

## **Summit County Service Area #3**

### **NOTICE OF FEE HEARING**

Pursuant to Section 17B-1-643 of the Utah Code, the Summit County Service Area #3 Board of Trustees will hold a public hearing at 6:00 pm on January 20, 2026, to consider revisions to the Service Area's water rate schedule. The hearing will take place at the Richins Building Auditorium, located at 1885 Ute Blvd., Park City, Utah, and will be held following a related public hearing on the proposed bond.

The proposed amendments to the water rate schedule are needed for the Service Area to issue a bond to finance upgrades and improvements to its water system. The proposed amendments will not apply to residents who are not adjacent to the Service Area's water system and who receive water from privately owned and operated wells.

The purpose of the hearing is to receive public comment on the proposed imposition or increase of the water rates and to explain the reasons for the same.

The proposed water rates will be made available for public inspection on January 13, 2026, at the Service Area's offices at 629 Parkway Drive, Park City, Utah and on the Service Area's website at: <https://www.summitcountyutah.gov/733/Service-Area-3>. For questions, please contact the Service Area's acting general manager, Vincent Pao-Borjigin, at (435) 500-6260 or [vince@summitcosa3ut.gov](mailto:vince@summitcosa3ut.gov).
