;</u> <u>razor cutting; and</u> <u>wet and thermal styling;</u>	<u>10 hours</u>

(10)	Law and rule		2 hours
------	--------------	--	---------

(3) Under Subsections 58-11a-302(1)(b) and 58-11a-302.10(3), the minimum service counts for a barbering permit shall include hands-on experience in the following subject areas:

TABLE 2 Minimum Service Counts for the Barbering Permit				
Row	Service Count Category	Minimum Service Count	Service Count Clock Hour	Total Hours
(1)	Cutting, clipping, or trimming various styles and hair textures of the human head using scissors, shears, clippers, or another appliance	20 counts	0.75 hours	15 hours
(2)	Shampooing with scalp treatments	4 counts	0.75 hours	2.5 hours
(3)	Basic wet styling and blow drying	2 counts	0.5 hours	1 hour
(4)	Removing hair from the face or neck using shaving equipment	28 counts	0.75 hours	21 hours
(5)	Beard and mustache cut and trim	10 counts	0.5 hours	5 hours
(6)	Wigs and hair pieces for the human head, including cutting, wet styling, fitting, measuring, and forming caps	4 counts	1.5 hours	6.5 hours
(7)	Draping	Applicant shall complete with each service count	Time included in each service count	Time included in each service count
(8)	Gently massaging head, neck, and shoulders by manual or mechanical means	Applicant may complete with any other service	Time included in each service count	Time included in each service count
(9)	Client consultation	Applicant shall complete with each service count	0.25 hours	14.5 hours
(10)	Sanitation, sterilization, decontamination, and infection control	Applicant shall complete with each service count	0.25 hours	14.5 hours
(11)	Barbering Permit practical exam review	1 count	2 hours	2 hours

(4) Under Subsection 58-11a-302(1)(c), an applicant for a barbering permit shall pass the following Utah examinations:

(a) Utah Barbering Permit exam

**R156-11a-302.11. Basic Esthetics Permit – Qualifications – Curriculum – Minimum Service Count Requirements – Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.11(3), the educational requirements and minimum service count requirements to meet the 200 hours of instruction and minimum service counts requirements for a basic esthetics permit are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.11(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for a basic esthetics permit shall include theory instruction in the following subject areas:

<u>TABLE 3</u> <u>Curriculum Subjects for the Basic Esthetics Permit</u>			
<u>Row</u>	<u>Theory Topic</u>	<u>Required Objectives Include</u>	<u>Objective Clock Hours</u>
(1)	<u>Overview of curriculum</u>		<u>0.5 hours</u>
(2)	<u>Professional ethics</u>		<u>2 hours</u>
(3)	<u>Implements, tools, and equipment for basic esthetics</u>		<u>5.5 hours</u>
(4)	<u>Analysis of the hair and skin</u>	<u>Properties of hair and skin</u>	<u>17 hours</u>
(5)	<u>Diseases and disorders of the hair and skin</u> <u>prevention</u>	<u>Bacteriology;</u> <u>sanitation;</u> <u>sterilization;</u> <u>decontamination; and</u> <u>infection control</u>	<u>17.5 hours</u>
(6)	<u>Personal, client, and shop safety</u>	<u>First aid;</u> <u>disinfection methods and procedures;</u> <u>sterilization methods and procedures;</u> <u>aseptic techniques;</u> <u>sanitary procedures;</u> <u>blood exposure procedures;</u>	<u>15 hours</u>

		<u>Environmental Protection Agency (EPA) regulations;</u> <u>safety data sheet; and</u> <u>Department of Health and Human Services regulations including Section 26B-7-402 and Rule R392-702;</u>	
(7)	<u>Hair removal</u>	<u>Draping;</u> <u>hard wax;</u> <u>soft wax;</u> <u>sugaring;</u> <u>depilatories;</u> <u>tweezing;</u> <u>shaving; and</u> <u>pre and post care</u>	<u>15 hours</u>
(8)	<u>Extractions</u>	<u>Manual; and</u> <u>comedone extractor</u>	<u>5 hours</u>
(9)	<u>Facials</u>	<u>manual methods;</u> <u>cleansing clays;</u> <u>masks; and</u> <u>product knowledge</u>	<u>15 hours</u>
(10)	<u>Law and rule</u>		<u>1 hour</u>

(3) Under Subsections 58-11a-302(1)(b) and 58-11a-302.11(3), the minimum service counts for a basic esthetics permit shall include hands-on experience in the following subject areas:

<u>TABLE 4</u> <u>Minimum Service Counts for the for the Basic Esthetics Permit</u>				
<u>Row</u>	<u>Service Count Category</u>	<u>Minimum Service Count</u>	<u>Service Count Clock Hour</u>	<u>Total Hours</u>
(1)	<u>Waxing of the brow, lip, nose, cheeks, or chin using hard or soft wax or sugaring in any combination</u>	<u>20 counts</u>	<u>0.5 hours</u>	<u>10 hours</u>
(2)	<u>Small or medium area waxing</u>	<u>20 counts</u>	<u>1 hour</u>	<u>20 hours</u>
(3)	<u>Large area waxing</u>	<u>10 counts</u>	<u>1.5 hours</u>	<u>15 hours</u>
(4)	<u>Manual extractions, including using a comedone extractor</u>	<u>10 counts</u>	<u>0.25 hours</u>	<u>2.5 hours</u>
(5)	<u>Back or basic facial</u>	<u>20 counts</u>	<u>0.75 hours</u>	<u>14.5 hours</u>
(6)	<u>Draping</u>	<u>Applicant shall complete with</u>	<u>Time included in</u>	<u>Time included in</u>

