

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: Language Access Policy

Agenda item type:

Action Item

Recommended Action:

That the Board approve the Language Access Policy, Draft 1, on second and final reading

Purpose of Memo:

Staff recommendation

Background:

R277-716 includes the requirement that LEAs have a policy to identify and serve students who qualify for services under IDEA, including, ensuring that all required written notices and communications with a parent who is not proficient in English are provided in the parent's preferred language, including utilizing interpretation services; and coordinating the language instruction educational program and special education and related services to ensure that the IEP is implemented as written.
