Fall courses for students that it is unknown if they have a UFA scholarship (all students have less than 4 courses as required if they do have a UFA scholarship).

School	Sum of Course Price (USBE Use)	Sum of Payment 1 (60%) (USBE Use)
Saint Andrew Catholic School	\$8,000.00	\$4,800.00
Grand Total	\$8,000.00	\$4,800.00

These courses total \$9,406,000, with 60% (\$5,643,600) due now, and the remaining 40% (\$3,762,400) will be due upon completion of all courses.

The legislative appropriation for this is \$8,895,800. The difference for just the fall courses is \$510,200. At this point, no additional students will be able to register for courses for the remainder of the year. It is essential to note that utilizing an outside vendor will incur \$711,664 in annual administrative costs once the vendor is able to fulfill the contract's obligations. This amount will be covered by any legislative appropriation, meaning that future years will have less money available to pay for courses.