		<u>each service count</u>	<u>each service count</u>	<u>each service count</u>
(7)	<u>Cleansing the skin, applying oils, or antiseptics</u>	<u>Applicant shall complete with each service count</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>
(8)	<u>Client consultation</u>	<u>Applicant shall complete with each service count</u>	<u>0.25 hours</u>	<u>21.25 hours</u>
(9)	<u>Sanitation, sterilization, decontamination, and infection control</u>	<u>Applicant shall complete with each service count</u>	<u>0.25 hours</u>	<u>21.25 hours</u>
(10)	<u>Basic Esthetics Permit exam review</u>	<u>1 count</u>	<u>1.5 hours</u>	<u>1.5 hours</u>

(4) Under Subsection 58-11a-302(1)(c), an applicant for a basic esthetics permit shall pass the following Utah examinations:

(a) Utah Basic Esthetics Permit Exam

**R156-11a-302.12. Chemical Hair Services Permit –Qualifications – Curriculum –  
Minimum Service Count Requirements – Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.12(3), the educational requirements and minimum service count requirements to meet the 260 hours of instruction and minimum service counts requirements for a chemical hair services permit are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.12(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for a chemical hair services permit shall include theory instruction in the following subject areas:

TABLE 5

Curriculum Subjects for the Chemical Hair Service Permit

<u>Row</u>	<u>Theory Topic</u>	<u>Required Objectives Include</u>	<u>Objective Clock Hours</u>
(1)	<u>Overview of curriculum</u>		<u>0.5 hours</u>
(2)	<u>Professional ethics</u>		<u>1 hour</u>
(3)	<u>Professional associations</u>		<u>0.5 hours</u>

(4)	<u>Implements, tools, and equipment for chemical hair services</u>		<u>2 hours</u>
(5)	<u>Analysis of the hair and scalp</u>	<u>Properties of hair including texture, skin, and scalp</u>	<u>10 hours</u>
(6)	<u>Diseases and disorders of the hair and scalp</u> <u>prevention</u>	<u>Bacteriology;</u> <u>sanitation;</u> <u>sterilization;</u> <u>decontamination; and</u> <u>infection control</u>	<u>10 hours</u>
(7)	<u>Personal, client, and shop safety</u>	<u>First aid;</u> <u>disinfection methods and procedures;</u> <u>sterilization methods and procedures;</u> <u>aseptic techniques;</u> <u>sanitary procedures;</u> <u>blood exposure procedures;</u> <u>Environmental Protection Agency (EPA) regulations;</u> <u>safety data sheet; and</u> <u>department of Health and Human Services regulations including Section 26B-7-402 and Rule R392-702;</u>	<u>15 hours</u>
(8)	<u>Coloring</u>	<u>Draping;</u> <u>the color wheel;</u> <u>understanding color theory;</u> <u>color application;</u> <u>permanent color;</u> <u>toning and glossing;</u> <u>corrective toning;</u> <u>color correction;</u> <u>filling and replacing lost pigment;</u> <u>virgin application; and</u> <u>low lights</u>	<u>18 hours</u>

(9)	<u>Bleaching</u>	<u>product understanding;</u> <u>best practices for using bleach;</u> <u>understanding hair texture;</u> <u>compromised hair;</u> <u>chemical breakage;</u> <u>hair porosity and elasticity;</u> <u>virgin application;</u> <u>non-virgin application;</u> <u>color correction;</u> <u>highlights;</u> <u>bleach placement;</u> <u>balayage; and</u> <u>on scalp bleach</u>	<u>14 hours</u>
(10)	<u>Permanent or “perm”</u> <u>waiving</u>	<u>the different types of perms;</u> <u>rod sizes;</u> <u>application best practices;</u> <u>virgin application; and</u> <u>non-virgin application</u>	<u>10 hours</u>
(11)	<u>Chemical relaxers</u>	<u>Hair textures;</u> <u>best practices;</u> <u>compromised hair;</u> <u>maintenance; and</u> <u>product understanding including the</u> <u>effects of formaldehyde, formalin, or</u> <u>methylene glycol</u>	<u>8 hours</u>
(12)	<u>Law and rule</u>		<u>2 hours</u>

(3) Under Subsections 58-11a-302(1)(b) and 58-11a-302.12(3), the minimum service counts for a chemical hair services permit shall include hands-on experience in the following subject areas:

<u>TABLE 6</u> <u>Minimum Service Counts for the for the Chemical Hair Service Permit</u>				
<u>Row</u>	<u>Service Count Category</u>	<u>Minimum Service Count</u>	<u>Service Count Clock Hour</u>	<u>Total Hours</u>
(1)	<u>Permanent waving</u>	<u>17 counts</u>	<u>2.5 hours</u>	<u>42.5 hours</u>
(2)	<u>Any combination of bleaching, balayage, highlighting, or lightening</u>	<u>17 counts</u>	<u>2.5 hours</u>	<u>42.5 hours</u>

(3)	<u>Chemical relaxer which may be done on virgin hair, non-virgin hair, or as a touch-up application</u>	<u>10 counts</u>	<u>2 hours</u>	<u>20 hours</u>
(4)	<u>Hair coloring to include tinting, toning, glossing, color correction, filling or replacing lost pigment, or low lights. These services may be performed on virgin hair, non-virgin hair, or as a touch-up application</u>	<u>16 counts</u>	<u>2 hours</u>	<u>32 hours</u>
(5)	<u>Draping</u>	<u>Applicant shall complete with each service count</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>
(6)	<u>Client consultation</u>	<u>Applicant shall complete with each service count</u>	<u>0.25 hours</u>	<u>21.25 hours</u>
(7)	<u>Sanitation, sterilization, decontamination, and infection control</u>	<u>Applicant shall complete with each service count</u>	<u>0.25 hours</u>	<u>21.25 hours</u>
(8)	<u>Chemical Hair Services Permit exam review</u>	<u>1 count</u>	<u>2 hours</u>	<u>2 hours</u>

