2026 Streetlight IDQ – Addendum 1

Notice is hereby given that the 2026 Streetlight Indefinite Delivery/Indefinite Quantity (IDIQ) solicitation is hereby amended to add the following bidder qualifications:

All bidders must meet the following minimum qualifications:

- **Possess GIS capabilities for surveying, mapping, and reporting streetlight outages;**
- **Be a licensed LSA holder; and**
- **Be able to stock, store, and procure City-standard streetlight equipment.**

Bidders shall clearly demonstrate compliance with these qualifications in their submittal. Failure to meet these requirements may result in a determination of non-responsiveness.

All other terms and conditions of the solicitation remain unchanged.
