4-Public Comments: Jeff Keeney pointed out that this would be TCM Artie Powell's final Town Council meeting. TCM Powell stated he would be at the next meeting for the transition and that he would be helping the Town rewrite the code.

5. Sheriff's Report: There were only 31 incidents in Town in the past month which is normal for this time of year. There was a serious incident the other night involving a resident in Town and one of their employees.

6. Discussion and/or action on approval of Minutes for Town Council Meeting November 20, 2025 (See Attachment #1)

TCM Hunter changed paragraph eight to read, "Sandy stood at the map and pointed out where the utility easement was now on the new survey recorded with Weber County. This may be satisfactory with John Falls. If John Falls wanted any changes to the easement, a new ordinance would need to be approved." TCM Powell had an edit for paragraph ten. He wanted to change it to "The playground is reaching its life span and will need to be replaced in the next 2-3 years."

TCM Powell motioned to approve Minutes as amended for Town Council Meeting November 20, 2025. TCM Ahlstrom seconded the motion. All votes Ayes. Motion passed.

7. Discussion and/or action on approval of Business License for Ogden Valley Sauna LLC (See Attachment #2)

TCM Hunter asked Liz Poulter for an update on the Sauna business. She reported that they were building an outhouse. They're waiting on the power company and the sign. The sidewalk and fence were in.

TCM Ahlstrom motioned to approve Business License for Ogden Valley Sauna LLC. TCM Johnson seconded the motion. All votes Ayes. Motion passed.

8. Discussion and/or action on approval of MOU with Ogden Valley City (See Attachment #3)

The TC discussed the agreement with Ogden Valley City. TCM Sandy Hunter read a text from Mayor Sorensen who had given suggestions on adding more specific details to the MOU including help with snow removal and adding a price for renting the office after six months. TCM Powell suggested they give it to Town Attorney Bill Morris for review. TCM Hunter wrote the suggestions into the MOU with the price of rental as "at least \$500 after 6 months to offset utility costs"

TCM Powell motioned to recommend to Mayor Sorensen the approval of the MOU Regarding the use of Huntsville Town Hall by Ogden Valley City with the amendments and get Attorney Bill Morris to review it. TCM Ahlstrom seconded the motion. All votes Ayes. Motion passed.

9. Discussion on Culinary Water System status updates. (See Attachment #4)

Ron Gault reported that the frequency of leaks had gone down. Recently they had to repair big leaks that involved replacing galvanized pipe. They were hoping to replace the section on 1800 S. in the spring. Sunrise Engineering was helping with the paperwork for the state lead and copper survey that they have been working on. There would be an RFP for the pipe replacement project on 1800 S. Garrett Grow was helping the Town create an input bypass system for emergencies. Ron explained the need for the telemetry and bypass equipment.

10. Discussion and/or action on approval of up to \$5,000 for telemetry equipment for the Culinary Water System (See Attachment #5)

TCM Powell wondered if there were other bids. Ron stated that he had talked to various companies to get prices. One company quoted him \$31,000. He was pleased to be able to get the equipment for just \$5,000.

TCM Ahlstrom motioned to approve up to \$5,000 for telemetry equipment for the Culinary Water System. TCM Johnson seconded the motion. Roll call Vote. Votes reflected below. Motion passed 4-0.

12. Discussion and/or action on approval of Ordinance 2025-12-4 Wildland Urban Interface Code (See Attachment #7)

The Town Council didn't completely understand why the ordinance was necessary, especially when it appeared that Huntsville Town was outside of the WUI boundary map. An alternative US Forest Service map was shared in the meeting that showed some areas in Huntsville Town that were within the WUI area.

TCM Ahlstrom motioned to table Ordinance 2025-12-4 Wildland Urban Interface Code until they could get more information. TCM Powell seconded the motion.

Lt. Jeffries spoke up and stated that there might be liability to Huntsville Town if it didn't adopt the ordinance. He had been in meetings with other cities where Bill Morris presented the ordinance. It needed to be done by the end of the year. The state is still working on the maps.

TCM Sandy Hunter explained that Huntsville Town uses state building codes. These changes would be part of the new building code and it made sense to adopt them. They wouldn't want to face liability in a town with a small budget. TCM Powell suggested some clerical edits to the ordinance. He also wanted to reword the first sentence on the last Whereas to say, "Whereas the Town, in accordance with this unfunded State mandate, the Town accepts the WUI map provided by the Weber Fire District..."

The TC decided to vote on the first motion. **Roll Call Vote. Votes reflected below. Motion did not pass 1-3.**

Department Updates

Councilmember Sandy Hunter- Nothing

Councilmember Artie Powell- is going to meet with Mayor Sorensen and Jim Truett about the OVPSA. He would report back. He got two proposals from the playground company for new equipment. The town needed to start getting donations for the playground equipment.

Councilmember Bruce Ahlstrom- The great-great-grandson of the Aldous family is going to help with funding for fixing the Aldous cabin. Fay Michelony from the DUP came to explain that the State Historical Preservation Society had been contacted and they might be able to help. She is offering to stay in contact with them about any contributions that they could make. The chinking needed to be fixed. Artifacts inside get damaged during the winter when the weather comes through the cracks in the chinking. Some contractors had already turned down the project saying it was a difficult process. Bruce would be talking with a local builder in the coming week to see if they could do it.

Councilmember Lewis Johnson – Nothing

TCM Ahlstrom motioned to approve the November bills. TCM Sandy Hunter seconded the motion. All votes ayes. Motion passed.

TCM Ahlstrom motioned to adjourn the meeting. TCM Johnson seconded the motion. All votes ayes. Motion passed.