(4) Under Subsection 58-11a-302(1)(c), an applicant for a chemical hair services permit shall pass the following Utah examinations:

(a) Utah Chemical Hair Services Permit Exam

**R156-11a-302.13. Cosmetology License – Qualifications – Curriculum – Minimum Service Count Requirements - Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.13(3), the educational requirements and minimum service count requirements to meet the 1,250 hours of instruction and minimum service counts requirements for a cosmetology license are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.13(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for a cosmetology license shall include theory instruction in the following subject areas:

**TABLE 7**

<u>Curriculum Subjects for the Cosmetology License</u>			
<u>Row</u>	<u>Theory Topic</u>	<u>Required Objectives Include</u>	<u>Objective Clock Hours</u>
(1)	<u>Overview of curriculum</u>		<u>1 hour</u>

(3) Under Subsections 58-11a-302(1)(b) and 58-11a-302.13(3), the minimum service counts for a cosmetology license shall include hands-on experience in the following subject areas:

TABLE 8 Minimum Service Counts for the Cosmetology License				
Row	Service Count Category	Minimum Service Count	Service Count Clock Hour	Total Hours
(1)	<u>Cutting, clipping, or trimming various styles and hair textures of the <del>human</del> head using scissors, shears, clippers, or another appliance</u>	<u>70 counts</u>	<u>1 hour</u>	<u>70 hours</u>
(2)	<u>Shampooing with scalp treatments</u>	<u>6 counts</u>	<u>1 hour</u>	<u>6 hours</u>
(3)	<u>Basic wet styling and blow drying, thermal styling</u>	<u>50 counts</u>	<u>1 hour</u>	<u>50 hours</u>
(4)	<u>Removing hair from the face or neck using shaving equipment</u>	<u>15 counts</u>	<u>0.75 hours</u>	<u>11.75 hours</u>
(5)	<u>Beard and mustache cut and trim</u>	<u>10 counts</u>	<u>0.5 hours</u>	<u>5 hours</u>
(6)	<u>Wigs and hair pieces for the <del>human</del> head, including cutting, wet styling, fitting, measuring, and forming caps</u>	<u>2 counts</u>	<u>2 hours</u>	<u>4 hours</u>
(7)	<u>Gently massaging head, neck, and shoulders by manual or mechanical means</u>	<u>Applicant may complete with any other service</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>
(8)	<u>Hair extensions including preparation and application</u>	<u>5 counts</u>	<u>4 hours</u>	<u>20 hours</u>

(9)	<u>Cutting, trimming, or blending hair extensions using scissors, shears, clippers or another appliance</u>	<u>3 counts</u>	<u>1 hour</u>	<u>3 hours</u>
(10)	<u>Permanent waving</u>	<u>12 counts</u>	<u>3 hours</u>	<u>36 hours</u>
(11)	<u>Any combination of bleaching, balayage, highlighting, or lightening</u>	<u>12 counts</u>	<u>4 hours</u>	<u>48 hours</u>
(12)	<u>Chemical relaxer which may be done on virgin hair, non-virgin hair, or as a touch-up application</u>	<u>5 counts</u>	<u>2 hours</u>	<u>10 hours</u>
(13)	<u>Hair coloring to include tinting, toning, glossing, color correction, filling or replacing lost pigment, or low lights. These services may be performed on virgin hair, non-virgin hair, or as a touch-up application</u>	<u>12 counts</u>	<u>2.5 hours</u>	<u>30 hours</u>
(14)	<u>Waxing of the brow, lip, nose, cheeks, or chin using hard or soft wax or sugaring in any combination</u>	<u>15 counts</u>	<u>0.5 hours</u>	<u>7.5 hours</u>
(15)	<u>Small or medium area wax</u>	<u>10 counts</u>	<u>1 hour</u>	<u>10 hours</u>
(16)	<u>Large area waxing</u>	<u>5 counts</u>	<u>1.5 hours</u>	<u>7.5 hours</u>
(17)	<u>Manual extractions, including using a comedone extractor</u>	<u>10 counts</u>	<u>0.25 hours</u>	<u>2.5 hours</u>
(18)	<u>Back or basic facial</u>	<u>15 counts</u>	<u>1 hours</u>	<u>15 hours</u>
(19)	<u>Cleansing the skin, applying oils, or antiseptics</u>	<u>Applicant shall complete with each service count</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>
(20)	<u>Limited chemical exfoliation including pre and post care</u>	<u>8 counts</u>	<u>1 hour</u>	<u>8 hours</u>
(21)	<u>Arching of the eyebrows by tweezing</u>	<u>5 counts</u>	<u>0.25 hours</u>	<u>1.25 hours</u>
(22)	<u>Eyelash perming or brow lamination</u>	<u>5 counts</u>	<u>1 hour</u>	<u>5 hours</u>
(23)	<u>Tinting eyelashes or eyebrows</u>	<u>5 counts</u>	<u>0.5 hours</u>	<u>2.5 hours</u>
(24)	<u>Securing the eyelash using tape or pad</u>	<u>5 counts</u>	<u>0.75 hours</u>	<u>3.75 hours</u>
(25)	<u>Natural manicure including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>1 hour</u>	<u>10 hours</u>
(26)	<u>Natural pedicure including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>1 hour</u>	<u>10 hours</u>

