

RESOLUTION NO. 2026-03

FRUITLAND SPECIAL SERVICE DISTRICT

A RESOLUTION RATIFYING EMERGENCY REPAIRS AND EXPENDITURES

WHEREAS, emergency conditions arose as a direct result of impacts associated with the Highway 40 widening project, requiring immediate action to protect the District's water system, ensure continuity of service, and safeguard public health; and

WHEREAS, such actions were necessary and could not be delayed without risk to the water system, District facilities, or customers;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Fruitland Special Service District hereby ratifies and approves all emergency repairs, expenditures, and actions taken by District staff and contractors in response to these emergency conditions; and

BE IT FURTHER RESOLVED, that such actions are affirmed as necessary, reasonable, and in the best interest of the District and its customers.
