Washington County School District School Board  
121 West Tabernacle  
St. George, UT 84770

Dear Board Members,

I am writing to request approval to use a small portion of our currently allocated TSSA professional development funds for food purchases associated with staff PD sessions. While our school has sufficient funds designated for professional learning, we do not currently have the flexibility to use those funds to provide meals during extended trainings.

Allowing this adjustment would support staff participation, strengthen collaboration, and ensure that professional development time is used as effectively as possible without interruption for off-campus meal breaks.

Thank you for considering this request. Please let me know if any additional information or documentation would be helpful.

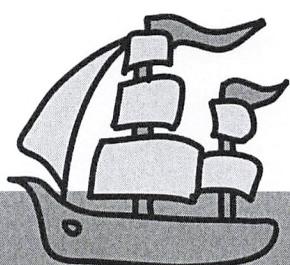

Sincerely,

*Susan Moore*