(27)	<u>Sculptured nails including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>1.5 hours</u>	<u>15 hours</u>
(28)	<u>Artificial nails including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>1.5 hours</u>	<u>15 hours</u>
(29)	<u>Removal of artificial or sculptured nails including the use of manual or e-file</u>	<u>5 counts</u>	<u>0.5 hours</u>	<u>2.5 hours</u>
(30)	<u>Smooth, shave or remove dead skin from the feet using blades, including corn or callus planer, or rasp</u>	<u>7 counts</u>	<u>0.25 hours</u>	<u>1.75 hours</u>
(31)	<u><del>Gently</del> massage the hands, feet, lower arms, or lower legs by manual means</u>	<u>Applicant may complete with any other service</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>
(32)	<u>Draping</u>	<u>Applicant shall complete with each service count</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>
(33)	<u>Client consultation</u>	<u>Applicant shall complete with each service count</u>	<u>0.25 hours</u>	<u>84.25 hours</u>
(34)	<u>Sanitation, sterilization, decontamination, and infection control</u>	<u>Applicant shall complete with each service count</u>	<u>0.25 hours</u>	<u>84.25 hours</u>
(35)	<u>Electives based on technology and industry advancements</u>			<u>220 hours</u>
(36)	<u>Cosmetology practical exam review</u>	<u>1 count</u>	<u>8 hours</u>	<u>8 hours</u>

(4) Under Subsection 58-11a-302(1)(c), an applicant for a cosmetology license shall pass the following NIC examinations:

(a) the National Cosmetology Theory Examination;

(b) the National Cosmetology Practical Examination;

(c) the National Cosmetology Barber 1 (No Chemical) Practical Examination

**R156-11a-302.14. Electrology License – Qualifications – Curriculum – Minimum Service Count Requirements – Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.14(3), the educational requirements and minimum service count requirements to meet the 600 hours of instruction and minimum service counts requirements for an electrology license are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.14(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for an electrology license shall include theory instruction in the following subject areas:

TABLE 9 Curriculum Subjects for the Electrology License			
Row	Theory Topic	Required Objectives Include	Objective Clock Hours
(1)	<u>Overview of curriculum</u>		<u>0.5 hours</u>
(2)	<u>History of electrology</u>		<u>0.5 hours</u>
(3)	<u>Implements, tools, and equipment for electrology</u>		<u>5.5 hours</u>
(4)	<u>Analysis of the hair and skin</u>	<u>Properties of hair and skin</u>	<u>22 hours</u>
(5)	<u>Diseases and disorders of the hair or skin prevention</u>	<u>bacteriology;</u> <u>sanitation;</u> <u>sterilization;</u> <u>decontamination; and</u> <u>American Electrology Association (AEA)</u> <u>infection control standards;</u>	<u>30 hours</u>
(6)	<u>Personal, client, and shop safety</u>	<u>Cardiopulmonary resuscitation (CPR);</u> <u>first aid;</u> <u>disinfection methods and procedures;</u> <u>sterilization methods and procedures;</u> <u>aseptic techniques;</u> <u>sanitary procedures;</u> <u>blood exposure procedures;</u> <u>Environmental Protection Agency (EPA)</u> <u>regulations;</u> <u>safety data sheet; and</u> <u>department of Health and Human Services</u> <u>regulations including Section 26B-7-402</u> <u>and Rule R392-702;</u>	<u>25 hours</u>
(7)	<u>Laser</u>	<u>laser and light physics training;</u> <u>laser technologies and application; and</u>	<u>50 hours</u>

		<u>safety and maintenance of lasers which may be satisfied by completing the Laser Safety Officer Course</u>	
(8)	<u>Manual hair removal</u>	<u>Draping;</u> <u>hard wax;</u> <u>soft wax;</u> <u>sugaring;</u> <u>depilatories;</u> <u>tweezing;</u> <u>shaving; and</u> <u>pre and post care</u>	<u>10 hours</u>
(9)	<u>Principles of electricity and equipment</u>	<u>types of electrical current, measurements, and classifications;</u> <u>Food and Drug Administration (FDA) approved needle type epilation equipment; and</u> <u>epilator operation and care</u>	<u>20 hours</u>
(10)	<u>Modalities for needle-type electrolysis</u>	<u>needle or probe types, features, and selection;</u> <u>insertions, considerations, and accuracy</u> <u>galvanic multi-needle technique;</u> <u>thermolysis manual and flash technique;</u> <u>blend and progressive epilation technique;</u> <u>and</u> <u>one- and two-handed techniques</u>	<u>20 hours</u>
(11)	<u>Clinical procedures</u>	<u>health and medical history;</u> <u>contraindications;</u> <u>positioning and draping;</u> <u>face and body treatments;</u> <u>normal healing skin effects;</u> <u>tissue injury and complications;</u> <u>treating ingrown hairs; and</u> <u>pre- and post-treatment skin care;</u>	<u>20 hours</u>
(12)	<u>Medications affecting hair growth</u>	<u>over-the-counter preparations;</u> <u>anesthetics; and</u> <u>prescription medication</u>	<u>3 hours</u>
(13)	<u>bacteriology</u>	<u>pathogenic bacteria and non- pathogenic bacterial causes</u>	<u>15 hours</u>
(14))	<u>Physiology and histology of the skin</u>	<u>Endocrinology and;</u> <u>dermatology;</u>	<u>26 hours</u>

(14)	<u>Cosmetic medical procedures for hair removal with laser</u>	<u>58-1-505</u> <u>58-1-506</u>	<u>0.5 hours</u>
(15)	<u>Law and rule</u>		<u>2 hours</u>
(16)	<u>Business and shop management</u>	<u>developing a clientele;</u> <u>professional image;</u> <u>professional ethics;</u> <u>professional associations;</u> <u>public relations; and</u> <u>advertising</u>	<u>30 hours</u>
(17)	<u>Legal Issues</u>	<u>malpractice liability;</u> <u>regulatory agencies; and</u> <u>tax laws</u>	<u>5 hours</u>
(18)	<u>Elective topics</u>		<u>50.5 hours</u>