Meeting adjourned at 7:35 PM

Sarge Tovar- He spoke about the Flag Ceremony Dedication for Town Hall, service with homeless-vets and the Legion's spaghetti dinner.

Huntsville Culinary Water Board Chair Ron Gault- He announced that Huntsville got the water loan from the state. The Water loss report showed that millions of gallons of water were lost in the spring months. After leaks were repaired on 1800 S., only 1 million gallons per month were lost. He purchased a radio that was a lot less money than was projected. They are working on the bypass and hoping to get it done soon. Last year the water leak was on December 10th.

5. Discussion and/or action on approval of Minutes for Town Council Meeting October 29, 2025 (See Attachment #1)

TCM Ahlstrom motioned to approve the Minutes for Town Council Meeting October 29, 2025. TCM Sandy Hunter seconded the motion. All votes Ayes. Motion passed.

7. Discussion and/or action on Meeting Calendar for 2026 (See Attachment #3)

The TC discussed the calendar and had Nikki adjust some of the dates.

8. Discussion on Adjustments to Utility Easements on Parcels belonging to John Falls and Heidi Posnien. (See attachment #4)

The TC discussed adjustments to the easements. Sandy stood at the map and pointed out where the utility easement was now and where it needed to be. They will have to make a new ordinance to approve changes to the easement.

9. Discussion and/or action on approval of Resolution 2025-11-20 Public Communication Policy (See attachment #5)

TCM Powell summarized the policy and explained that it came about because of something he learned in a meeting he attended for a local special district. They had a circumstance where they refused to read profane and derogatory comments in a public meeting, and it led to a lawsuit. He wrote a policy for Huntsville Town to avoid the same thing happening here. The TC discussed whether they needed to adopt a policy for both the Planning Commission and the Town Council and they decided they could just adjust the language so it would cover all public meetings. TCM Powell would make the changes.

Mayor motioned to approve Resolution 2025-11-20 Written Communication in Meetings Policy. TCM Ahlstrom seconded the motion. Roll Call Vote. Votes reflected below. Motion passed 5-0.

10. Discussion and/or action on approval of up to \$15,000 on playground repairs and future playground plans. (See Attachment #6)

The playground equipment had reached its life span and needed to be replaced. The bid for a whole new design was going to be \$300-\$400,000. The Traditions Committee wanted to help raise money for it. Until the money could be raised, it would be necessary to repair some of the equipment including the slide. That bid was \$15,000.

TCM Johnson questioned the need for the playground. He felt like it was a waste of money and it opened up the town for lawsuits. TCM Powell explained that the town could get money from the OVPSA to help pay for it. In addition, the money earmarked for the repair of the drain field could instead be used to pay for playground repairs and the drain field could be repaired the following year.

Mayor Sorensen motioned to approve up to \$15,000 on playground repairs and have TCM Powell ask for reimbursement from the OV Parks District. TCM Sandy Hunter seconded the motion. Roll Call Vote. Votes reflected below. Motion passed 4-1.

11. Discussion and/or action on approval of Ordinance 2025-7-17 Nuisance Ordinance. (See attachment #7)

TCM Ahlstrom had a list of changes he wanted to make. One was to add “as long as it does not create offensive odors.” to 3a on page 5. TCM Sandy Hunter wondered if they should eliminate animals from the nuisance section and merge it into the animal control section. TCM Ahlstrom felt that agriculture should be allowed in the C1, C2 and RC zones. TCM Sandy Hunter agreed with that at least conditionally. TCM Sandy Hunter wanted to add “public view of” in the junk section so one could have an abandoned vehicle or junk behind a fence or in a garage. The TC was in agreement on many of the proposed changes, but they had a hard time with the abandoned vehicles and garbage sections. For them, protecting health and safety was the most important reason for a nuisance code.

TCM Sandy Hunter moved the noise section of the code to the different zones.

TCM Powell proposed a work session in January to go through the ordinance line by line. TCM Sandy Hunter stated that she would edit the draft to reflect the changes made that night.

TCM Ahlstrom motioned to table Ordinance 2025-7-17 Nuisance Ordinance. Mayor seconded the motion. All Votes Ayes. Motion passed.

Department Updates

Mayor Richard Sorensen- The new city councilmembers and mayor of Ogden Valley City were sworn in. Two more councilmembers would be sworn in the following Monday at 10:00 am at the monastery.

Mayor Sorensen asked the Town Council whether they should have the power for the sauna in their name or the Town's. They wanted to keep it in the town's name.

Councilmember Lewis Johnson –None

Councilmember Bruce Ahlstrom- He spoke about the new Maintenance QR Code for reporting repairs in town.

Councilmember Sandy Hunter- The newsletter will be coming out on December 1st. The sauna had been installed and they had worked hard to make the area look nice. There may be a buyer for the restaurant in town.

Councilmember Artie Powell- He requested time to sit down with the mayor to talk about OVPSA and the Mosquito Board before he leaves office.

TCM Ahlstrom approved the October bills. TCM Powell seconded the motion. All votes ayes. Motion passed.

TCM Powell motioned to adjourn the meeting. TCM Ahlstrom seconded the motion. All votes ayes. Motion passed.

AN ORDINANCE OF HUNTSVILLE, UTAH, ADOPTING CHAPTER 6.11 ENTITLED "WILDLAND-URBAN INTERFACE (WUI) BUILDING CODE" INCLUDING THE WUI SENSITIVE LANDS/HAZARAD AREA MAP IN ACCORDANCE WITH THE 2025 UTAH LEGISLATURE HB 48; SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.
