

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: Bed Bug Prevention and Response Policy

Agenda item type:

Action Item

Recommended Action:

That the Committee approve the Bed Bug Prevention and Response, Draft 1, on first reading and forward to the Board for approval on second and final reading.

Purpose of Memo:

Staff recommendation

Background:

This policy provides standardized procedures for the identification, reporting, and professional treatment of bed bugs to protect the health and safety of the USDB community. By defining clear roles for the IPM Coordinator and facility staff, the policy ensures a rapid, evidence-based response to sightings while minimizing the use of pesticides. It also outlines specific protocols for residential facilities and school vehicles to prevent the spread of pests across the agency.