(3) Under Subsections 58-11a-302(1)(b) and 58-11a-302.14(3), the minimum service counts for an electrology license shall include hands-on experience in the following subject areas:

TABLE 10 Minimum Service Counts for the for the Electrology License				
Row	Service Count Category	Minimum Service Count	Service Count Clock Hour	Total Hours
(1)	<u>Waxing of the brow, lip, nose, cheeks, or chin using hard or soft wax or sugaring in any combination</u>	<u>4 counts</u>	<u>0.5 hours</u>	<u>2 hours</u>
(2)	<u>Small or medium area wax</u>	<u>4 counts</u>	<u>1 hour</u>	<u>4 hours</u>
(3)	<u>Large area waxing</u>	<u>2 counts</u>	<u>1.5 hours</u>	<u>3 hours</u>
(4)	<u>Small or medium area electrolysis</u>	<u>30 counts</u>	<u>1.5 hours</u>	<u>45 hours</u>

487

488 (4) Under Subsection 58-11a-302(1)(c), an applicant for a master esthetics license shall pass the  
489 following NIC examinations:

490 (a) National Esthetics Advanced Practice Theory Examination; and

491 (b) National Esthetics Advanced Practice Practical Examination;

492 (5) Under Section 58-11a-302, the examination requirements for licensure are established as  
493 follows:

494 (a) an applicant for licensure as a master esthetician shall pass the NIC Esthetics Advanced  
495 Theory and Practical Examinations.

(6) Under Subsection 58-11a-302.18(1)(a)(iii), a licensee who performs a chemical exfoliation shall:

(a) prepare and maintain current documentation of the licensee's cumulative experience in chemical exfoliation including:

(i) courses of instruction;

(ii) specialized training;

(iii) on-the-job experience; and

(iv) the approximate percentage that chemical exfoliation represents in the licensee's overall business; and

(v) a licensee shall provide the documentation required by Subsection (4)(a) to the Division upon request;

(b) a licensee may not use an acid or perform a chemical exfoliation that the licensee is not competent to use or perform through training and experience, and as documented under Subsection (4)(a);

(c) only commercially available products used in accordance with manufacturers' instructions may be used for chemical exfoliation purposes; and

(d) a patch test shall be administered to each client before beginning any chemical exfoliation series.

(7) Under Subsection 58-11a-302.18(1)(a)(viii)(B), the standards for approval of mechanical or electrical apparatus shall meet the following requirements:

(a) a licensee may use a mechanical or electrical apparatus that is designated as a prescriptive medical device by the FDA only under the appropriate level of supervision by a licensed health care practitioner acting within the licensed health care practitioner's scope of practice;

(b) to be approved, a microdermabrasion machine shall:

(i) be specifically labeled for cosmetic or esthetic purposes;

(i) be a closed-loop vacuum system that uses a tissue retention device; and

(iii) the normal and customary use of the machine may not result in the removal of the epidermis beyond the stratum corneum; and

(c) to be approved, a microneedling device shall:

(i) be used only by a master esthetician;

(A) without supervision if needle penetration does not exceed 1.5 mm; or

(B) under the general supervision of a licensed health care practitioner if the needle penetration exceeds 1.5 mm;

(ii) be used specifically for cosmetic or esthetic purposes.

**R156-11a-302.19. Master Hair Design License and Master Barber License – Qualifications – Curriculum – Minimum Service Count Requirements – Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.19(3), the educational requirements and minimum service count requirements to meet the 1,000 hours of instruction and minimum

service counts requirements for a master hair design license or a master barber license are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.19(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for a master hair design license or a master barber license shall include theory instruction in the following subject areas:

TABLE 18			
Curriculum Subjects for the Master Hair Design License and Master Barbering License			
Row	Theory Topic	Required Objectives Include	Objective Clock Hours
(1)	<u>Overview of curriculum</u>		<u>0.5 hours</u>

(4) Under Subsection 58-11a-302(1)(c), an applicant for a Master Barber or Master Hair Design license shall pass the following NIC examinations:

(a) Hair Design Theory Examinations

(b) Barber Styling Practical Examinations

**R156-11a-302.20. Nail Technology License – Qualifications – Curriculum – Minimum Service Count Requirements – Examination.**

(1) Under Subsections 58-11a-302(1)(b) and 58-11a-302.20(3), the educational requirements and minimum service count requirements to meet the 300 hours of instruction and minimum service counts requirements for a nail technology license are defined, clarified, and established in this section.

(2) Under Subsection 58-11a-302.20(3), the curriculum for a licensed school, registered school, or approved apprenticeship program for a nail technology license shall include theory instruction in the following subject areas:

**TABLE 20**

**Curriculum Subjects for the Nail Technology License**

<u>Row</u>	<u>Theory Topic</u>	<u>Required Objectives Include</u>	<u>Objective Clock Hours</u>
(1)	<u>Overview of curriculum</u>		<u>0.5 hours</u>
(2)	<u>History of nail technology</u>		<u>0.5 hours</u>
(3)	<u>Implements, tools, and equipment for nail technology including electrical equipment based on technology and industry advancements</u>		<u>5.5 hours</u>
(4)	<u>Anatomy and physiology of nails and skin</u>		<u>10 hours</u>

(5)	<u>Diseases and disorders of the nails</u> <u>or skin prevention</u>	<u>Bacteriology;</u> <u>sanitation;</u> <u>sterilization;</u> <u>decontamination; and</u> <u>infection control</u>	<u>20 hours</u>
(6)	<u>Personal, client, and shop safety</u>	<u>First aid;</u> <u>disinfection methods and</u> <u>procedures;</u> <u>sterilization methods and</u> <u>procedures;</u> <u>aseptic techniques;</u> <u>sanitary procedures;</u> <u>blood exposure procedures;</u> <u>Environmental Protection Agency</u> <u>(EPA) regulations;</u> <u>safety data sheet; and</u> <u>department of Health and Human</u> <u>Services regulations including</u> <u>Section 26B-7-402 and Rule</u> <u>R392-702;</u>	<u>15 hours</u>
(7)	<u>Chemistry for nail technology</u>		<u>15(0) hours</u>
(8)	<u>theory of basic manicures and basic</u> <u>pedicures</u>		<u>5 hours</u>
(9)	<u>Artificial nail techniques</u>	<u>Wraps;</u> <u>nail tips;</u> <u>gel nails; and</u> <u>other acrylic nails</u>	<u>15 hours</u>
(10)	<u>Sculptured nails</u>	<u>hard gel;</u> <u>poly gel;</u> <u>acrylic nail; and</u> <u>extreme nail art form</u>	<u>15 hours</u>
(11)	<u>Law and rule</u>		<u>2 hours</u>
(12)	<u>Business and shop management</u>	<u>developing a clientele;</u> <u>professional image;</u> <u>professional ethics;</u> <u>professional associations;</u> <u>public relations; and</u> <u>advertising</u>	<u>25 hours</u>
(13)	<u>Legal issues including</u>	<u>malpractice liability;</u> <u>regulatory agencies; and</u>	<u>5 hours</u>

		<u>tax laws</u>	
(14)	<u>Elective topics</u>		<u>10 hours</u>

(3) Under Subsections 58-11a-302(1)(b) and 58-11a-302.20(3), the minimum service counts for a nail technology license shall include hands-on experience in the following subject areas:

TABLE 21 Minimum Service Counts for the for the Nail Technology License				
<u>Row</u>	<u>Service Count Category</u>	<u>Minimum Service Count</u>	<u>Service Count Clock Hour</u>	<u>Total Hours</u>
(1)	<u>Natural manicure including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>1 hour</u>	<u>10 hours</u>
(2)	<u>Natural pedicure including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>1 hour</u>	<u>10 hours</u>
(3)	<u>Sculptured nails including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>2 hours</u>	<u>20 hours</u>
(4)	<u>Artificial nails including the use of manual tools or e-file</u>	<u>10 counts</u>	<u>2 hours</u>	<u>120 hours</u>
(5)	<u>Removal of artificial or sculptured nails including the use of manual or e-file</u>	<u>5 counts</u>	<u>0.5 hours</u>	<u>2.5 hours</u>
(6)	<u>Smooth, shave or remove dead skin from the feet using blades, including corn or callus planer, or rasp</u>	<u>7 counts</u>	<u>0.25 hours</u>	<u>1.75 hours</u>
(7)	<u><del>Gently</del> massage the hands, feet, lower arms, or lower legs by manual means</u>	<u>Applicant may complete with any other service</u>	<u>Time included in each service count</u>	<u>Time included in each service count</u>

580

581 (2) Under Subsection 58-11a-302(1)(c), an applicant for an instructor license shall:

582 (a) pass the NIC National Instructor Theory Examination;

583 (3) Under Subsection 58-11a-302.21(3)(b):

584 (a) an individual licensed as a barber instructor may instruct the practice of barbering;

585 (b) an individual licensed as a basic esthetics instructor may instruct the practice of:

586 (i) basic esthetics; or

587 (ii) facial hair removal;

588 (c) an individual licensed as a chemical hair instructor may instruct the practice of chemical hair  
589 services;

590 (d) an individual licensed as a cosmetologist may instruct the practice of:

591 (i) barbering;

592 (ii) cosmetology

593 (iii) haircutting;

594 (iv) chemical hair services;

595 (v) facial hair removal;

596 (vi) basic esthetics;

597 (vii) nail technology;

598 (viii) master barber/master hair design; or

599 (ix) manual hair removal;

600 (e) an individual licensed as an electrology instructor may instruct the practice of:

601 (i) electrology;

602 (ii) manual hair removal; or

603 (iii) facial hair removal;

604 (f) an individual licensed as an eyelash and eyebrow technology instructor may instruct the  
605 practice of

606 (i) eyelash and eyebrow technology; or

607 (ii) facial hair removal;

- (g) an individual licensed as a facial hair removal instructor may instruct the practice of facial hair removal;
- (h) an individual licensed as a haircutter instructor may instruct the practice of haircutting;
- (i) an individual licensed as a master esthetic instructor may instruct the practice of:
  - (i) master esthetics;
  - (ii) basic esthetics;
  - (iii) eyelash and eyebrow technology;
  - (iv) manual hair removal; and
  - (iv) facial hair removal;
- (j) an individual licensed as a master hair designer or master barber instructor may instruct the practice of:
  - (i) master barbering or master hair design;
  - (ii) barbering;
  - (iii) chemical hair services; or
  - (iv) haircutting;
- (k) an individual licensed as a nail technology instructor may instruct the practice of nail technology;
- (l) an individual licensed in a cosmetology and associated trades instructor may instruct the instructor training course;
- (m) an individual licensed as an esthetics instructor may instruct the practice of the following:
  - (i) basic esthetics;
  - (ii) eyelash and eyebrow technology;
  - (iii) manual hair removal; and
  - (iv) facial hair removal.

**R156-11a-302.22. School Licensure – Standards for Accreditation – Division-Approved School – Physical Facilities Requirements – Standards for Protection of Students – School Staff Requirements – Written Contract.**

- (1) (a) Under Section 58-11a-302.22(1)(c)(iv), the accreditation standards for school licensure under Subsection 58-11a-102(9) are defined, clarified, and established in Subsection (1).
- (b) A school seeking accreditation shall:
  - (i) meet the requirements under Subsection 58-11a-302.22(1);
  - (ii) file a request for exemption with the Utah Department of Commerce’s Division of Consumer Protection under Section 13-34-111; and
  - (iii) after being licensed by the Division:
    - (A) submit an application to an accrediting organization requesting candidate status within one month of Division licensure;
    - (B) provide evidence to the Division that the school received candidate status from the accrediting organization within 18 months of Division licensure; and

(C) receive accreditation from the accrediting organization within 24 months of receiving candidate status under Subsection (2)(b)(iii)(B).

(c) A licensed school shall:

(i) be accredited by an accrediting body recognized by the U.S. Department of Education; and

(ii) maintain current accreditation.

(d) If an accrediting body withdraws a school's accreditation, the school shall notify the Division in writing within five days of receiving the accrediting body's notice of accreditation withdrawal.

(e) (i) If a school fails to obtain the required accreditation status or maintain accreditation, the school shall surrender each Division-issued license within five days.

(ii) If a school fails to surrender a license under subsection (2)(e)(i), the Division may pursue license revocation under Section 63G-4-502.

(2) A school applying for recognition as a Division-approved school as defined in Section 58-11a-102(13) shall:

(a) register with the Division of Consumer Protection as a postsecondary school under Title 13, Chapter 34, Utah Postsecondary School and State Authorization Act, and Rule R152-24; and

(b) submit the school's curriculum to the Division for review by the Board.

(3) Under Subsection 58-11-302.22(1)(c)(iii), the physical facilities of a school licensed under Title 58, Chapter 11a, shall:

(a) meet the governing standards established by the accreditation commission;

(b) meet the standards under the Health and Human Services [Rule R392-702](#);

(c) maintain enough of each type of training equipment to allow each student to have an equal opportunity to be trained;

(d) if located in the same building as a barbershop, salon, spa, or other similar business, be distinguishable from the barbershop, salon, spa, or other business including maintaining separate:

(i) names;

(ii) entrances;

(iii) visitor reception areas;

(iv) advertisements; and

(v) public information releases.

(4) (a) Under Subsections 56-11a-102(1) and 58-11a-302.22(1)(c)(iv), a school shall meet the standards in Subsection (4) for the protection of each student.

(b) A school shall provide each student with a copy of the written contract that meets the requirements of Subsection (6).

(c) A school may require a student to:

(i) clean up an area after the student has used it; and

(ii) perform or participate in daily cleanup of work areas including:

(A) service area;

(B) floor space;

(C) laundering the towels and linen; or

(D) another general cleanup duty that is related to the performance of a client service or a practical experience.

(d) Subject to Subsection (4)(e)(ii), a school may provide instruction to the student regarding product sales techniques as part of the business and shop management portion of the curriculum.

(e) A school may not:

(i) use a student to perform maintenance, janitorial, or remodeling work including:

(A) scrubbing the floor, a wall, or a toilet;

(B) cleaning a window;

(C) waxing the floor;

(D) painting;

(E) decorating; or

(F) performing any outside work on the grounds or building.

(ii) require a student to sell products applicable to the industry as a condition to graduate;

(iii) remove an hour earned by a student except that:

(A) if a student is late for a specific class session, the school may require the student to retake the specific class session before giving credit for the class; or

(B) based on the student's level of competency, the school may require a student to take a refresher course or retake a class towards completion of the training program; or

(iv) require a student to perform an activity listed under Subsection 58-11a-502(2).

(f) If a school ceases to operate, the school shall:

(i) notify the Division within 15 days by registered mail or certified mail; and

(ii) name a trustee who shall:

(A) maintain student records for at least ten years; and

(B) upon a student's request, provide information including the student's accumulated hours and dates of attendance.

(5) Under Subsection 58-11a-302.22(1)c(iv), a school shall have at least one licensed instructor in attendance for every 20 students or fraction thereof who attend a practical session or while performing a client service.

(6) Under Subsection 56-11a-102(1) a school shall complete a written contract with each student before admission that:

(b) is signed by the school and the student; and

(c) includes:

(i) the rules of conduct for the school, instructors, and the student;

(ii) a class outline including the expected timeline to complete the training;

(iii) the attendance requirements;

(iv) the provisions for make-up work;

(v) the grounds for dissociation by the school and student; and

(vi) a detailed fee schedule with the refund amounts including the student's financial responsibility upon dissociation from the school.

**R156-11a-302.23. Esthetics License – Qualifications – Curriculum – Examination.**

(1) Under Subsections 58-11a-302.23(3) and (4), the curriculum for a licensed school, or approved apprenticeship program for an esthetics license shall include the following:

TABLE 24

Curriculum Subjects for the Esthetics License (Grandfathered Legacy)

(7)	<u>Diseases and disorders of the hair and scalp</u>	<u>Bacteriology;</u> <u>sanitation;</u> <u>sterilization;</u> <u>decontamination; and</u> <u>infection control</u>
(8)	<u>Personal, client, and shop safety</u>	<u>First aid;</u> <u>disinfection methods and procedures;</u> <u>sterilization methods and procedures;</u> <u>aseptic techniques;</u> <u>sanitary procedures;</u> <u>blood exposure procedures;</u> <u>Environmental Protection Agency (EPA) requirements;</u> <u>safety data sheet; and</u> <u>department of Health and Human Services requirements including Section 26B-7-402 and Rule R392-702;</u>
(9)	<u>Basic hairstyling and hair cutting</u>	<u>Draping;</u> <u>clipper variations;</u> <u>scissor cutting and shear cutting;</u> <u>shaving and facial hair design;</u> <u>razor cutting; and</u> <u>wet and thermal styling;</u>
(10)	<u>Law and rule</u>	

(2) Under Subsection 58-11a-302(1)(c), an applicant for a barbering license shall pass the following NIC examinations:

(a) National Barber Theory Examination; and

(b) National Barber 1 (No Chemical) Practical Examination.

**R156-11a-303. Renewal Cycle – Procedures – Reinstatement of License.**

(1) Under Subsection 58-1-308(1), the renewal date for the two-year renewal cycle for licenses and permits under Title 58, Chapter 11a, Cosmetology and Associated Professions Licensing Act is established in Section R156-1-308a.

(2) Renewal procedures shall be in accordance with Sections R156-1-308c through R156-1-308l.

(3) Under Subsection 58-1-308(5)(a), an individual may apply for reinstatement of a license or permit between two years and five years from the date that the license or permit expired without being required to pass the applicable examination for that license or permit.

**R156-11a-306. Apprenticeship Requirements – Standards for Apprenticeship – Standards for Protection of Apprentices – Standards for a Written Contract.**

(1) (a) Under Subsection 58-11a-102(1), the requirements for an approved apprenticeship shall include the following:

(b) The instructor shall be approved by the Division and may not have had any disciplinary action in the preceding three years;

(c) there shall be a conspicuous sign near the workstation of the apprentice stating, “Apprentice in Training”.

(d) the instructor will use the service counts and theory instruction listed under the applicable license or permit for which the apprentice is in training, these will be recorded daily and the record shall be available to the division upon request;

(e) a complete set of textbooks pertaining to the license or permit shall be available to the apprentice

(f) the instructor shall provide each apprentice a list of basic kit supplies needed by the apprentice. The basic kit may be supplied by the instructor or purchased independently by the apprentice.

(g) the instructor shall provide each apprentice a copy of the written contract prepared under Subsection 3

(h) the instructor shall limit the training of an apprentice to not more than 40 hours per week and not more than five days out every seven consecutive days;

(i) an apprentice may be compensated for services performed as established in the written contract under Subsection 3;

(j) an apprentice may not perform work on the public until the apprentice has received at least 10% of the hours of practical training and theory training;

(k) an apprentice instructor may not be an employee of an apprentice.

(2) Under Subsection 56-11a-102(1) the standards for protection of apprentices include the following:

(a) if an apprentice supervisor dissociates for any reason, the supervisor shall:

(i) provide the apprentice with a written record of all theory and service counts completed including hours performed in each.

(b) an apprentice supervisor may require an apprentice to:  
(i) clean up an area after the apprentice has used it; and  
(ii) perform or participate in daily cleanup of work areas including:  
(A) the floor space shampoo bowls;  
(B) laundering the towels and linen; or  
(C) another general cleanup duty that is related to the performance of a client service or a practical experience.  
(c) Subject to Subsection (2)(d)(ii), an apprentice supervisor may provide instruction to the apprentice regarding product sales techniques as part of the business and shop management portion of the curriculum.  
(d) An apprentice supervisor may not:  
(i) use an apprentice to perform maintenance, janitorial, or remodeling work including:  
(A) scrubbing the floor, a wall, or a toilet;  
(B) cleaning a window;  
(C) waxing the floor;  
(D) painting;  
(E) decorating; or  
(F) performing any outside work on the grounds or building.  
(ii) require an apprentice to sell products applicable to the industry as a condition to graduate;  
(iii) remove an hour earned by a student except that:  
(A) based on the apprentice's level of competency, the supervisor may require an apprentice to take a refresher course towards completion of the training program; or  
(iv) require an apprentice to perform an activity listed under Subsection 58-11a-502(2).  
(3) Under Subsection 56-11a-102(1) an apprentice supervisor shall complete a written contract with each apprentice before starting the apprenticeship that:  
(b) is signed by the apprentice supervisor and the student; and  
(c) includes:  
(i) the rules of conduct for the supervisor, and the apprentice;  
(ii) a class outline including the expected timeline to complete the training and the distribution of each kit item;  
(iii) the attendance requirements;  
(iv) the provisions for make-up work;  
(v) the grounds for dissociation by the instructor and apprentice and  
(vi) a detailed fee schedule with the refund amounts including the apprentice's financial responsibility upon dissociation from the supervisor or vice versa.

**R156-11a-501. Unprofessional Conduct.**

“Unprofessional conduct” includes:

- (1) using a device classified by the Food and Drug Administration as a prescriptive medical device without the appropriate level of supervision by a licensed health care practitioner acting within the licensed health care practitioner's scope of practice;
- (2) performing a service within the individual's scope of practice without having been adequately trained to perform the service;
- (3) performing a procedure while the licensee has a known contagious disease that may be transmitted by performing the procedure unless the licensee takes medically approved measures to prevent transmission of the disease;[ and]
- (4) performing a procedure on a client who has a known contagious disease that may be transmitted by performing the procedure unless the licensee takes medically approved measures to prevent transmission of the disease[.];
- (5) using a product containing formaldehyde, formalin, or methylene glycol;
- (6) violating a standard established in Subsection R156-11a-302.18(4) or Subsection R156-11a-302.18(5);
- (7) violating a standard established in Subsection R156-11a-302.22(4), Subsection R156-11a-302.22(5), or Subsection R156-11a-302.22(6); or
- (8) violating a standard established in Subsection R156-11a-306.
- (9) use of a dermal roller

**R156-11a-503. Administrative Penalties - Unlawful Conduct.**

(1) In addition to the penalties in Section 58-11a-503, the penalties under Sections 58-1-502 and R156-1-502 shall apply to a violation of Title 58 Occupations and Professions.

**KEY:** [ barber, cosmetologist, cosmetologist/barber, esthetician, electrologist, hair designer, nail technician, eyelash and eyebrow technician] licensure, permit, cosmetology, master esthetics, master barber, master hair design, electrology, nail technology, eyelash and eyebrow technology, chemical hair services, basic esthetics, haircutting, facial hair removal
